Lewondr 4-Modes Tree Candle Lights

Launch Date: 2021
Price: $29.99

Introduction

The **Lewondr 4-Modes Tree Candle Lights** are the perfect addition to your holiday decor, bringing warmth and charm to any setting. Designed to mimic the flickering glow of real candles, these lights enhance the festive atmosphere of Christmas trees, windowsills, garlands, and more. With four unique lighting modes—including steady light, flickering candlelight, gradient, and breathing mode—you can easily create the perfect ambiance for your celebrations. The convenient remote control allows for effortless operation, enabling you to adjust brightness levels and switch modes from a distance. Safety is a top priority; these flameless, smokeless lights are safe for children and pets, providing peace of mind during the holidays. The plug-in power design eliminates the need for frequent battery changes, making them a power-saving choice for eco-conscious decorators. Easy to install, simply clip the lights onto your desired locations for instant festive flair. With a total length of 28.5 ft (8.7 m) and 20 flickering candle lights, they are a stunning visual delight. Beautifully packaged, these lights make for a thoughtful gift that spreads holiday cheer to family and friends. Transform your space with the enchanting glow of the Lewondr Tree Candle Lights this festive season!

- 20 x Candle Lights
- 1 x Remote Control
- 1 x Instruction Manual

Features

4-Lighting Modes

- The Lewondr Tree Candle Lights offer four distinct lighting modes:
  - **Steady Light:** Provides constant illumination, ideal for a classic candlelight effect.
  - **Flickering Candlelight:** Simulates the natural flicker of a real flame, creating a cozy, inviting atmosphere.
  - **Gradient Mode:** Transitions smoothly between light intensities for a dynamic lighting experience.
  - **Breathing Mode:** Gradually dims and brightens, mimicking the gentle rise and fall of breath for a calming effect.

Remote Control Operation

- The lights come with an intuitive remote control, allowing you to operate them from a distance.
- You can easily switch between lighting modes, adjust brightness, or turn the lights on/off without the need to

reach for the installation.

Realistic Flame Effect

- The flickering mode creates a lifelike flame effect that enhances the ambiance, making it perfect for festive decorations.
- This feature provides the visual appeal of real candles without the risks associated with open flames.

Battery Powered

- Designed for convenience, these lights are battery-powered, eliminating the hassle of cords.
- The plug-in option provides flexibility in placement, allowing you to decorate any area without worrying about access to electrical outlets.

Durable Construction

- Made from high-quality plastic, the Lewondr candlelights are designed to withstand regular use.
- Their robust construction ensures that they can be used year after year without losing their aesthetic appeal.

Flicker Candle Christmas Tree Lights

- The string of lights includes **20 LED candles**, each emitting a warm, flickering glow.
- They add artistic value to your Christmas tree and help create a memorable holiday atmosphere, ensuring a delightful visual experience throughout the season.

Excellent User Experience

- **Adjustable Brightness:** The lights feature **four brightness levels**, allowing you to customize the intensity of the light according to your preference.
- **Timer Function:** You can set the lights to automatically operate for **6 hours on and 18 hours off**, which helps save energy and ensures you won't have to worry about forgetting to turn them off.

Touch Safety & Power Saving

- The LED candle lights are **smokeless and flameless**, making them safe for children and pets to touch.
- The plug-in power design reduces the need for frequent battery replacements and is energy-efficient, consuming only **3.6 watts** per string.

Easy Installation

Easy to Install

Stand Firm & Not Tilt

- The lights are designed for easy installation. You can simply clip them onto your tree or other favorite locations, and they will stand firmly without skewing.
- Ideal for decorating Christmas trees, windowsills, garlands, or even for weddings, they enhance any setting beautifully.

Thoughtful Gift Idea

- The Lewondr candle lights come beautifully packaged, making them a perfect holiday gift for family, friends, or loved ones.
- The total length of the light string is **28.5 ft (8.7 m)**, providing ample coverage for various decoration needs.

User-Friendly Design

- The thoughtful design includes **4 brightness levels** and a **multi-remote control**, enabling quick adjustments to your desired settings.
- The remote must be pointed at the adapter to ensure normal operation, making it simple to operate from a distance.

Usage

1. **Installation:** Insert 2 AA batteries into the battery compartment.
2. **Mode Selection:** Use the remote control to select your desired mode (steady, flickering, gradient, or breathing).
3. **Placement:** Arrange the candle lights in your desired location, such as on a tree, mantle, or table.
4. **Remote Control:** Utilize the remote for easy operation without having to physically reach the lights.

Care and Maintenance

- **Cleaning:** Gently wipe the exterior with a soft, damp cloth to remove dust or dirt. Avoid using harsh chemicals or abrasives.
- **Battery Replacement:** Replace batteries when the lights dim or fail to illuminate. Ensure the compartment is securely closed after replacement.
- **Storage:** Store in a cool, dry place when not in use, ideally in the original packaging to prevent damage.

Troubleshooting

Issue	Possible Cause	Solution
Lights do not turn on	Plug not connected properly	Ensure the plug is securely connected to the outlet.
Remote control not working	Battery in remote is dead or missing	Replace the battery in the remote control.
Lights flicker inconsistently	Loose connections or damaged bulbs	Check for loose connections and replace any damaged bulbs.
Timer function not working	Timer settings not configured properly	Re-set the timer according to the instructions in the manual.
Flickering mode does not work	Incorrect mode selected	Use the remote to switch to the flickering mode.
Lights are dim	Not enough power supplied	Ensure the plug is properly connected and that the power source is functioning.
Candles are not staying upright	Incorrect installation	Re-clip the candles to ensure they are secure and upright.

Pros and Cons

Pros	Cons
Flameless design ensures safety	Limited outdoor use
Adjustable brightness for ambiance	Requires a power source
Easy setup and versatile placement options	Not suitable for large spaces
Elegant design enhances holiday decor	May not be as bright as traditional candles
