**LeapFrog 80-601260 Step and Learn Scout**

## INTRODUCTION

Thank you for purchasing Step & Learn Scout™! Go for a walk with Scout and listen to letter and number songs by pushing him with the leash. Then sit and play by pressing the buttons on Scout's backpack to learn numbers, letters and letter sounds.

#### INCLUDED IN THIS PACKAGE

- One Step & Learn Scout™
- One leash
- One parent's guide

**WARNING:** All packing materials, such as tape, plastic sheets, packaging locks, removable tags, cable ties and packaging screws are not part of this toy, and should be discarded for your child's safety.

**NOTE:** Please keep this parent's guide as it contains important information.

**Unlock the packaging locks:**

1. Rotate the packaging locks 90 degrees counterclockwise.
2. Pull out the packaging locks and discard.

## GETTING STARTED

### BATTERY INSTALLATION

1. Make sure the unit is turned OFF.
2. Locate the battery cover on the bottom of the unit.
3. Use a screwdriver to loosen the screw and open the battery cover.
4. Install 3 new AAA (AM-4/LR03) batteries into the battery box as illustrated. (The use of new alkaline batteries is recommended for maximum performance.)
5. Replace the battery cover and tighten the screw to secure.

### BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable (Ni-Cd, Ni-MH), or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

## ASSEMBLY

1. Insert and snap the leash into the handle.
2. Snap the leash into the slot in Scout's backpack.
3. Tighten the screw with a Phillips screwdriver. Do not over-tighten.

**Note:** Scout works with and without the leash. To remove Scout's leash, simply unscrew it and keep the leash and screw away from children.

- **Tool needed:** Phillips screwdriver (not included)

 **CAUTION:** This package contains a small screw.

ADULT ASSEMBLY REQUIRED

## PRODUCT FEATURES

### 1. On/Off/Volume Control Switch

Slide the On/Off/Volume Control Switch to turn the toy on and select the volume.

### 2. Mode Switch

Slide the Mode Switch to choose Letters, Numbers or Fun with Scout mode.

### 3. Music Button

Press the Music Button to hear three different songs.

### 4. Heart Button

Press the Heart Button to hear Scout talk to you.

### 5. Arrow Buttons

Press the Arrow Buttons to play activities in the different modes.

## ACTIVITIES

### 1. Letters Mode

Slide the Mode Switch to choose Letters mode. Use the Arrow Buttons to scroll through the alphabet on Scout's LED Backpack. Pushing Scout in Letters mode plays the ABC song.

### 2. Numbers Mode

Slide the Mode Switch to choose Numbers mode. Use the Arrow Buttons to scroll through numbers 1-10 on Scout's LED Backpack. Pushing Scout plays a numbers song.

### 3. Fun with Scout Mode

Slide the Mode Switch to choose Fun with Scout mode. Use the Arrow Buttons to play silly sound effects and animations on Scout's LED Backpack. Pushing Scout makes him talk and bark.

## CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on a hard surface and do not expose the unit to excess moisture.

## TROUBLESHOOTING

**If for some reason the program/activity stops working, please follow these steps:**

1. Turn the unit OFF.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit back ON. The unit will now be ready to play again.
5. If the unit still does not work, replace it with an entire set of new batteries.

### Environmental phenomena.

- The unit may malfunction if subjected to radio-frequency interference.
- It should revert to normal operation when the interference stops.
- If not, it may become necessary to turn the power OFF and back ON or remove and reinstall the batteries.
- In the unlikely event of an electrostatic discharge, the unit may malfunction and lose memory, requiring the user

to reset the device by removing and reinstalling the batteries.

**IMPORTANT NOTE:** If the problem persists, please call our Consumer Services Department at 1-[800-701-5327](tel:800-701-5327) in the U.S. or email [support@leapfrog.com](mailto:support@leapfrog.com). Creating and developing LeapFrog® products is accompanied by a responsibility that we take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to contact us with any problems and/or suggestions you might have. A service representative will be happy to help you.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS:**

1. THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND
2. THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRE OPERATION.

CAN ICES-3 (B)/NMB-3(B)

**Caution:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
