## **Product Usage Instructions**

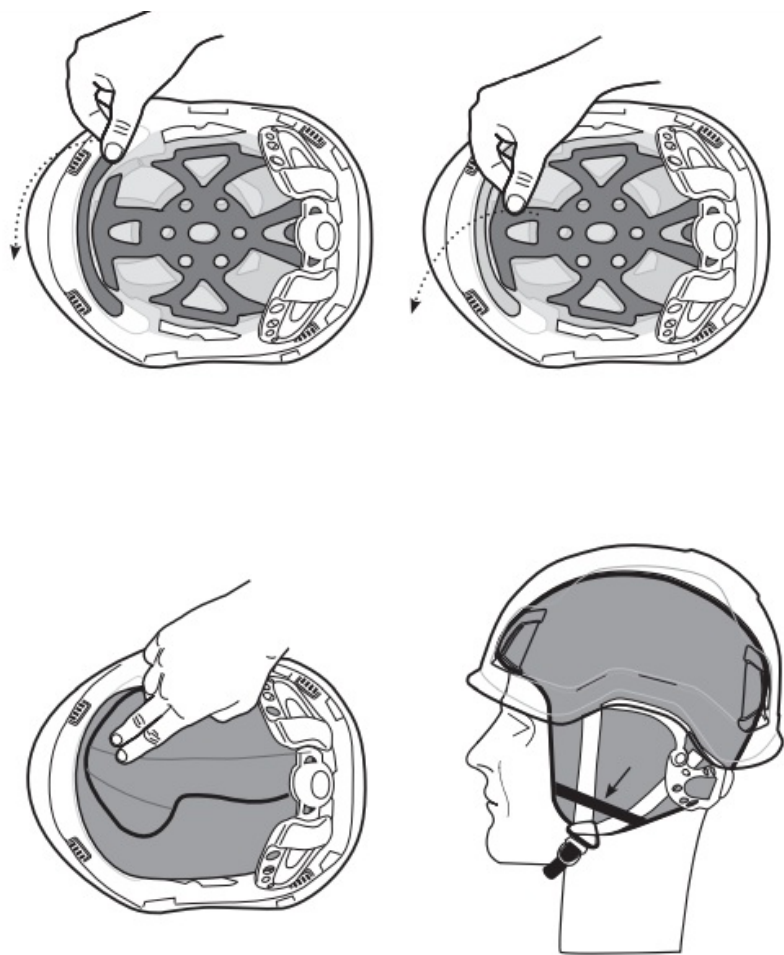

1. Place the winter cap on your head, ensuring that it covers your ears and forehead properly.
2. Adjust the cap's strap to fit your head comfortably but securely.
3. The winter cap is designed to provide insulation and warmth during cold weather. It is not suitable for use in extremely cold temperatures or hazardous conditions.
4. The winter cap can be hand washed with mild detergent and air-dried.
5. Avoid exposing the winter cap to extreme heat or open flames.
6. If the winter cap becomes damaged or shows signs of wear and tear, discontinue use and replace it with a new winter cap.
