004.155.99 KALLAX Shelf Unit White

Product Information

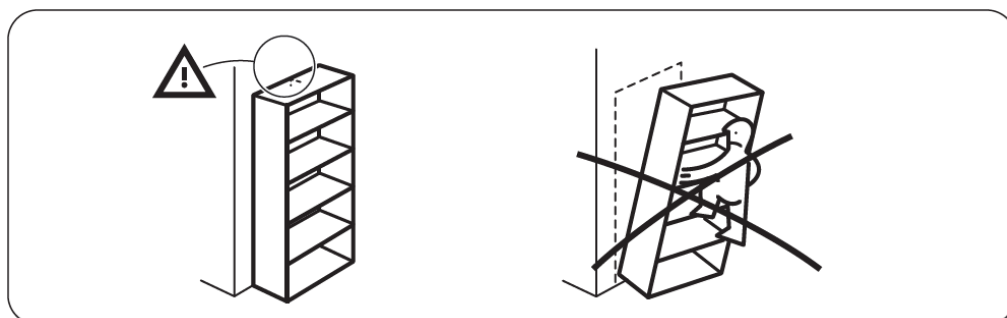

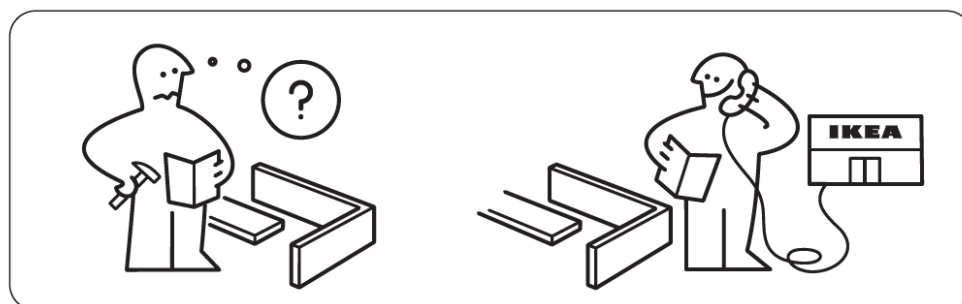

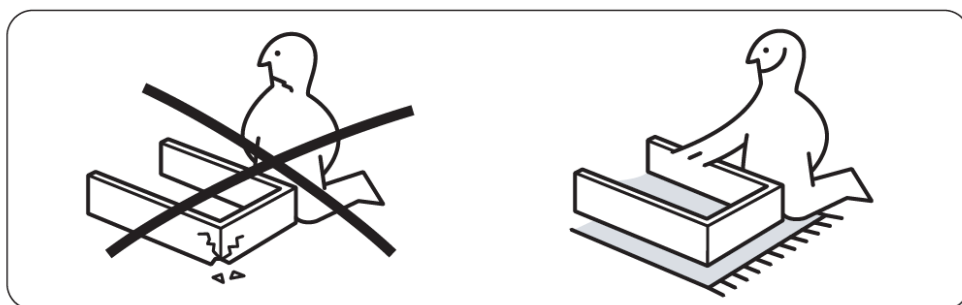

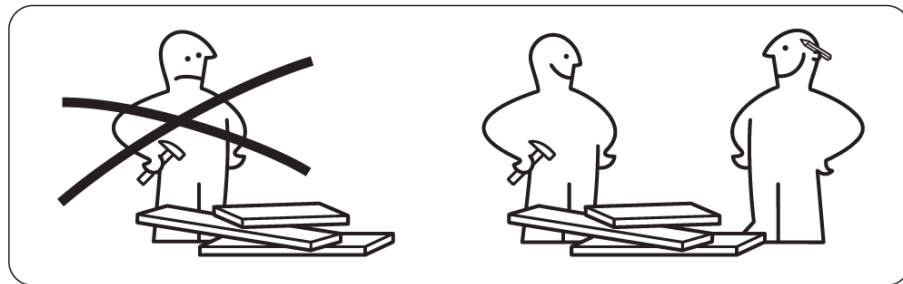

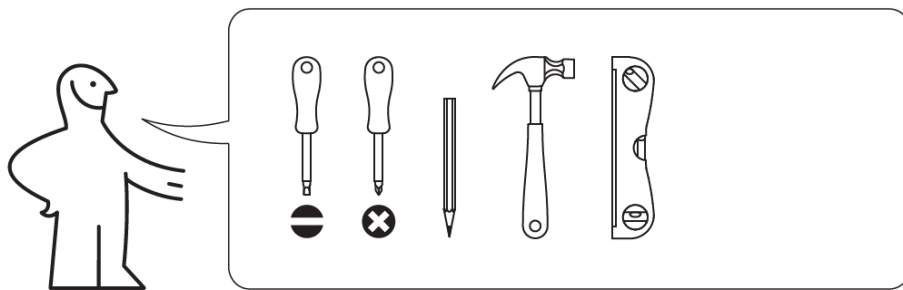

KALLAX is a furniture product that requires wall attachment to prevent tip-over and serious injuries. The product comes with a warning that indicates the use of wall attachment device(s). Screws and plugs for the wall are not included, and users need to use suitable screws and plugs for their walls. Seeking professional advice is recommended if there is uncertainty regarding the type of screws and plugs to use.

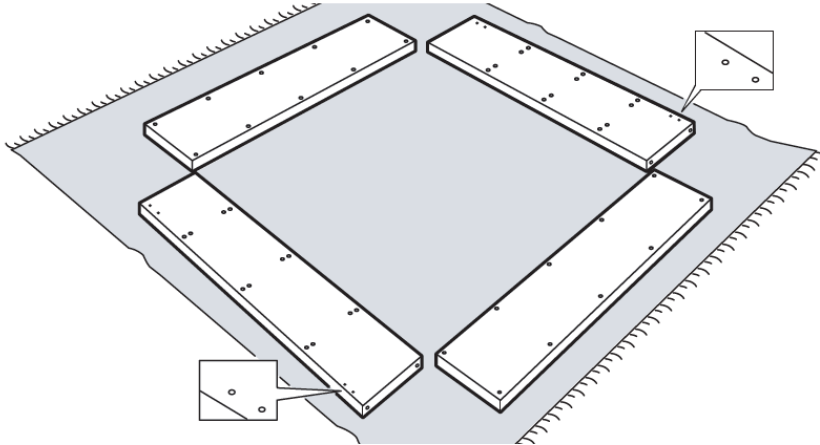

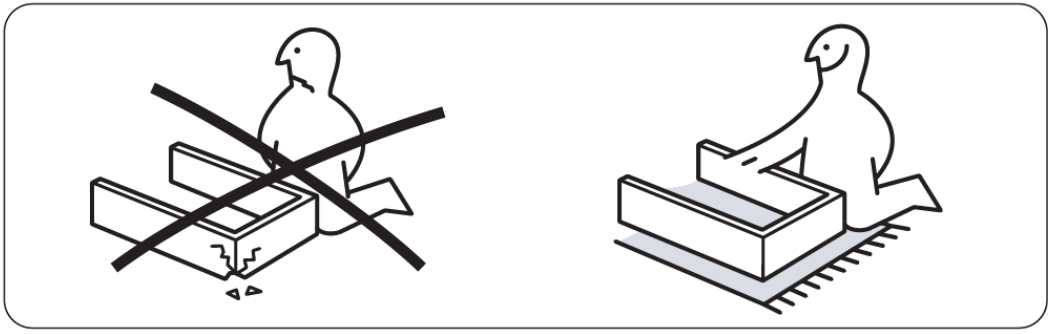

Product Usage Instructions

1. Ensure that the wall attachment device(s) are included in the package.
2. Identify suitable screws and plugs for your walls, or seek professional advice if unsure.
3. Read and follow each step of the instruction carefully.
4. Assemble the KALLAX according to the instruction manual.
5. Place the KALLAX in the desired location against the wall.
6. Use the wall attachment device(s) provided to attach the KALLAX to the wall using screws and plugs suitable for your walls.
7. Ensure that the KALLAX is securely attached to the wall to prevent tipping over.

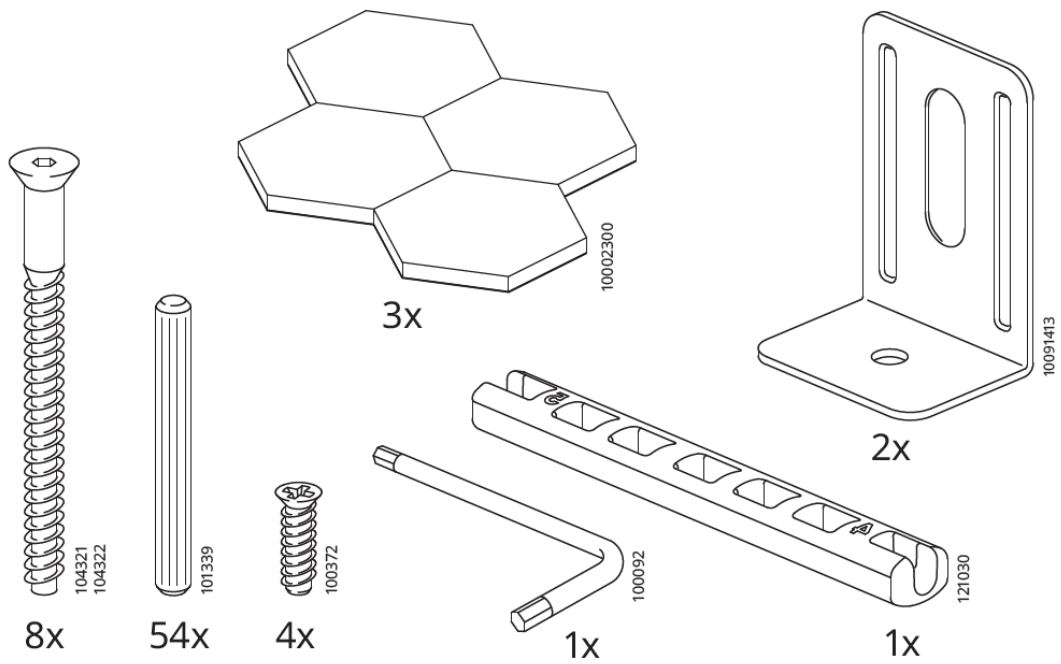

Following these instructions will ensure that the KALLAX is securely attached to the wall, reducing the risk of tipping over and serious injuries.
