kobodon K815 A-Hummingbird Essential Oils Diffuser

INTRODUCTION

Style and tranquility coexist in the Kobodon K815 A-Hummingbird Essential Oils Diffuser. Kobodon introduced this sophisticated diffuser, which is reasonably priced at **\$16.99** and provides a lovely fusion of aromatherapy and interior design in a small package. With its eye-catching metal casing and adorable hummingbird design, it's the ideal present for mothers, grandmothers, or health-conscious people. The device, which is perfect for small to medium-sized spaces, uses ultrasonic cool mist technology to provide a calming, continuous mist for up to six hours, adding mild humidity and a revitalizing scent to your environment. It is both practical and aesthetically pleasing, including seven-color LED lights, adjustable brightness, and auto shut-off for safety.

The Kobodon hummingbird diffuser turns your space into a tranquil haven, whether it's for your office, bedroom, or spa area. It is intended for people who value both wellbeing and beauty, and it is supported by ETL and FCC certifications.

PRODUCT INFORMATION

Savor the Aromatic and Calm Environment Your House Deserves.

The purpose of the Kobodon Essential Oil Diffuser is to calm you with aromatherapy. You can use several types of pure essential oil to achieve the desired aromatherapy effect. If you merely add water, you might also use it as an air humidifier to provide moisture to the air. By adding a few drops of your preferred essential oils to this tiny device, you may create a calming, natural aroma that will fill your house and help you sleep soundly. Additionally, it serves as a humidifier, distributing moisture throughout its atmosphere.

Want additional justifications for picking us?

- Excellent for keeping your face and lips from drying out
- It looks fantastic in your office, bedroom, infant nursery, yoga class, or any other location where you wish to experience calming fragrance and avoid dry air.
- Made from PP plastic, which is 100% safe and long-lasting and is used in the majority of infant bottles.
- Makes a wonderful gift for a birthday, anniversary, Valentine's Day, or Christmas.

Automatic Waterless Shut-Off

As soon as the water content is depleted, the Essential Oil Diffuser will shut off on its own to prevent damage to your device.

Quiet Designs:

The Aromatherapy Essential Oil Diffuser uses cutting-edge ultrasonic technology, which makes it incredibly silent.

Mood Light Seven Colours

The oil diffuser and ultrasonic scent humidifier features seven color LED lights that change in a soothing way. You may switch the lights off or set them to bright, dim, fixed, or cycle colors.

WHAT'S IN THE BOX

- Essential Oils Diffuser
- User Manual

TROUBLESHOOTING

Issue	Possible Cause	Solution
Diffuser won't start	Power source issue or disconnected cord	Check plug and use a functional power outlet
No mist output	Low water or clogged ultrasonic plate	Refill water tank and clean the misting element

Issue	Possible Cause	Solution
Weak mist	Dirt buildup or insufficient water	Clean the device and ensure proper water level
Lights not working	LED function not activated	Press the light button to toggle through colors
Sudden power-off	Activated auto shut-off due to empty tank	Refill water and restart unit
Leaks around base	Overfilled tank or uneven surface	Use correct water level and place on flat, stable area
Aroma not strong	Too little oil or low-quality oil used	Add more oil or use a high-grade essential oil
Buttons not responding	Moisture exposure or short circuit	Unplug and let the unit dry before retrying
Unusual noise	Base not stable or internal vibration	Place unit on a steady, soft surface
Residual odor after cleaning	Oil buildup or stagnant water	Clean thoroughly with vinegar-water solution

PROS & CONS

Pros

- Elegant hummingbird metal design—perfect for gifts
- Quiet ultrasonic mist for undisturbed relaxation
- 7-color LED light with dim and bright options
- Automatic shut-off ensures safe operation
- Easy to use and refill for everyday convenience

Cons

- Not suitable for large or open areas
- No timer settings available
- Manual light cycling is required
- A small water tank requires frequent refills
- Can't be used with heavy essential oils

WARRANTY

The Kobodon K815 A-Hummingbird Essential Oils Diffuser is backed by a limited manufacturer's warranty. This warranty typically covers defects in materials or workmanship under normal use conditions. Customers are advised to keep the original receipt and packaging for warranty verification. For full warranty terms, reach out to Kobodon's customer support. The warranty does not cover damage from misuse, unauthorized repairs, or using non-recommended oils or accessories.

FREQUENTLY ASKED QUESTIONS

What is the kobodon K815 A-Hummingbird Essential Oils Diffuser designed for?

The kobodon K815 A-Hummingbird diffuser is a multifunctional aromatherapy device that functions as a cool mist humidifier, LED night light, and home or office decor.

How long can the kobodon K815 A-Hummingbird diffuser run continuously?

This model runs for up to 6 hours in continuous mist mode, ideal for extended aromatherapy or humidity sessions throughout the day or night.

Why is my kobodon K815 A-Hummingbird diffuser not producing any mist?

Ensure the unit has enough water, the ultrasonic plate is clean, and the unit is on a flat surface. Try resetting the device by unplugging it for a few minutes and restarting.

Why does the kobodon K815 A-Hummingbird diffuser shut off by itself?

This model features a waterless auto shut-off system that turns the diffuser off when the tank is empty to prevent damage.

What should I do if the kobodon K815 A-Hummingbird diffuser is leaking?

Make sure the tank isn't overfilled and that the top cover is securely in place. Avoid tilting or moving the unit while in use.

Why is there a weak mist coming from my kobodon K815 A-Hummingbird diffuser?

This could be due to essential oil buildup or scale on the ultrasonic plate. Clean the plate with a cotton swab and vinegar, and use only a few drops of oil per use.
