KEYLESSOPTION 12BGF Remote Keyless Entry System

Our product is one of vehicle parts incorporated into the vehicle as original equipment. Therefore, we will not supply the user manual. However, we will ask the vehicle manufacturer to include following statements in the user manual of the vehicle in accordance with FCC requirements.

Requirement for User manual of the vehicle

FCC Requirement

In accordance with 15.21 of FCC rule, the following statement will be included in the user manual of the vehicle.

FCC WARNING

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

In accordance with the requirement of FCC§15.19(a)(3), following statement will be included in the user manual of the vehicle.

NOTE

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Information about the FCC ID

The FCC ID is affixed inside the equipment. You can find the ID when replacing the battery.

Note:

The way to replace the battery must be included in the user's manual.

Our product is one of vehicle parts incorporated into the vehicle as original equipment. Therefore, we will not supply the user manual. However, we will ask the vehicle manufacturer to include the following statements in the user manual of the vehicle in accordance with IC requirements.

Requirement for User manual of the vehicle

IC Requirement

In accordance with the requirement of RSS-GEN, the following statement will be included in the user manual of the vehicle.

NOTE

This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada’s license-exempt RSS(s). Operation is subject to the following two conditions:

- 1. This device may not cause interference.
- 2. This device must accept any interference, including interference that may cause undesired operation of the device.

Information about the IC Certification number

The IC Certification number is affixed inside the equipment. You can find the number when replacing the battery.

Note: The way to replace the battery must be included in the user’s manual.
