LED Wireless Controller

LED Wireless Controller Xbox One X-S Replacement for Controller

Product Information

Specifications

- **Upgrade Software File Size:** 31MB
- **Video File Size:** 55MB
- **Learning Upgrade Video Time:** 1 minute
- **Software Upgrade Time:** 1 minute

Product Usage Instructions

Upgrade Software

To upgrade the software, follow these steps:

Download the upgrade software from the provided link: [Upgrade Software Download Link](#)

1. Watch the video tutorial on how to upgrade the software: [Upgrade Video Tutorial Link](#)
2. After upgrading, if unauthorized pop-ups appear, simply click X normally to dismiss them.
3. If you encounter any issues during the upgrade or product use, contact customer support for assistance.

Specific Operating Procedures

1. Open the application: DemoSDK
2. File Path: AdfulInstall bin DemoSDK.exe
3. Step 1: Connect the cable to the computer
4. Step 2: Press and hold the Y key
5. Step 3: Plug in the USB-C cable
6. If the program is not recognized, double-click AdfulInstall.exe and proceed with the upgrade process.

Note: After upgrading, connect the Xbox console with a cable before attempting to connect wirelessly.

FAQ

- **Q:** What should I do if unauthorized pop-ups appear after upgrading?
- **A:** Simply click X to dismiss the pop-ups. They should not impact the normal operation of the product.
- **Q:** How long will customer support take to respond to queries?
- **A:** Customer support aims to reply within 24 hours and provide satisfactory after-sales service.

RGB Controller Upgrade software

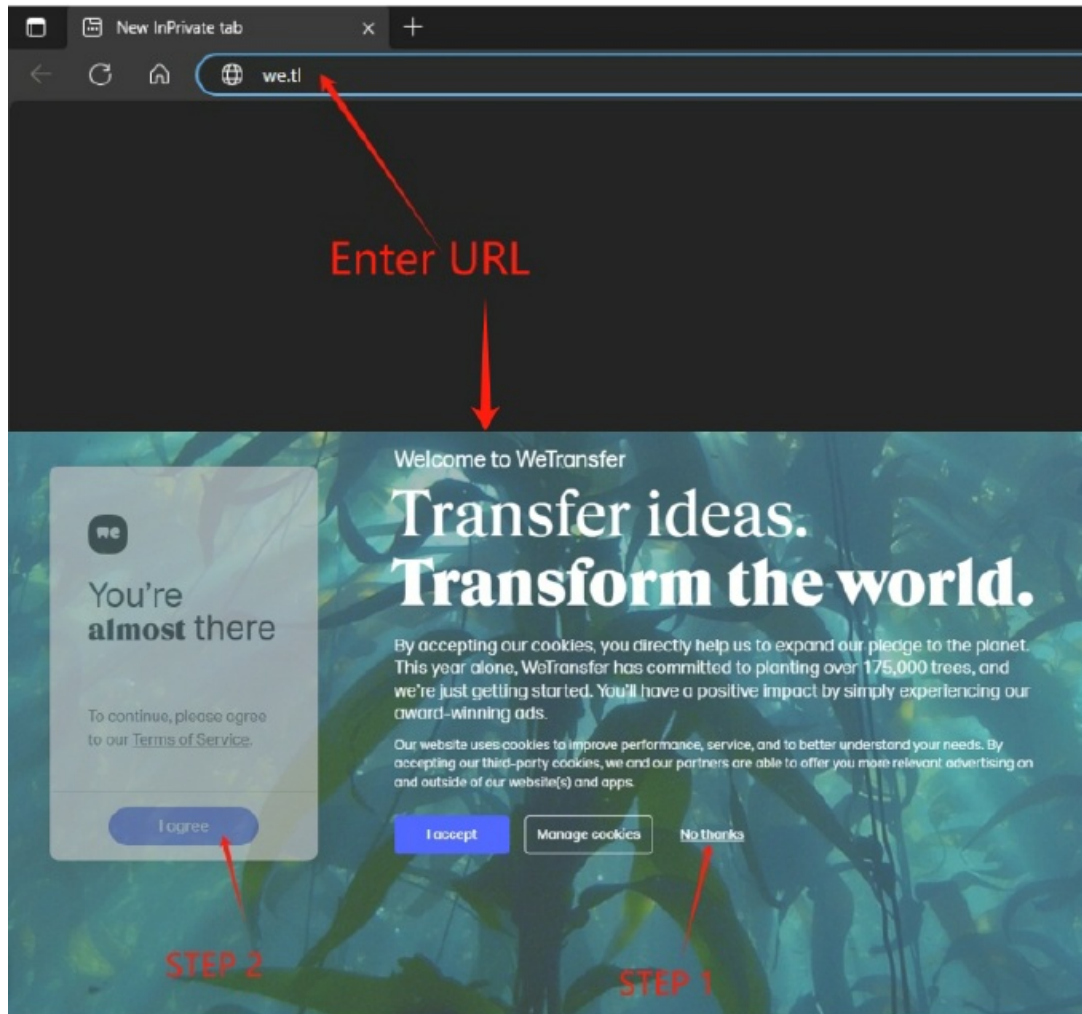

- Upgrade software file size: 31M
- The video file size: 55M
- Learning upgrade video time: only one minute
- Software upgrade time: only one minute

- Upgrade software download link: (Please click the link directly)
- <https://we.tl/t-ZXfrQOPzcL>
- The video about how to upgrade software : (Please click the link directly)
