LiftMaster

LiftMaster 84505R Secure View Smart Garage Opener

Popular features

Quiet and smooth operation

Best-in-class belt drive system and DC motor provides reliable operation and lasting service.

myQ® Connected

Control, secure and monitor the garage from the myQ app anytime, from anywhere.

Secure in-garage delivery

Enables Amazon Key In-Garage Delivery – free for Amazon Prime members.

Security+ 2.0®

Safeguards garage access by sending a new code with every click of the remote. |

myQ Diagnostics compatible

Provides real-time insights for your garage door via its Health Report. You will be sent alerts if an issue arises and can connect to your Dealer for professional services if needed.

Invisible light beam system

Auto-reverses the garage door if there is an obstruction.

Posilock® protection

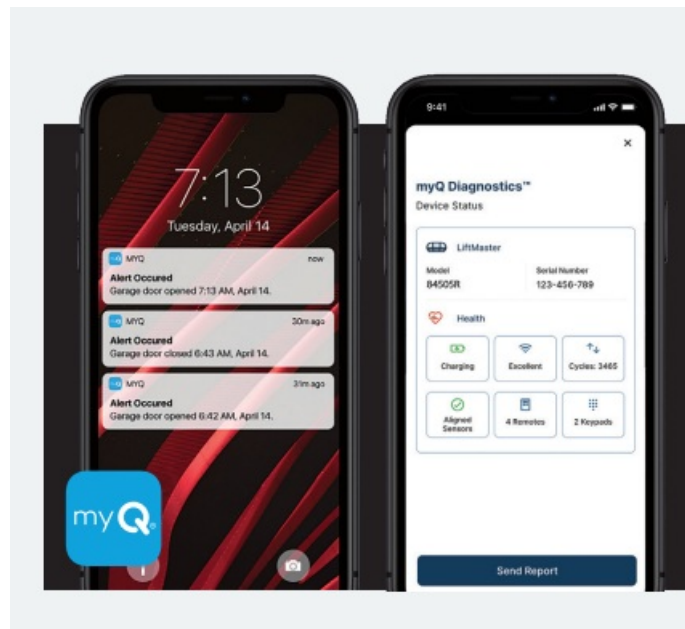

Electronically protects against forced openings of the door.

Camera with 2-way communication

A built-in 130° wide angle camera lets you see and hear what's happening in your garage through the myQ app.

Do more with myQ

Use the myQ app to control, secure and monitor your garage and conveniently share and manage access to your home without sharing passcodes or keys. Also, take the hassle out of service repair and easily connect to a trusted Dealer through the myQ app

Integrated dual LED lighting system

Increase the functionality of the garage and never change a garage light bulb again. Dual lighting system provides 1,500 lumens of long-lasting LED light that brightens high traffic areas of the garage.

In the box

3-Button Remote Control

Operates up to 3 openers or myQ light accessories. Safeguards your home with Security+ 2.0.

Multi-Function Control Panel®

Operates the garage door opener and lights from inside the garage.
