Important Warranty Information

The Hive Lite RGB Keyboard comes with a standard 400 Days limited warranty covering manufacturing defects and issues arising from normal usage. However, please note that the warranty will be void under the following circumstances:

Warranty Void Conditions:

1. **Modifications and Unauthorized Repairs:**

- Any damage caused by opening, disassembling, or modifying the keyboard (including internal hardware modifications or replacing components) will void the warranty.

2. **Liquid Damage:**

- Any damage resulting from liquid spills, submersion, or exposure to moisture is not covered under the warranty.
- It is strongly recommended to avoid eating or drinking near the keyboard to prevent accidental spills.

3. **Physical Damage:**

- The warranty does not cover physical damage caused by mishandling, dropping, excessive force, or improper usage.
- This includes broken keycaps, damaged cables, or cracks in the keyboard body.

Connecting the Kreo Hive Lite RGB Keyboard:

Step 1: Plug the provided USB cable into the keyboard's USB port.

Step 2: Connect the other end of the cable to an available USB port on your computer.

Step 3: Wait for your computer to detect the keyboard automatically. Drivers will be installed automatically on most operating systems (Windows/macOS).

Step 4: Once the connection is established, the keyboard will light up, and it's ready for use.

Volume Knob Control:

- Rotate the knob: Adjust volume up (+) or down (-).
- Press the knob: Activate mute mode.

RGB Light Control:

- Press FN + knob: Enter RGB Lighting Mode.
- Rotate the knob: Adjust light brightness left or right to reduce or increase brightness.
- Press the knob again: Switch to different lighting modes.
- Press FN + knob again: Exit RGB Lighting Mode

FN Key Combined Functions

- FN + F1:** Opens the media player.
- FN + F2:** Decreases the volume.
- FN + F3:** Increases the volume.
- FN + F4:** Mutes the audio.
- FN + F5:** Skips to the previous track.
