Lenovo CD-4N342Y Smart Clock Essential with Alexa Built-in Clay

Lenovo Regulatory Notice

regulatory information

Read this document before using your device. This device complies with the radio frequency and safety standards of any country or region in which it has been approved for wireless use. Install and use your device according to the following instructions. The latest version of this Regulatory Notice has also been uploaded on the Lenovo Support Web site. To refer to it, go to <http://support.lenovo.com/>, and then click Guides & Manuals.

USA Federal Communications Commission (FCC)

Integrated WLAN & Bluetooth function

FCC ID: O57CD4N342Y

Wireless LAN functions marketed in the USA and Canada do not support nor function in the extended channels (12ch,13ch).

The FCC RF Exposure compliance

The radiated energy from the antenna conforms to the FCC limit of the MPE requirement regarding 47 CFR Part 2 section 1091.

FCC ID of the wireless function

The FCC ID for the Integrated WLAN & Bluetooth function is indicated on the label affixed to the bottom side of your device.

Radio Frequency interference requirements

This product has been tested and found to comply with the limits for a Class B digital This product has been tested and found to comply with the limits for a Class B digital device pursuant to FCC Part 15 Subpart B and C.

Simultaneous use of RF transmitters

Please make sure of the following conditions on the use of wireless features:

1. When you use any other RF option device, all other wireless features including the above-integrated devices in your Lenovo device are required to be turned off.
2. Users must follow the RF safety instructions on wireless option devices that are included in the RF option device's user manual.

Canada- Innovation, Science and Economic Development

Canada (ISED)

Integrated WLAN & Bluetooth function

IC: 10407A-CD4N342Y

Wireless LAN Integrated WLAN & Bluetooth function marketed in the USA and Canada does not support nor function in the extended channels (12ch, 13ch). The IC number for the Integrated WLAN & Bluetooth function is indicated on the label affixed to the bottom side of your device.

Low power license-exempt radio communication devices (RSS-247)

Operation is subject to the following two conditions

- This device may not cause interference
- This device must accept any interference, including interference that may cause undesired operation of the device.

Exposure of humans to RF fields (RSS-102)

Lenovo products employ low gain integral antennas that do not emit RF field in excess of Health Canada limits for the general population; consult Safety Code 6, obtainable from Health Canada's Web site at www.hc-sc.gc.ca/rpb. The radiated energy from the antennas connected to the wireless adapters conforms to the IC limit of the RF exposure requirement regarding IC RSS-102, Issue 5 clause 4.2.

Electronic emission notices for North America

Federal Communications Commission (FCC) Supplier's Declaration of Conformity

The following information refers to Lenovo CD-4N342Y, machine type: ZA33. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult an authorized dealer or service representative for help.

Lenovo is not responsible for any radio or television interference caused by using other than recommended cables and connectors or by unauthorized changes or modifications to this equipment. Unauthorized changes or

modifications could void the user’s authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
