LeapFrog 3D Learning System

Product Information

- **Product Name:** [Product Name]
- **Application Guide:** Yes
- **Details:**
 - Animation brings the books to life
 - Enhance the learning with amazing 3D-like animations.
 - Amazing 3D-like animations enhance the learning and help kids better understand the learning concepts.
- **Activities:**
 - Features touch-and-talk games, creative challenges, problem-solving puzzles, math mazes, and more.
 - Designed for 2-7 year olds.
 - Contains more than 30 activities in every book.
- **Grows with you:**
 - Most replayable activities have two levels.
 - Kids can play and learn at their appropriate level and move up when they're ready.
- **Teaches important skills:**
 - Each book seamlessly blends fun with skills from problem-solving to learning to read.
 - Provides a comprehensive introduction to key concepts important for a child's development.

Product Usage Instructions

1. Ensure that the product is fully charged or has fresh batteries installed.
2. Install the accompanying application on your PC or Mac.
3. Launch the application and select the desired book from the available options.
4. Follow the on-screen instructions to navigate through the book's activities.
5. For touch-and-talk games, interact with the screen by tapping or swiping as directed.
6. Engage in creative challenges, problem-solving puzzles, and math mazes to enhance learning.
7. Encourage the child to complete each activity at their own pace.
8. If available, switch between the two levels of difficulty for replayable activities.
9. Track the child's progress and provide guidance as needed.
10. Ensure a suitable learning environment free from distractions.

Overview

LeapStart® 3D is a complete learning system that magically brings books to life with audio and then enhances the

learning with corresponding 3D-like animations.

Animation brings the books to life

Enhance the learning with amazing 3D-like animations. Amazing 3D-like animations enhance the learning and help kids better understand the learning concepts.

Activities galore

Features touch-and-talk games, creative challenges, problem-solving puzzles, math mazes and more for 2-7 year olds with more than 30 activities in every book.

Multiple book levels

Progress from preschool to first grade with 25+ activity books including two Learn to Read book sets that all work on LeapStart®. A computer with an Internet connection is required to download books onto the LeapStart® system.

Grows with you

Most replayable activities are designed with two levels so that kids can play and learn at the right level and move up when they're ready.

Teaches important skills

Each book seamlessly blends fun with skills from problem solving to learning to read that are important to a child's development for a comprehensive introduction to key concepts.

Batteries

2 AA Batteries
