kobodon 808-T Tree Essential Oils Diffuser

INTRODUCTION

A gorgeous addition to any house, the KOBODON 808-T Tree Essential Oils Diffuser combines design and utility into a single gadget. This metal aromatherapy diffuser, which was introduced by KOBODON in 2024, blends cutting-edge features with contemporary design. Up to six hours of continuous mist from the 150ML tank is ideal for establishing a calm environment in your home. You can customize the atmosphere with the seven color-changing LED lights, which makes it a flexible choice for any space. This diffuser is ideal if you want a relaxing atmosphere for rest or a nice scent for your house. It is a great present for mothers, women, and anyone who appreciates wellness goods, and it is reasonably priced at **\$16.99**. When the water runs out, the auto shut-off feature guarantees safety, and the cylindrical “Tree” design adds a touch of elegance to your environment.

WHAT'S IN THE BOX

- Essential Oils Diffuser
- User Guide

FEATURES

- **150ml Water Capacity:** Makes it ideal for medium-term use without the need for frequent refilling.
- **Metal Construction:** A sturdy and fashionable metal body featuring a cylindrical form reminiscent of a tree.
- **Seven Color LED Lights:** Provides seven colour-changing LED light modes, as well as the ability to turn off lights or freeze on a favorite hue.

7 LED Night Lights

You can choose your preferred color mode to meet your different needs.

The diffuser works separately from light,

It can make mist without light or only light with no mist.

Great night light for young children who scared of dark at bedtime.

- **Cool Mist Ultrasonic Technology:** This method efficiently distributes essential oils by producing a fine, cool mist using ultrasonic vibrations.
- **Waterless Auto Shut-Off:** To safeguard the gadget and guarantee safety, it turns off automatically when the water runs out.
- **Six-Hour Runtime:** With a full tank, it can continuously mist for up to six hours.
- **Coverage Area:** Perfect for household use, effective in areas up to 200 square feet.
- **Low Power Consumption:** 12 watts is all that is needed for long-term energy efficiency.
- **Silent Operation:** Whisper-quiet ultrasonic technology guarantees that there won't be any noise when working or sleeping.
- **Aromatherapy Benefits:** Include reducing stress, enhancing air quality, and fostering a calm environment.
- **Simple Controls:** The mist and light settings include simple buttons that make it easy to use.
- **Lightweight and Portable:** It may be placed anywhere in the house.
- **Safe for Home Use:** Reliability and safety are guaranteed by ETL and FCC certifications.

- **Decorative Design:** The tree theme gives the interior design of the room a beautiful touch.
- **Corded Electric Power Source:** Eliminates the need for batteries by providing dependable plug-in power.

Water Capacity : 150 ML

- 15 light change modes
- Fixed on Specific Color
- Long Press Light OFF

SETUP GUIDE

- **Unpack the Diffuser:** Take the diffuser and its attachments out of the box.
- **Place on a Level Surface:** Put the diffuser close to a power outlet on a level, solid surface.
- **Remove the Top Cover:** To gain access to the water tank, carefully peel off the metal cover.
- **Fill with Water:** Avoid overfilling by adding clean, room-temperature water until the 150ml fill line is reached.

- **Add Essential Oils:** To the water, add three to five drops of your preferred essential oil.
- **Replace the Cover:** Reattach the diffuser's top cover.
- **Plug in the Power Cord:** Attach a power outlet to the diffuser.
- **Press the Power Button:** Activate the diffuser and begin misting.
- **Choose Mist Mode:** For up to six hours of operation, select continuous mist mode.
- **Cycle Through LED Light Colors:** To switch between the seven colors or to turn off lights for darkness, press the light button.
- **Freeze Preferred Light Color:** To lock in your preferred color, press the light button once more.
- **Place in the Desired Space:** For aromatherapy advantages, use in the office, living room, or bedroom.
- **Monitor Water Level:** To prevent running dry, check the water level while using it.
- **Auto Shut-Off Activation:** When the water supply runs out, the diffuser will shut off on its own.
- **Turn Off and Unplug After Use:** To prevent misting, press the power button. Then, unplug for safety.

Sleep in Comfort and Restfulness

Enjoy inviting aroma for a tender sleeping night

- Whisper-quiet
- Waterless Auto-off
- Over-current Protection
- Short-circuit Protection

CARE & MAINTENANCE

- **Unplug Before Cleaning:** Prior to cleaning, always turn off the diffuser.
- **Drain Remaining Water:** After every use, drain any remaining water to avoid bacterial growth and the accumulation of oil residue.
- **Clean Weekly:** At least once a week, give the water tank and ultrasonic plate a thorough cleaning.
- **Use Light Cleaning Solutions:** To get rid of oil residue, use a gentle cloth and light soap or a diluted white vinegar solution.
- **Steer Clear of Harsh Chemicals:** Avoid using detergents, solvents, or abrasive cleansers since these may harm the diffuser.
- **Wipe Ultrasonic Plate Gently:** To clean the ultrasonic transducer without scratching it, use a cotton swab or soft cloth.

- **Dry Completely:** To avoid mold and mildew, thoroughly dry the diffuser's exterior and interior after cleaning.
- **Use Distilled or Filtered Water:** Can help extend the life of diffusers and lessen mineral deposits.
- **Avoid Mixing Oils Without Cleaning:** To avoid inadvertently combining scents, drain any leftover water before adding a fresh essential oil.
- **Avoid Overfilling the Water Tank:** To prevent malfunctions, only fill the tank to the maximum fill line.
- **Store Properly When Not in Use:** Drain the water and keep it out of direct sunlight in a cool, dry location.
- **Clean the Microfiber Cloth Frequently:** To prevent the spread of oils or dirt, wash the cloth frequently if it is being used for cleaning.
- **Examine Plug and Power Cord:** Frequently check for damage to prevent electrical dangers.
- **Avoid Placing on Fragile Surfaces:** Guard against mist-induced water or oil damage to furniture.
- **Deep Clean Monthly or Bi-Monthly:** To get rid of tough residues and keep your system operating at its best, do a deeper clean every month or every two months in addition to your weekly cleaning.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Diffuser not turning on	Power cord not plugged in or faulty outlet	Ensure the power cord is properly connected
No mist coming out	Water tank is empty or improperly placed	Refill tank and ensure it's securely positioned
Weak mist output	Ultrasonic plate is dirty	Clean the ultrasonic plate using a cotton swab
LED lights not working	Light settings not adjusted properly	Press the light button to toggle colors

Issue	Possible Cause	Solution
Unusual noise	Surface uneven or water spill	Place on flat surface and clean if necessary
Auto shut-off triggered early	Water level too low	Refill the water tank and restart the diffuser
Aroma not strong enough	Too few drops of essential oil added	Add a few more drops of your preferred essential oil
Diffuser leaking water	Tank overfilled or unit tilted	Check the fill line and place the unit on a flat surface
Buttons unresponsive	Temporary electrical issue	Unplug the diffuser, wait 10 minutes, and plug it back in
Strange smell	Stale water or used oils	Empty, clean thoroughly, and use fresh water/oils

PROS & CONS

Pros

1. Elegant tree design adds a natural touch to home decor
2. 7 LED colour options for customizable ambience
3. 6-hour runtime on continuous mode for extended use
4. Waterless auto-off feature for added safety
5. Quiet operation, perfect for use in bedrooms and offices

Cons

1. 150 ML tank may require frequent refills
2. Not suitable for large spaces beyond 200 sq. ft.
3. No remote control for convenient operation
4. Limited colour options for LED lights
5. Wired operation, no battery or wireless use

WARRANTY

The KOBODON 808-T Tree Essential Oils Diffuser comes with a **1-year** limited warranty covering defects in material and workmanship under normal use. This warranty does not cover damages due to misuse, accidents, or unauthorized modifications. To make a warranty claim, you must provide proof of purchase. If there are any issues with the product during the warranty period, contact KOBODON customer service for support or a potential replacement. The warranty is valid only in the region where the product was purchased.

FREQUENTLY ASKED QUESTIONS

How do I start using the kobodon 808-T Tree Essential Oils Diffuser?

To use the kobodon 808-T Tree diffuser, remove the top, add 150ml of water and a few drops of your favorite essential oil, close the lid, and press the power button to begin diffusing.

How long will the kobodon 808-T Tree Essential Oils Diffuser run continuously?

This model runs for up to 6 hours continuously before automatically shutting off once the water tank is empty.

What should I do if the kobodon 808-T Tree Diffuser stops producing mist?

Check if the water level is low. The diffuser has an auto shut-off feature when the water runs out. Also, clean the ultrasonic plate if there's mineral build-up.

Why is my kobodon 808-T Tree Diffuser not producing mist?

Ensure there is sufficient water in the tank, and the ultrasonic plate is clean. Mineral deposits may block mist output.

How noisy is the kobodon 808-T Tree Essential Oils Diffuser?

The kobodon 808-T Tree diffuser uses advanced ultrasonic technology and operates very quietly, making it ideal for bedrooms, offices, or any peaceful setting.

What is the coverage area of the kobodon 808-T Tree Essential Oils Diffuser?

This diffuser is ideal for small to medium-sized rooms, with a coverage area of up to 200 square feet.

How do I clean the kobodon 808-T Tree Essential Oils Diffuser?

Empty the water tank, wipe it with a soft cloth, and clean the ultrasonic plate gently with a cotton swab dipped in vinegar to remove any residue.
