GETTING STARTED

BATTERY REMOVAL AND INSTALLATION

1. Make sure the unit is turned
2. Find the battery cover located on the back of the unit, use a screwdriver to loosen the screw and then open the battery cover
3. Remove old batteries by pulling up on one end of each
4. Install 2 new AA (AM-3/LR6) batteries following the diagram inside the battery box. (For best performance, alkaline batteries or fully charged Ni-MH rechargeable batteries are)
5. Replace the battery cover and tighten the screw to secure.

⚠️**WARNING:**
Adult assembly is required for battery installation.
Keep batteries out of reach of children.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in a fire.

RECHARGEABLE BATTERIES

- Remove rechargeable batteries from the toy before
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

PRODUCT FEATURES

1. **On/Off/Volume Control Selector**

Slide the On/Off/Volume Control Selector to turn the toy on and select Low or High volume

2. **Color/Shape Buttons**

Press to hear silly color and shape phrases and fun sounds.
3. **Number Dial**

Press to hear temperature phrases and engaging sounds.

4. **Steam/Music Button**

Press to hear realistic steam sounds, three delightful learning songs, and four melodies.

5. **Wheel Switch**

Push the iron forwards or backward to activate the wheel switch and trigger realistic ironing sounds, entertaining learning phrases, and fun learning activities.

6. **Back Button**

Tip the iron upright and set it down on this button to trigger goofy sounds and learning phrases related to the toy's new position.

7. **Felt Dress, Shorts, and Shirt**

Iron these items for pretend play fun.

ACTIVITIES

Pushing the iron back and forth activates the wheel switch, which triggers two kinds of activities. Toy-recognition activities provide your child with responses from the iron based on their actions. Exploratory activities are open-ended opportunities for children to practice what they've learned.

Toy-Recognition Activities

Count the Wrinkles
Count to five as you move the iron back and forth.
Theme Song
Move the iron back and forth to play the iron's theme song verse by verse.

ABC Song
Play the ABC song verse by verse as you move the iron back and forth.
Sing the Colors Song
Move the iron back and forth to play the Colors song verse by verse.
Color Dance
Play upbeat melodies and trigger an engaging light show as you iron.
Silly Sounds
Move the iron back and forth to trigger silly cartoon sounds.
Tip Me Up!
Follow the iron's instructions to set it on its end and give it a rest.
Tip Me Over!
Follow the iron's instructions to get back to work and hear encouraging phrases.
Press the Steam Button
Press the steam button to practice counting.
Testing, Testing!
Turn the dial to the correct number and press the buttons based on their colors and shapes to make sure everything is in working order.
Heat Me Up!
Turn the dial to the correct number to pretend to heat the iron.

Exploratory Activities

Iron Clothes That Are a Certain Color
Practice your colors by choosing the clothes by the color the iron requests.
Iron a Certain Type of Clothing Item
Select the shorts, shirt, or dress to iron.
Iron Clothes by Description
Practice categorizing clothing by descriptions like comfy, fancy, or stylish.
Iron Clothes for an Event
Select clothes to iron that you might wear to a party, school, or bedtime.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.

2. Keep the unit out of direct sunlight and away from any direct heat sources.

3. Remove the batteries if the unit will not be in use for an extended period of time.

4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Turn the unit

2. Interrupt the power supply by removing the batteries.

3. Let the unit stand for a few minutes, then replace the

4. Turn the unit should now be ready to use again.

5. If the unit still does not work, install a new set of batteries.

Environmental Phenomena

The unit may malfunction if subjected to radio-frequency interference. It should revert to normal operation when the interference stops. If not, it may become necessary to turn the power **Off** and back **On** or remove and reinstall

the batteries. In the unlikely event of an electrostatic discharge, the unit may malfunction and lose memory, requiring the user to reset the device by removing and reinstalling the batteries.

NOTE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving
- Increase the separation between the equipment and
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

IMPORTANT NOTE:

If the problem persists, please call our Consumer Services Department at 1-800-701-5327 in the U.S. and Canada or email **support@leapfrog.com**. Creating and developing LeapFrog products is accompanied by a responsibility that we take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to contact us with any problems and/or suggestions you might have. A service representative will be happy to help you.
