KOHLER

KOHLER K-29359 Garbage Disposal Power Cord kit

Product Specifications

- **Model:** Garbage disposal power cord kit K-29359
- **Overall Length:** 35-1/2" (902 mm)
- **Material:** Plastic

Product Information

The Garbage Disposal Power Cord Kit K-29359 is designed to provide power to your garbage disposal unit (unit sold separately). It is made of durable plastic material and has an overall length of 35-1/2 inches.

Installation

1. Ensure the garbage disposal unit is installed securely.
2. Connect one end of the power cord kit to the disposal unit.
3. Connect the other end of the power cord kit to a power source following local electrical codes.
4. Secure all connections and ensure proper grounding.

Codes/Standards

This product meets the following codes and standards:

- ASSE 1008
- UL 430

Technical Information

All product dimensions are nominal.
