### OFFSET OPTIONS

- **20mm Offset – No Adapters**  
Steeper and more responsive
- **25mm Offset – Use Adapters**  
Mellower and more stable

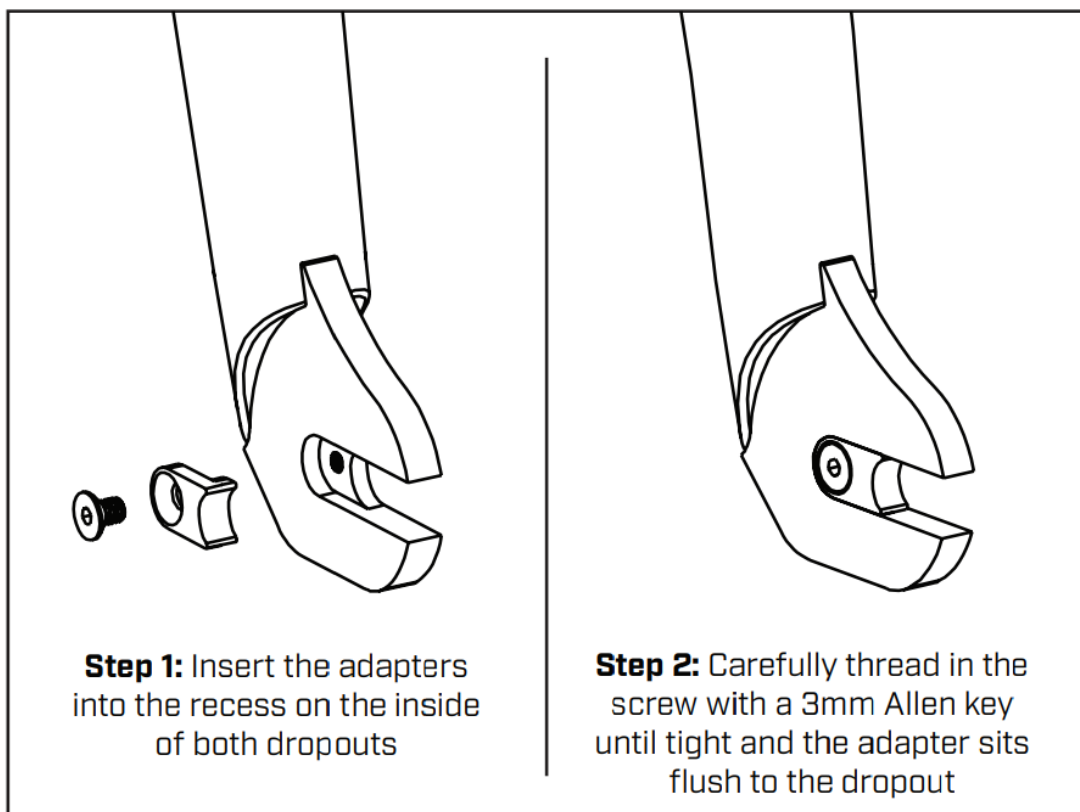

**FIG. 1 - OFFSET OPTIONS**

## OFFSET ASSEMBLY

- **Step 1:** Insert the adapters into the recess on the inside of both dropouts
- **Step 2:** Carefully thread in the screw with a 3mm Allen key until tight and the adapter sits flush to the dropout

**FIG. 2 - OFFSET ASSEMBLY**
