Assembly Instructions

The following illustration shows the cable routing as well as the position of the individual components.

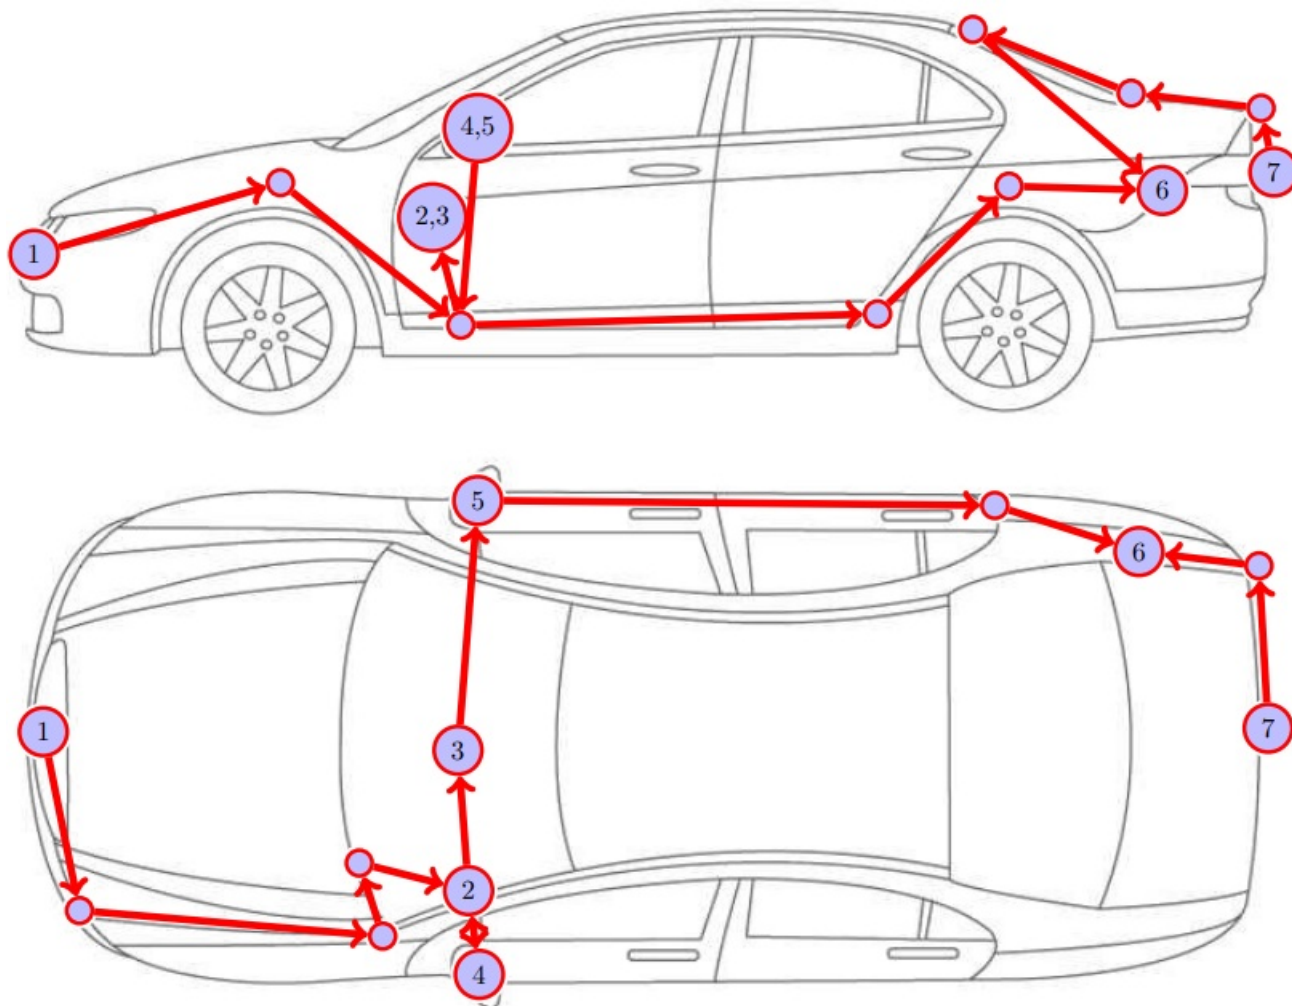

Figure 3: Vehicle overview

1. Front camera
2. Ground, steady plus, gateway connection
3. FAKRA cable connection
4. Side mirror camera driver's side
5. Side mirror camera passenger's side
6. Control unit
7. Rear view camera

Please be aware that this overview is only for illustration purposes. Always lay the cable set in the most convenient and shortest way possible. For a detailed description of the cable routing, please refer to the relevant sections of the following manual.

Kufatec GmbH & Co. KG – Dahlienstr. 15 – 23795 Bad Segeberg – e-mail: info@kufatec.de
