US FOUNDING DIRECTIVES

DECLARATION OF COMPLIANCE WITH ADDITIONAL EUROPEAN UNION DIRECTIVES ON THE KEYBOARD

Krom declares that this product is in compliance with the essential requirements and other relevant provisions of Directives: 2014/30/EC; 2011/65/EC, as applicable. The technical documentation required by the Conformity Assessment process can be found in the possession of Krom and may be requested via info@kromgaming.com.

DISPOSAL OF WASTE BATTERIES AND ELECTRICAL AND ELECTRONIC EQUIPMENT

The presence of this symbol on the product, batteries, or packaging means that this product and the batteries it contains cannot be disposed of with household waste. It is the user's responsibility to deliver this product to a point applicable for the recycling of batteries and electrical and electronic equipment. This separate collection and recycling contributes to the conservation of natural resources and suppresses potential negative consequences for human health and the environment resulting from improper disposal of hazardous substances in batteries and in electrical and electronic equipment. For more information about collection points for batteries and electrical and electronic waste, contact your local municipal office.

GUARANTEE

Who protects the warranty:

This warranty is valid only for the original purchaser of the product.

Protecting warranty:

To activate the guarantee, you must contact a Krom distribution partner in your country. You can find the list of partners at www.kromgaming.com.

- **Warranty:** 2 years from the date of purchase. [Depending on the laws in force in each country]
- **URL:** www.kromgaming.com
- **Email:** support@kromgaming.com.

That does not protect the warranty:

1. Any product on which the serial number has been defaced, modified, or removed.
2. Accidents, misuse, neglect, damage caused by fire, water, lightning, or other acts of nature, unauthorized product modifications, or failure to follow instructions provided with the product.
3. Repair or attempted repair by personnel not authorized by Krom.
4. Damage or loss of programs, data, or removable storage media.
5. Loss of software or data incurred while repairing or replacing the product.
6. Any damage to the product caused by transportation.
7. Removing or installing the product.
8. External causes such as □ fluctuations or power outages.
9. Use of materials or components that do not comply with Krom specifications.
10. Wear and tear from conventional use.
11. Any other cause unrelated to a defect in the product.
