Assembly Instructions

Follow these steps to assemble the product:
Step 1

Align parts B2 and B1 and secure them using 2 screws A.

Step 2

Insert 6 screws C through the top of part B1.

Step 3

Place part B8 over the screws C on part B1 and fasten with 4 screws D.

Step 4

Secure part B8 to part B1 using 4 screws E.

Step 5

Attach part B7 to the assembly using 4 screws F, with part B5 underneath and part B6 on top.
Step 6

Attach part B4 to the side of the assembly using 6 screws G, then attach part B3 to the opposite side.

Step 7

Prepare the main body for the final assembly by placing it upside down.

Step 8

Secure the previously assembled parts to the main body using the remaining screws H.

Specifications

| Part	Description	Quantity
B1 – B9	Various assembly components	1-2 each
