LARQ

LARQ PureVis™ Active Loop

Specifications

- Made of premium food-grade silicone
- Includes an aluminum detachable carabiner
- Compatible with LARQ Bottle PureVis™, LARQ Bottle Movement PureVis™, and LARQ Bottle Twist Top

Product Usage Instructions

How to Attach the Active Loop:

1. Slide the Active Loop onto the PureVis™ or Twist Top Cap for easy carrying or looping to a backpack.
2. Stretch the Active Loop around the top of a clean LARQ Cap.
3. Push down until the Active Loop aligns evenly around the cap.

Note: The Active Loop is designed to be slightly smaller than the cap for a tight fit. The stretched silicone with ridges prevents slippage.

How to Clean the Active Loop:

Remove the carabiner from the Active Loop, then wash it with light soap and water.

Warranty Information:

We offer a 1-year limited warranty to repair or replace any defective material or component. Please note that normal wear and tear, misuse, or loss/theft are not covered. (2-year warranty where local regulations stipulated).

Safety Precautions:

Safety first! The Active Loop is not designed for climbing.

product information

Hello there

LARQ was started with a simple vision where innovative technology can be combined with inspirational design to help people access pristine drinking water easily and sustainably. You are what you drink, so drink brilliantly. Our products look as good as they make you feel. These are the most beautiful hydration products in the world that make it easy to make a healthier and sustainable choice, anytime and anywhere.

Product Features

- Made of premium food-grade silicone, designed to protect your LARQ Cap from bumps and scrapes
- Keeps the micro-USB port free of dust and dirt
- Includes an aluminum detachable carabiner for easy carry (not for climbing)
- Compatible with LARQ Bottle PureVis™, LARQ Bottle Movement PureVis™, and LARQ Bottle Twist Top

How to use

Slide the Active Loop onto the PureVis™ or Twist Top Cap for easy carrying or looping to a backpack.

- Stretch the Active Loop around the top of a clean LARQ Can
- Push down until the Active Loop aligns evenly around the cap

Note: The Active Loop is designed to be slightly smaller than the cap, ensuring a tight fit. The compression of the stretched silicone grabs the cap, reinforced by ridges on the inside of the band, preventing slippage. Rest assured, the LARQ Active Loop has been extensively tested to stay securely on your LARQ cap!

How to clean

Remove the carabiner from the Active Loop, then wash it with light soap and water

Warranty

We offer a 1-year limited warranty to repair or replace any defective material or component. It does not cover any issues due to normal wear and tear, misuse, or loss/theft of the product. (2-year warranty where local regulations stipulate).

Safety first!

Not for climbing
