Angled Post Leg Tables

Overview

△ Occasional Tables All parts listed are for a single table; additional parts will be needed for additional tables.

Parts List

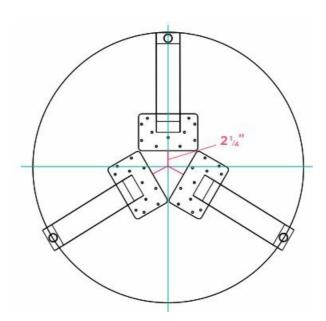

Code	Qty.	Description	
GB####	1	Main Surface (Round or Square)	
APL or APLSH	3 or 4*	Angled Post Leg (Sitting or Standing-Height)	

^{*}Tables will have 3 or 4 legs depending on surface size.

36" Round Surface

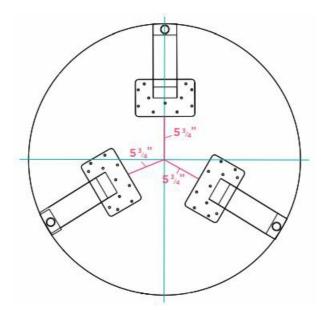

36" Round Sitting-Height Table

Find center of surface by measuring 18" from edge. Once found, measure 2 1/4" from center of surface to the edge of leg plate.

36" Round Standing-Height Table

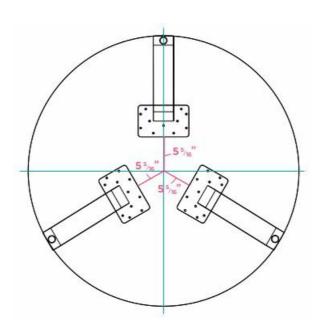

Find center of surface by measuring 18" from the edge. Once found, measure 5 3/4" from center of surface to edge of leg plate.

42" Round Surface

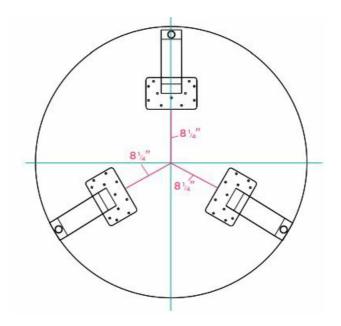

42" Round Sitting-Height Table

Find center of surface by measuring 21" from edge. Once found, measure 5 5/16" from center of surface to edge of leg plate.

42" Round Standing-Height Table

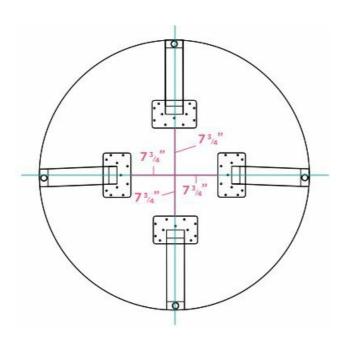

Find center of surface by measuring 21" from edge. Once found, measure 8 1/4" from center of surface to edge of leg plate.

48" Round Surface

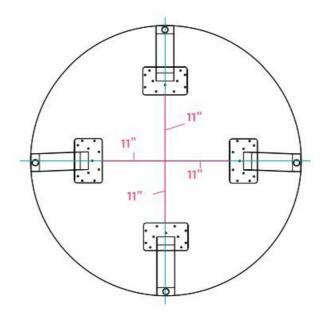

48" Round Sitting-Height Table

Find center of surface by measuring 24" from edge. Once found, measure 7 3/4" from center of surface to the edge of leg plate.

48" Round Standing-Height Table

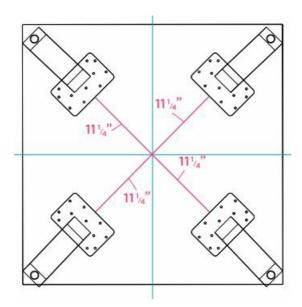

Find center of surface by measuring 24" from the edge. Once found, measure 11" from center of surface to edge of leg plate.

36"x 36" Squared Surface

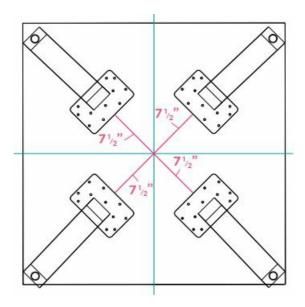

36" x 36" Square Sitting-Height Table

Find center of surface by measuring 18" from edge. Once found, measure 11 1/4" from center of surface to edge of leg plate.

36" x 36" Square Standing-Height Table

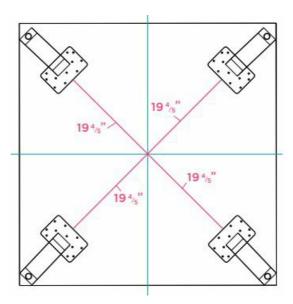

Find center of surface by measuring 18" from edge. Once found, measure 7 1/2" from center of surface to edge of leg plate.

49"x 48" Squared Surface

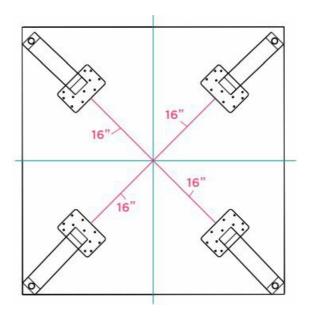

49" x 48" Square Sitting-Height Table

Find center of surface by measuring 24" from edge. Once found, measure 19 4/5" from center of surface to the edge of leg plate.

49" x 48" Square Standing-Height Table

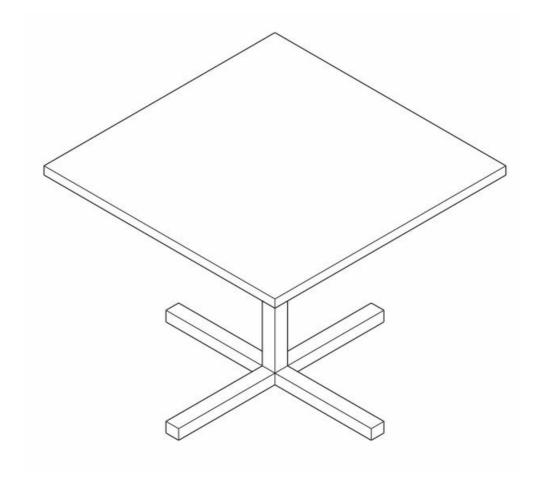

Find center of surface by measuring 24" from the edge. Once found, measure 16" from center of surface to edge of leg plate.

X-Base Tables
