## Product Usage Instructions

### Before Installation:

Before installation, please test the lights to ensure they all light up properly. If any lights do not work, contact us for assistance.

## Installation Steps:

1. Dismantle the product carefully.
2. Install the lighting components as instructed.
3. Repeat the dismantle and install process if necessary.

## ICON DESCRIPTION

To make it easier to obtain the necessary information, this manual uses the following icons and conventions:

- Install building blocks

- Dismantle building blocks

- Wind the cable around building blocks

- Penetrate across building blocks

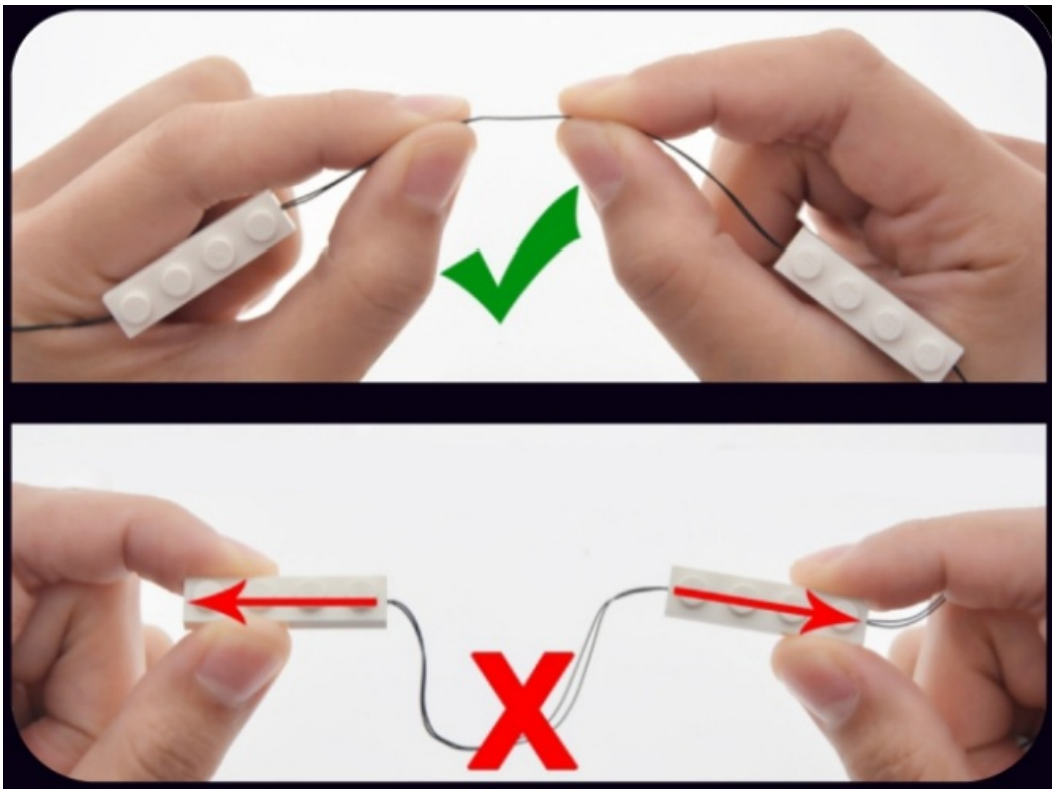

- Pull the cable on building blocks forward

- Turn the building blocks around

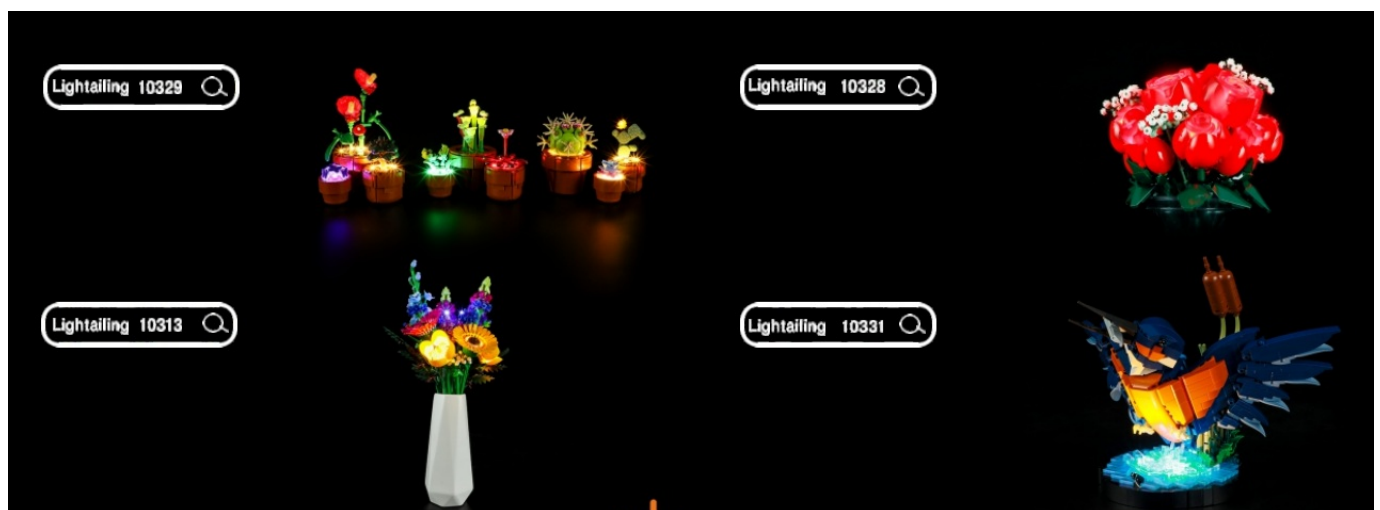

LED lights damage easily, please take it as carefully as you can.

## Installation
