## Assembly Instructions

The following illustration shows the cable routing as well as the position of the individual components.

- 1 Entry/start authorization control unit
- 2 Ground pin
- 3 Foot gesture control unit
- 4 Black sensor cable
- 5 Red sensor cable

Please be aware that this overview is only for illustration purposes. Always lay the cable set in the most convenient and shortest way possible. For a detailed description of the cable routing, please refer to the relevant sections of the following manual.
