## Assembly Instructions

To assemble the Adjustable Storage Solution, follow these steps:

### Vertical Placement

1. Firmly fasten the wall-mounting bracket (part G) to the wall using hardware I & H.
2. Attach the board (part A) to the mounting bracket either vertically or horizontally with hardware E.
3. Add two spacers at the bottom of the unit using hardware E & F to ensure the board sits flat on the wall.
4. Add shelves, hooks, and baskets in your desired configuration.

### Horizontal Placement

1. Follow steps 1-3 for vertical placement.
2. Arrange the tray, board, and hooks in various combinations on the board.

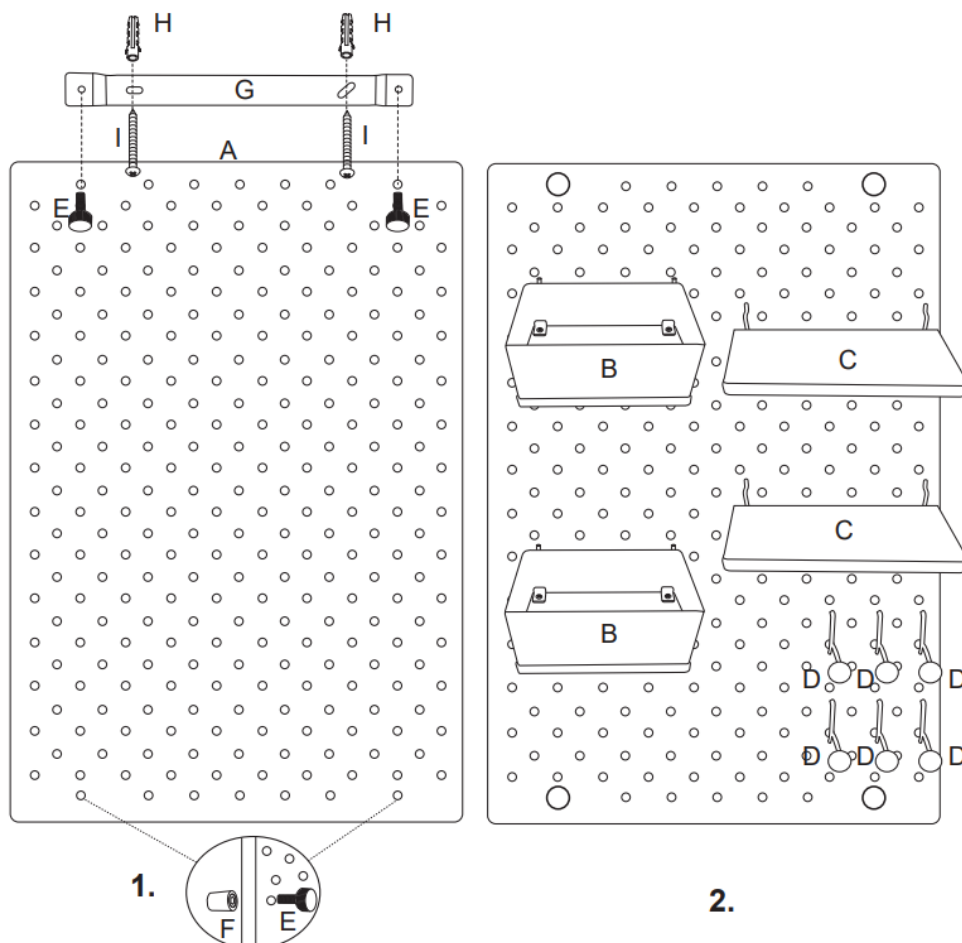

## Care Instructions

Ensure the longevity of your product by following these care instructions:

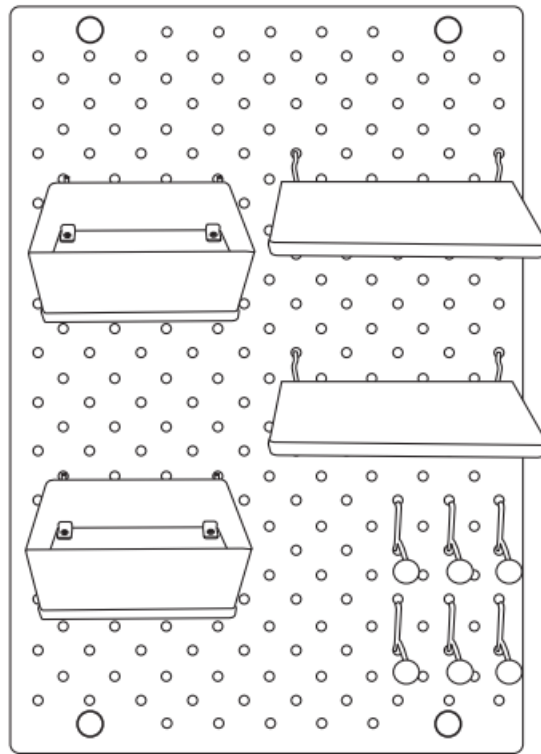

- Wipe clean with a dry cloth.
- Avoid abrasive materials and solvents.
- Regularly check and tighten all parts.
- Avoid water and direct sunlight exposure.
- Avoid placing hot items directly on the surface.
- Store in a dry place for indoor and domestic use only.

## Warning

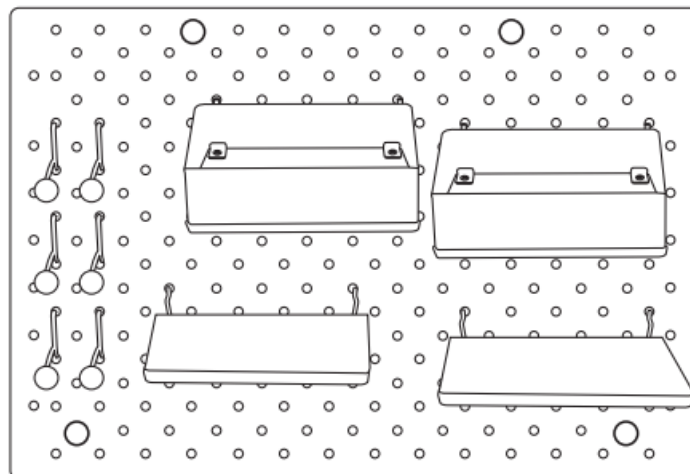

- Do not use the product until all screws are firmly secured.
- Adult assembly is required.
- Failure to follow these warnings could result in serious injury.
- Maximum loading weight: 2kg per shelf, 1kg per hook.
- Firmly fasten the wall mounting bracket (part G) to the wall first (with hardware I & H).
- Once secured, attach the board (part A) to the mounting bracket either vertically or horizontally (with hardware E).
- Add two spacers at the bottom of your unit as shown (with hardware E & F) to ensure the board sits flat on the wall.
- You are now ready to add the shelves, hooks and baskets in the configuration that suits your needs.

### OPTION 1: Vertical Placement

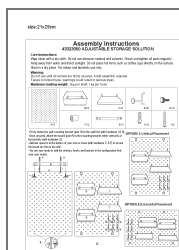

## OPTION 2: Horizontal Placement

**Notice:** The tray, the board and the hooks can be freely combined and placed.
