## CONTROL BUTTONS

**Maximum operating pressure: 80PSI For irrigation use only**

## INSTALLING THE BATTERY

2 X AAA ALKALINE BATTERIES ARE RECOMMENDED

Remove the battery cover- keep battery compartment dry- install the 2 X AAA Battery by lining up the connections. Place the battery inside the compartment and reinstall the battery cover.

NOTE: When battery is first connected, it takes up to 1 minute for the battery indicator to assess the battery strength.

## MAINTENANCE

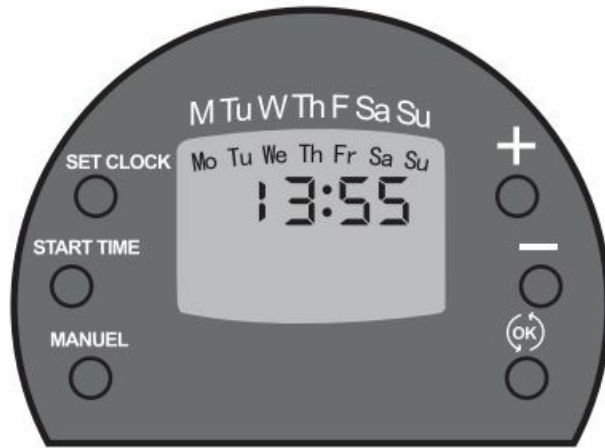

Remove and clean the screen washer on inlet side of the timer every few months.  
Remove battery if timer is not used for an extended time.  
In freezing conditions, un-install the timer and bring it indoors to prevent damage.

## HOW TO INSTALL

Attach the timer inlet to the outdoor faucet/spigot turning clockwise- hand tighten only. From the timer outlet connect a drip irrigation system or a garden hose.
