General Guidelines

- Please read the following tips carefully and use the product correctly.
- If you buy the product for others, please keep these tips and send them to the receiver.
- In order for you to have a clear and summary preview, we have not described all possible scenarios and installation details that may be involved. If you need more information and help, please contact us.

Assembly Notes

- Please check all the parts according to the instructions before installation and contact us if any parts are missing or damaged.
- Please keep children away during installation to avoid accidental swallowing of tiny accessories.
- Please do not use the product before finishing the installation.
- To reduce the risk of hurting from wood shavings, please install by hand tools. If use electric tool, please choose the correct torque force.
- Please do not fix the screws extra tight, or the parts might be damaged.
- The attached LED bulbs are fixed with double-sided adhesive tapes. The adhesive surface for installation must be clean, dry, smooth and free from rust and grease. When sticking the bulbs, they must be pressed for about 30 seconds and it will take 24 hours to achieve the best bonding strength.

Safety Warnings

- To avoid the risk of overturning, it is recommended to place the product on a flat and solid ground and fix the safety device to the wall.
- Please check if any joints are loosening before each use.
- The screws may be loose after using the product for a while. just tighten them again.

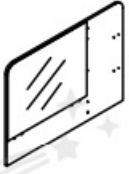

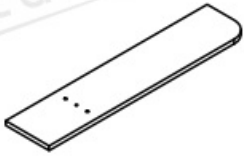

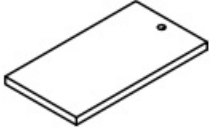

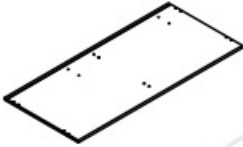

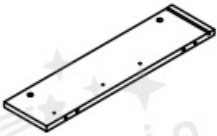

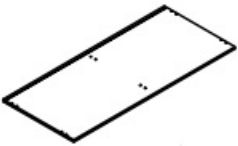

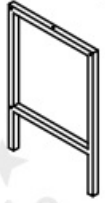

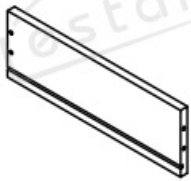

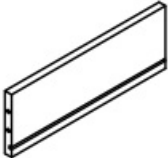

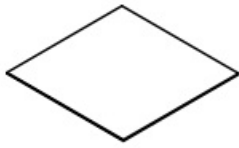

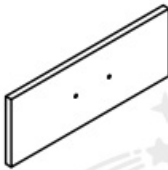

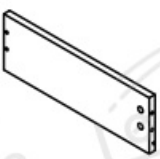

Product Care Tips

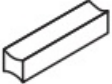

- Do not immerse the product in water and spray water on the product.
- Use a mild solution for cleaning and dry the liquid cleaner immediately after spraying.
- Wipe with a damp cloth. Do not use harsh or abrasive cleaners.

Warnings

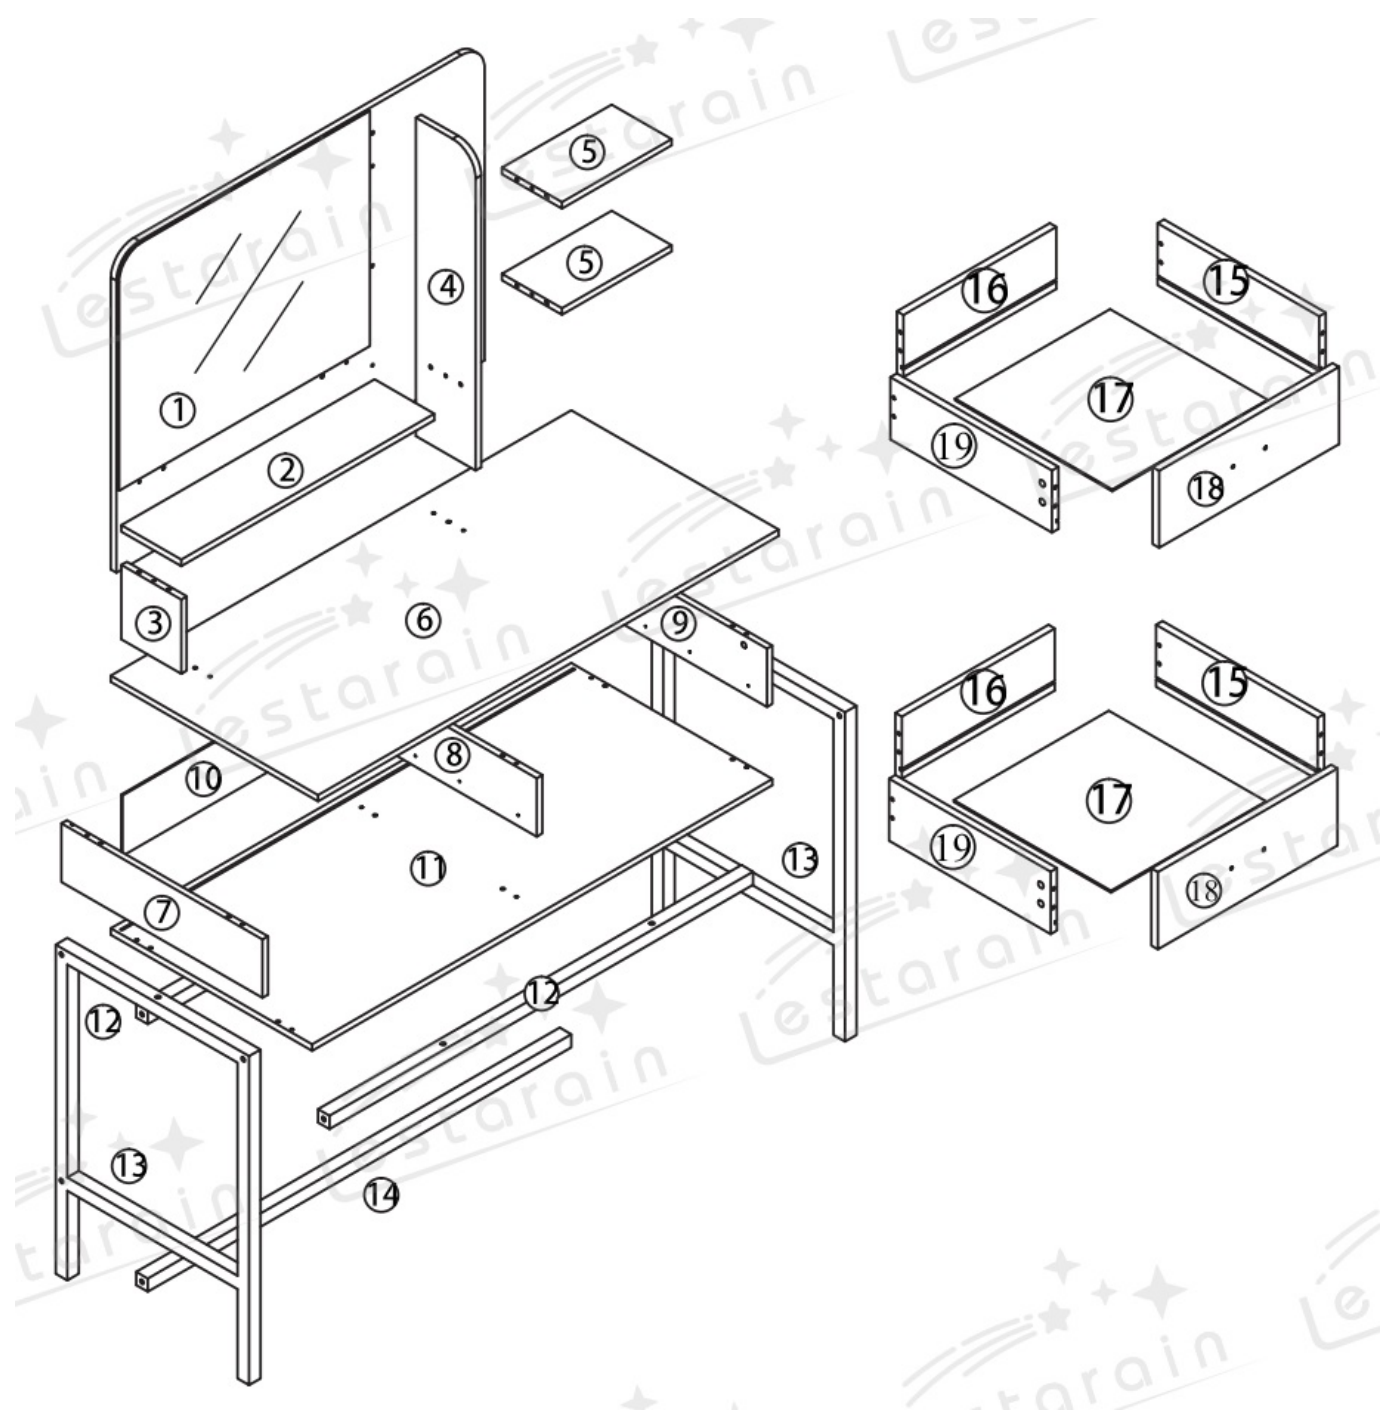

- The product is designed to withstand the maximum load shown. Overload may result in sag, instability, collapse and/or serious injury.
- Do not allow children to climb on this product.
- Please put the heavier items on the lower shelves.
- After installation, please keep the packaging materials out of reach of children, especially babies to prevent unforeseen hazards such as suffocation caused by the non-woven fabrics, plastic bags, bubble bags, etc. contained in the packaging.
