Product Usage Instructions

Adjusting Back Height:

To adjust the back height, hold the back with two hands while seated and raise it to the desired height. To lower the

back height, raise the back all the way to the top and release slowly.

Adjusting Back Angle:

Use the right back lever to adjust the back angle to your preference.

Adjusting Seat Angle:

Use the right middle lever to adjust the seat angle for optimal comfort.

Adjusting Seat Height:

Utilize the right front lever to adjust the seat height according to your needs.

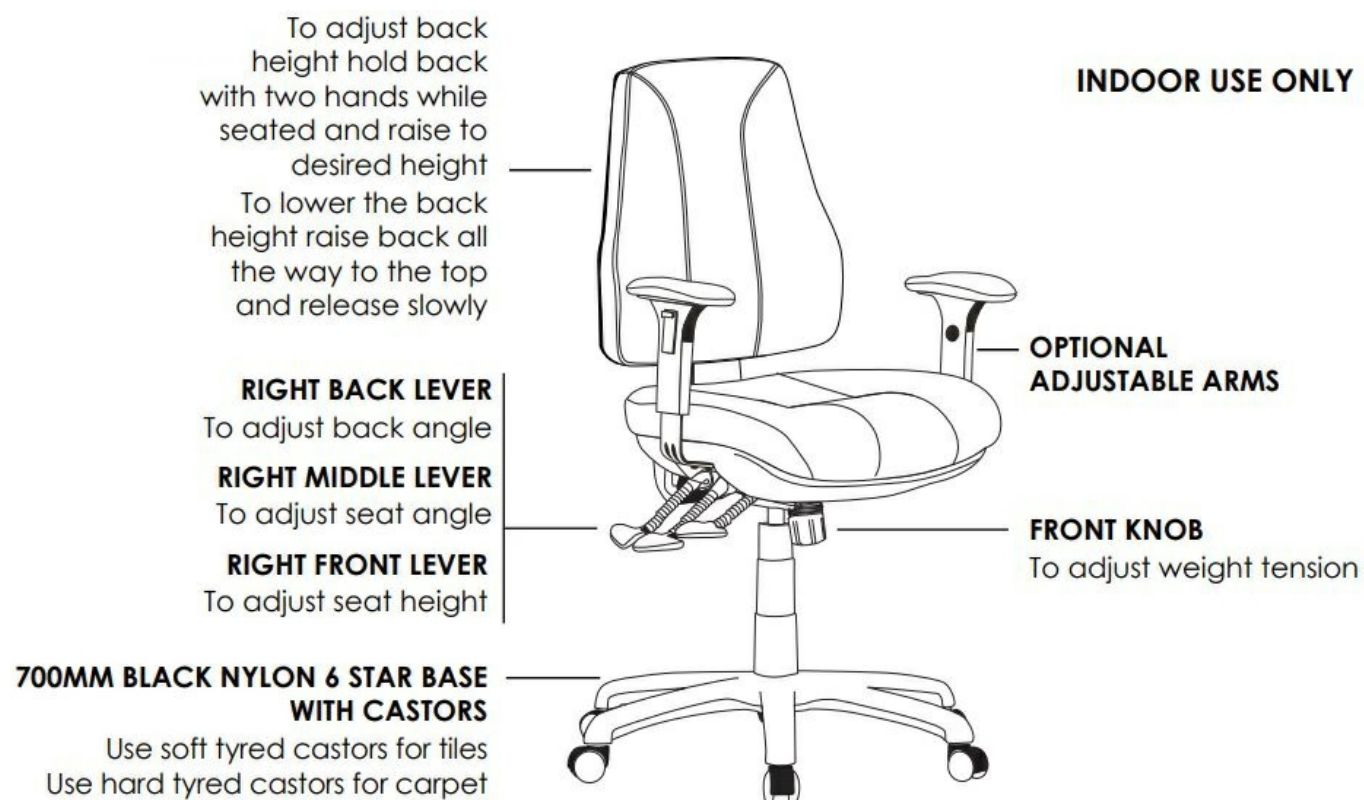

Adjusting Weight Tension:

Use the front knob to adjust the weight tension for a personalized seating experience.

Note:

Do not use the product as a step ladder.
