## **PRODUCT FEATURES**

### **Off/Low/High Volume Control Switch: Slide the Off/Low/High Volume**

Control Switch to the Low  or High  position. To turn the unit off, slide the Off/Low/High Volume Control Switch to the Off position.

### **Activity Buttons**

Three activities build early reading skills through animation and interaction.

#### **Music Button**

Press the Music Button to hear one of five songs.

#### **Story Buttons**

Press one of the story buttons to hear a phonics story or a fairy tale read aloud. The phonics stories help teach vowel sounds while the fairy tales help build a love of story.

## Keyboard

The keyboard is used to answer questions in the activities and interact with the phonics stories.

## Settings

Make the screen brighter or dimmer and set the background music on or off, then press the square button to choose.

## Left Arrow Button

During reading, one press will repeat the current page. Two presses will take the reader back to the previous page and restart the narration from the top of the screen. After the narration has ended, go to the next page.

## Right Arrow Button

During reading, one press will go to the next page. If the next page is a mid-story animation, the reader presses a letter to answer the question, and it goes to the next page.

## Square Pause Button

Square pause button during reading or songs, pressing the square pause button pauses the narration or song.

A second press restarts the narration or song.

## Up/Down Scroller

During reading, scrolling up or down will go back to the previous page or go to the next

page, then it will pause at the end of the current screen when the narration has ended. During songs, scrolling up or down will play another song.

### **Automatic Shut-Off**

To preserve battery life, the Touch & Learn eReader™ will automatically shut off after approximately 45 seconds without input. The unit can be turned on again by pressing any buttons or letter keys.

### **SONG LYRICS**

#### **Stories to tell**

So many stories to tell,  
We love to read and let the words reveal the mysteries. Each one has something to tell,  
Those fantastical and magical stories!

#### **Love to read**

Oh, how I love to read.  
Everywhere I go I take my stories with me. Come along and I'll show you why I love to read!

#### **Short Vowel Jam**

Silly cat wants a snack!  
Will he find a snack in the hat?  
Dot got lost in the doggie shop.  
Isn't that just her luck? Huh!  
Where is Hen? She's left the pen.  
The Duck is stuck... in the short vowel jam!

#### **Fairy Tales**

Fairy tales are fun to read!  
Full of magic and mystery.  
Make-believe or fantasy,  
Everybody loves a good fairy tale!

#### **It's storytime**

Stories can take you anywhere. Let's Go! Words and adventures inside your head!  
I can't wait, it's storytime!

## **CARE & MAINTENANCE**

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period.
4. Do not drop the unit on hard surfaces, and do not expose the unit to moisture or water.

## **TROUBLESHOOTING**

If, for some areas, the unit stops working or malfunctions, please follow these steps:

1. Turn the unit off.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit on. The unit should now be ready to use again.
5. If the unit still does not work, install a new set of batteries.

## **Environmental Phenomena**

The unit may malfunction if subjected to radio-frequency interference. It should revert to normal operation when the interference stops. If not, it may become necessary to turn the power off and back on, or remove and reinstall the batteries. In the unlikely event of an electrostatic discharge, the unit may malfunction and lose memory, requiring the user to reset the device by removing and reinstalling the batteries.

## **NOTE**

This equipment has been tested and found to comply with the limits for a Class B digital device, under Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used by the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to

correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## **CAUTION**

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
