PC, TABLET OR SMARTPHONE PAIRING

Before installing this product, please make sure your PC or device supports Bluetooth, that the feature is enabled or that the Bluetooth dongle has been installed correctly.

1. Turn the unit on by sliding the power switch to ON

2. Open the Bluetooth program of your PC or device and activate Bluetooth connectivity. Then begin the "SEARCH NEW DEVICE" function.
3. Press the CONNECT button at the f of the keyboard
4. After a short scanning period, your PC or Device will indicate that your BT400 keyboard has been discovered and is ready for connection/pairing
5. Double click the icon for the Bluetooth keyboard.
6. If you are prompted to enter a pin-code, a random code will automatically be generated for you (usually 8 numerical digits long) Enter this code as directed to complete the installation.

Note: If the above pairing process has failed, please ensure your Bluetooth receiver or software has been installed correctly and then repeat the above steps.

APPLE IPHONE/IPAD® PAIRING

1. In the iPhone/iPad home screen, select settings then general then Bluetooth
2. Swipe the on/off switch to "on" The message "Now Discoverable" will appear
3. Press the CONNECT button on the front of keyboard, the keyboard LED light will flash
4. The BT400 should be identified by your iPhone/iPad. Select it to complete the pairing

Note: If you are prompted to enter a pin-code, a random code will automatically be generated for you (usually 8 numerical digits long) Enter this code as directed to complete the installation.

SONY PLAYSTATION 3® PAIRING

1. Turn the unit on by sliding the power switch to ON
2. In the PS3 menu go to the settings section select accessory settings then go to Manage Bluetooth Devices
3. Select REGISTER NEW DEVICE
4. Press the CONNECT button on the front of keyboard, the keyboard LED light will flash
5. Your PS3 will search for Bluetooth devices. When the BT400 has been identified, select "Bluetooth keyboard"

Note: If you are prompted to enter a pin-code, a random code will automatically be generated for you (usually 8 numerical digits long) Enter this code as directed to complete the installation.

MAC INSTALLATION (OS X 10)

• Go to System Preferences and click the Bluetooth icon
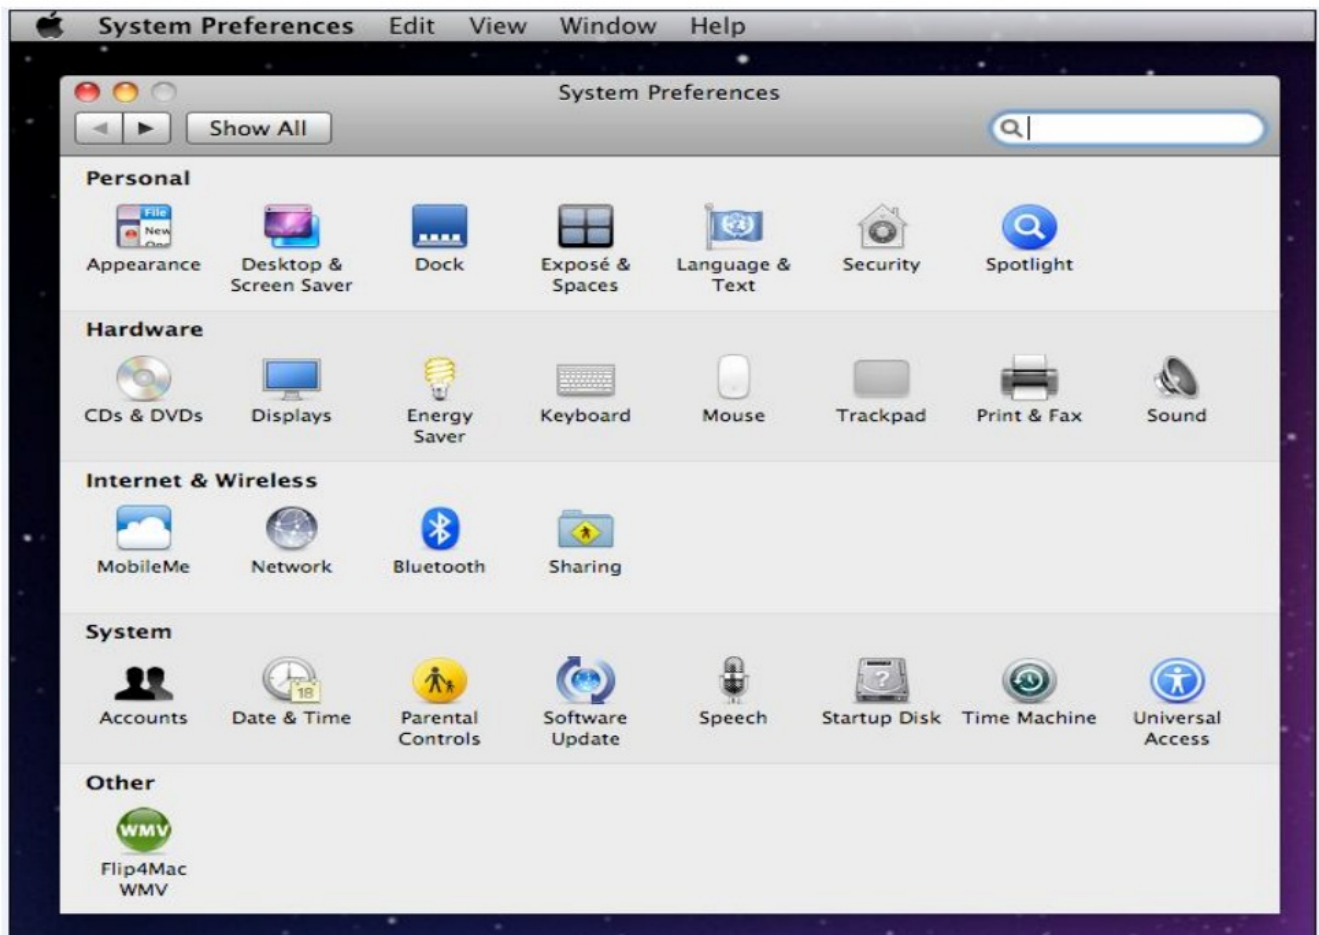

- Click the "+" sign to add new BT keyboard (bottom left of screen)

- The "Bluetooth Setup Assistant" program will then open. Make sure your KB400 is turned on, then press the CONNECT button at the front of the keyboard. Once the keyboard is detected, it will appear on the hardware list. Click the keyboard icon and then press "Continue". If you are prompted to enter a pin-code, a random code will automatically be generated for you (usually 8 numerical digits long).
  An example only is provided below. This number is an example number only) Type the generated digits in the

required fields then click the Return button to finish the setup.

- **Charging period** Up to 4hours (For the first time, please charge for 12 hours)

TROUBLESHOOTING / Q & A

Why do I only get a few hours battery life?	Try sliding the power switch to the off position when not in use.
I always find configuring Bluetooth software to be very difficult. Do you have any tips to make this easier?	For the first time user, we recommend that you read these instructions carefully before connecting your first device. Bluetooth technology is the preferred wireless technology, with the set up steps simply repeated for any Bluetooth device.

Please note: As continual improvements are made to this product, slight operational differences may occur. For the most up-to-date user manual, please visit our web site.

Warranty Against Defects

Laser Corporation Pty Ltd ("Laser") warrants your new product to be free from defects in materials and workmanship for 12 months, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. The benefit of this warranty is in addition to your rights under the Australian Consumer Law and to other rights and remedies of the consumer under a law in relation to the goods or services to which the warranty relates.
Through a network of retailers and resellers, Laser will provide you with your choice of a refund, repair or exchange (where possible) for this product if it becomes defective within the warranty period. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse, normal wear and tear, neglect or improper storage.

Please retain your receipt as proof of purchase

How to make a product warranty claim:

- **Step 1**: Find your receipt which proves the date of purchase. Where the date of purchase cannot be verified, your place of purchase or Laser will make an assessment based on the date of manufacture, the condition of the Laser Product and the type of defect.
- **Step 2a)**: Contact your place of purchase. They will assess the nature of the fault and refund or replace the product as per their store refund or warranty policy.
- **Step 2b)**: If your place of purchase cannot be contacted, then you can contact Laser . Customer Service with details of your defective Laser Product: Phone: (02) 9870 3355; or Email: **service@laserco.com.au** or online **www.laserco.net/support/warranty** (click on "Consumers (End Users)"). Our business address is at 1/6-8 Byfield Street, North Ryde, NSW 2113
- **Step 3**: Laser . will issue you with a Return Authorisation (RA) number within 48 hours. When requested, send us the defective Product and a copy of your receipt. Laser will cover the cost of the return delivery.
- **Step 4**: Wait for us to contact you. Once we have received your defective Laser Product for inspection, we will inform you of our assessment of your claim within 7 days. When we contact you, we will firstly let you know whether you have a valid claim under this Warranty, and if so, we will inform you whether your defective Laser Product will be replaced or repaired, together with the number of days you can expect to wait to receive your replaced or repaired Laser Product. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for

any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
