kobodon 803-EH Elephant Essential Oils Diffuser

INTRODUCTION

The Kobodon 803-EH Elephant Essential Oils Diffuser is a unique option for aromatherapy at home because of its endearing combination of appearance and practicality. This inexpensive diffuser, which retails for only **\$16.99**, was introduced by Kobodon, a respectable company that specialises in wellness and home comfort goods. This diffuser enhances air quality and serves as a beautiful feature thanks to its sturdy metal housing and exquisite elephant pattern. Its seven-colour LED light options, cool mist humidifier, and ultrasonic technology offer a peaceful setting perfect for rest, concentration, or sleep. It's ideal for bedrooms, yoga studios, or your workplace workstation because it has whisper-quiet operation, auto shut-off safety, and up to 6 hours of continuous misting. Not only is the Kobodon Elephant Diffuser useful, but it also makes a heartfelt present for mothers and grandmothers. Every drop of this diffuser creates a calm sensory experience, whether you're using it to reduce stress or freshen the air.

PRODUCT INFORMATION

Savor the Aromatic and Calm Environment Your House Deserves.

The purpose of the Kobodon Essential Oil Diffuser is to calm you with aromatherapy. You can use several types of pure essential oil to achieve the desired aromatherapy effect. If you merely add water, you might also use it as an air humidifier to provide moisture to the air. By adding a few drops of your preferred essential oils to this tiny device, you may create a calming, natural aroma that will fill your house and help you sleep soundly. Additionally, it serves as a humidifier, distributing moisture throughout its atmosphere.

Water Capacity : 150 ML

iPhone XS max

:Light Button

First Press, Turn ON Mist •

• 15 light change modes

Second Press, Turn OFF Mist •

• Fixed on Specific Color

Mist and Light Works Separately •

• Long Press Light OFF

Want additional justifications for picking us?

- Excellent for keeping your face and lips from drying out
- It looks fantastic in your office, bedroom, infant nursery, yoga class, or any other location where you wish to experience calming fragrance and avoid dry air.
- Made from PP plastic, which is 100% safe and long-lasting and is used in the majority

of infant bottles.

- Makes a wonderful gift for a birthday, anniversary, Valentine's Day, or Christmas.

Automatic Waterless Shut-Off

As soon as the water content is depleted, the Essential Oil Diffuser will shut off on its own to prevent damage to your device.

Quiet Designs

The Aromatherapy Essential Oil Diffuser uses cutting-edge ultrasonic technology, which makes it incredibly silent.

Mood Light Seven Colours

7 LED Night Lights

You can choose your preferred color mode to meet your different needs.

The diffuser works separately from light,

It can make mist without light or only light with no mist.

Great night light for young children who scared of dark at bedtime.

The oil diffuser and ultrasonic scent humidifier features seven color LED lights that change in a soothing way. You may switch the lights off or set them to bright, dim, fixed, or cycle colors.

Pros

- Beautiful elephant-themed metal design
- 7 soothing LED colors to match any mood
- Whisper-quiet ultrasonic mist technology
- Automatically shuts off when water runs out
- Ideal for gifting and everyday relaxation

Cons

- Small tank requires regular refilling
- Limited to 6-hour continuous operation
- No remote or smart control features
- Not suitable for very large rooms
- Light settings must be manually cycled

WARRANTY

The kobodon 803-EH Elephant Essential Oils Diffuser comes with a standard manufacturer warranty, typically covering defects in materials and workmanship. If your unit malfunctions within the warranty period, kobodon may offer repair, replacement, or refund depending on the issue and purchase date. It is advisable to keep your proof of purchase and original packaging for any warranty claims. Warranty terms may vary slightly depending on the seller or distributor.

FREQUENTLY ASKED QUESTIONS

What is the kobodon 803-EH Elephant Essential Oils Diffuser designed for?

The kobodon 803-EH diffuser is a cool mist humidifier and essential oil diffuser that refreshes your space with aromatic mist, relieves stress, and enhances mood through soothing LED lights.

How long does the kobodon 803-EH diffuser run on one fill?

It runs continuously for up to 6 hours, releasing a fine mist of scented moisture into your space.

Is the kobodon 803-EH diffuser quiet?

The kobodon 803-EH diffuser uses ultrasonic technology for whisper-quiet operation, making it perfect for nighttime use or a distraction-free office.

Does the kobodon 803-EH model shut off automatically?

Absolutely. This diffuser includes an auto shut-off feature that activates when the water tank is empty, protecting the device from damage.

What type of essential oils work best with the kobodon 803-EH?

Use pure, water-soluble essential oils. Avoid thick or carrier oils which could clog the diffuser and reduce performance.

Why isnt my kobodon 803-EH diffuser producing mist?

Check the water level and ensure it hasnt reached the max fill line. Clean the ultrasonic plate and confirm the unit is plugged in securely.

How do I clean the kobodon 803-EH diffuser?

Turn off and unplug the unit. Empty water, wipe the tank with a soft cloth, and clean the ultrasonic plate using a cotton swab with diluted vinegar.
