LIGHTSHARE ZLS8FT Lighted Palm Tree

INTRODUCTION

The LIGHTSHARE ZLS8FT Lighted Palm Tree is a striking artificial décor piece that is designed to elevate any setting year-round, bringing the beauty of the tropics to your home, patio, or party. This 8-foot-tall masterwork, which is priced at **\$139.99**, is produced by LIGHTSHARE and introduced under the model number ZLS8FT. It is adorned with five decorative coconuts, a metal trunk and base for stability, and a brilliant array of 256 LED lights (152 green and 64 warm white) that create a vibrant glow. It is crafted with exquisite detail and lifelike characteristics. A remote control enables effortless dimming with four brightness levels, as well as a convenient 6-hour on/18-hour off timer function. It is suitable for both domestic and outdoor use, as it is equipped with a 16.4FT cord, IP44 waterproofing, and UL588 certification. This palm tree offers both modern functionality and tropical appeal, whether you are preparing a summer luau,

decorating for Christmas, or incorporating exotic elements into your backyard.

PRODUCT DETAILS

Unique Palm Tree – Create a Hawaii Lifestyle in Your Home

Are you familiar with the process of creating a Hawaii lifestyle in your own home? This palm tree has the potential to transform your imagination into reality. The tree is equipped with LED lights, and the green fabric leaves are more realistic. The brown trunk has a gorgeous curve, and it is embraced by mini LED lights that are extra-attached to add a touch of sparkle. The tree is rendered more lifelike by the inclusion of vibrant coconuts. Your collection is deserving of the distinctive design and material. The Hawaii happiness is always present when it is displayed in the beach, swimming pool, square, garden, leisure plaza, or atrium, whether it is for summer or Christmas, working day or holiday. Its attractive appearance is a pleasant scene.

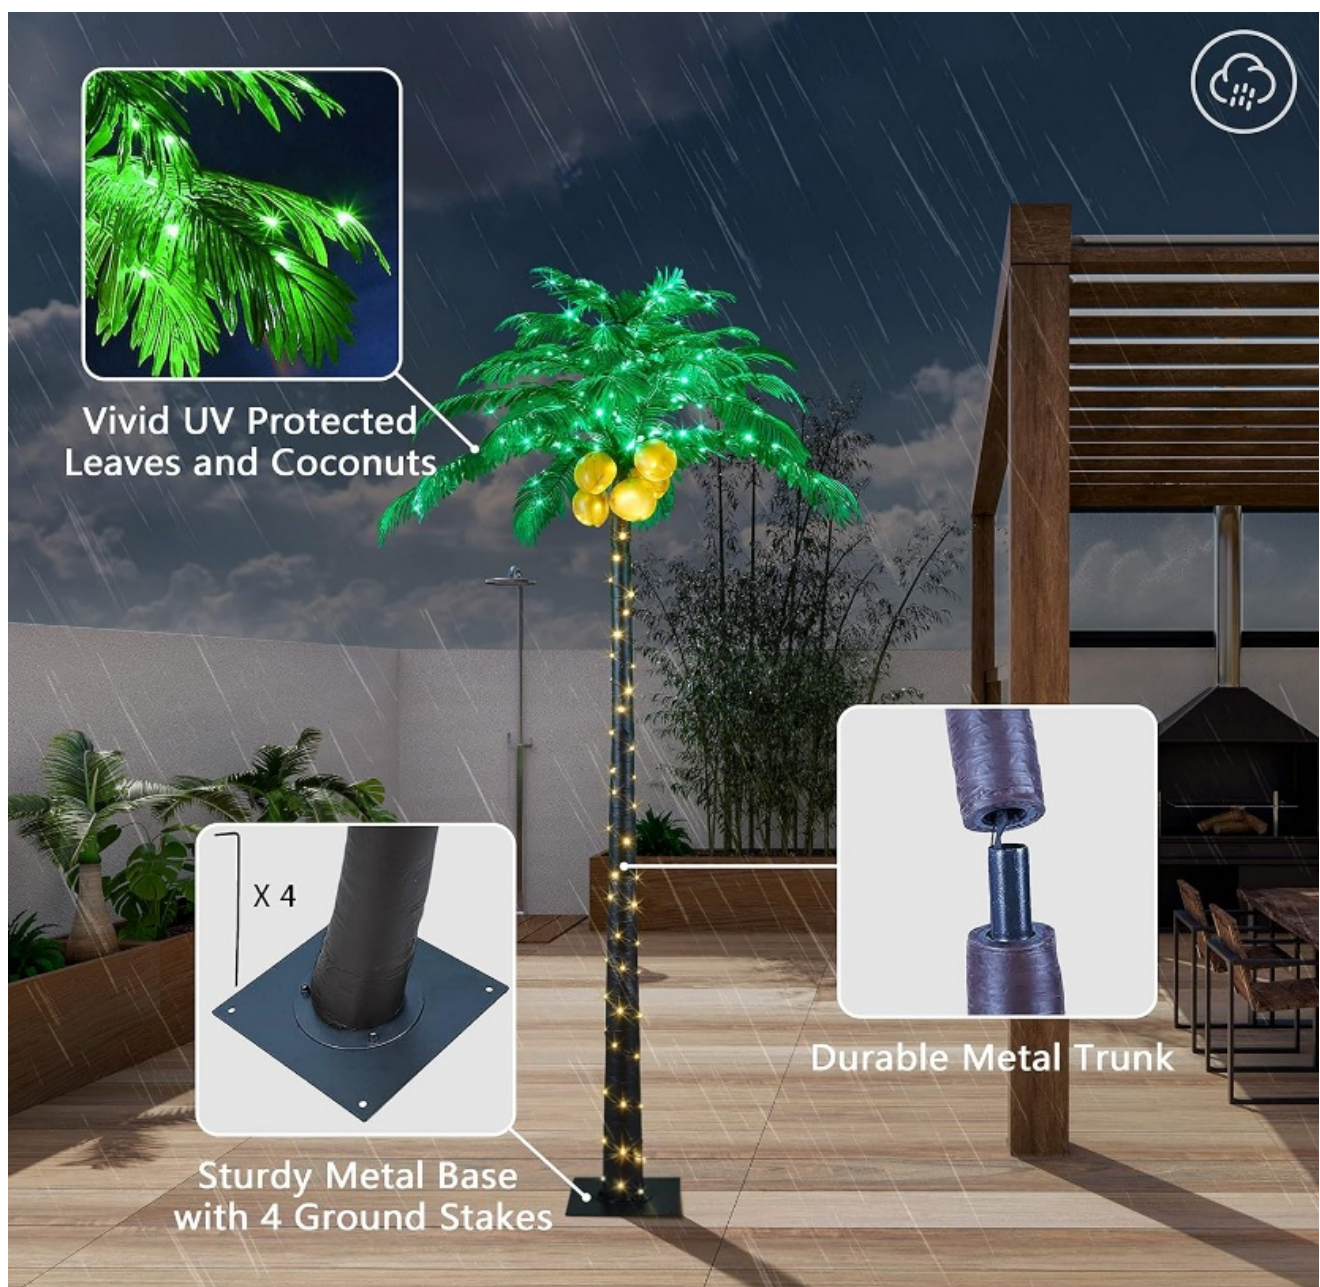

Tropical Paradise on the Back Deck Features:

- This item is equipped with warm white and green LED lighting, which will illuminate your space and evoke a Hawaiian ambiance.
- Vacations in Hawaii are made more enjoyable by the distinctive coconut tree shape.
- The metal base guarantees stability and provides robust support.
- For supplementary stability, four metal ground stakes may be affixed to the sand or vegetation.
- The remote is dimmable and has been upgraded with a timer function.
- Suitable for daily use, weddings, gatherings, or holidays

IMPROVED LIGHTED PALM TREE

The palm trees that have been upgraded have been enhanced with the implementation of remote control. Differing levels of brightness accommodate the diverse requirements of your daily and holiday decor.

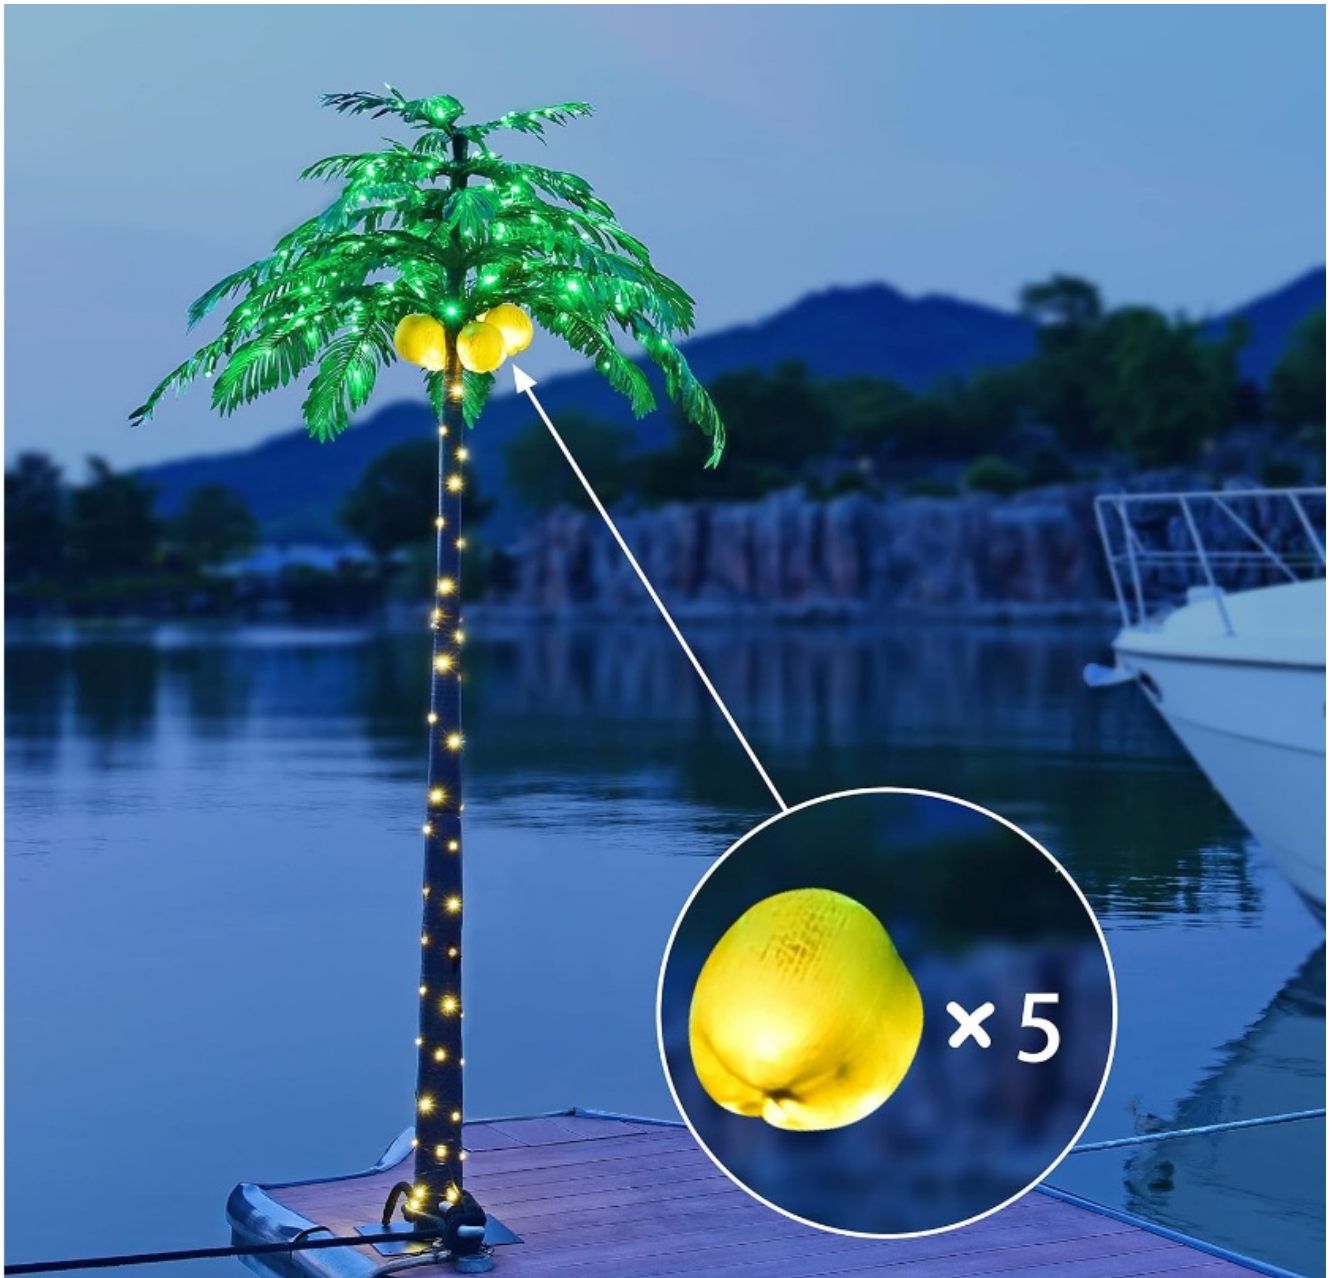

- Knock Down Type
- 24V Low Voltage (Safe Voltage)
- Impervious
- Four ground stakes are included for outdoor use.

- Wire Length: 118 inches

Key Features:

- **Unique Tropical Design:** Three coconut lights and vivid palm leaves are accented by 208 LED fairy lights, offering a fun and exotic ambiance.

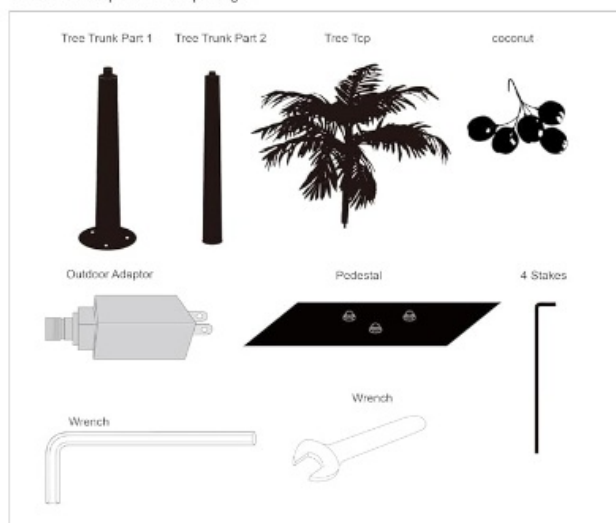

- **Soft, Romantic Glow:** The lights are gentle and non-dazzling, making it ideal for creating a special, relaxing mood at night.

Portable and Convenient:

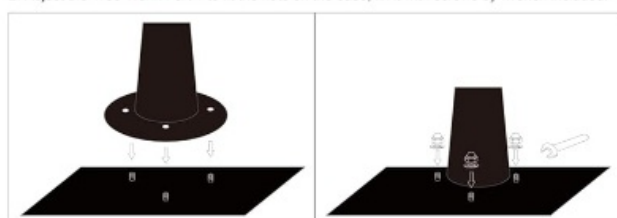

- **Dual Power Options:** Powered by either USB or a transformer, so a power bank is all you need for portable use.
- **Easy Setup:** Quick and hassle-free assembly with just two steps. It disassembles

easily for compact storage – only 3 feet in length and weighs just 3.3 pounds, making it perfect for travel and camping.

1. Take out the product from package.

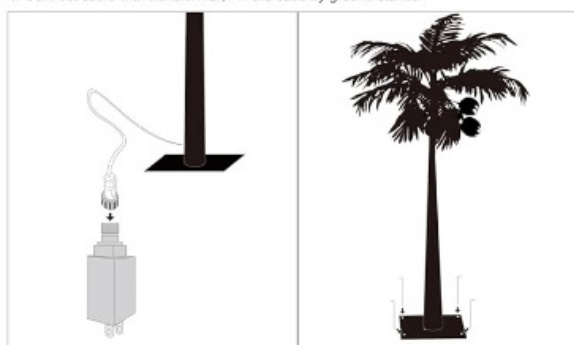

2. Adjust the Tree Trunk Part 1 to fit the nuts on the base, fix it with screws by wrench included.

3. According to the pictures show below, connect the tree trunk part 1 with tree trunk part 2, fix it with screw. And the same as the tree top connecting with tree trunk part 2. Last, hang the coconuts on the branch and divide them as you like.

4. Connect cable with transformer; Fix the base by ground stakes.

5. Wrap the string lights around the tree trunk. Spread the leaves to make it look full at your own choice.

Safe and Durable:

- **Waterproof & Low Voltage:** Rated IP44 waterproof, 4.5V low voltage, and UL certified for safety. Cool to the touch, making it safe for both indoor and outdoor use, whether you're decorating your room, poolside, patio, or bar.

Perfect Gift Idea:

- **Ideal for Any Occasion:** With simple packaging and easy installation (no tools required), this LED palm tree makes a unique and memorable gift for birthdays,

weddings, holidays, Thanksgiving, Christmas, and more.

Remote Control

Upgraded Multi-Function

- ✓ Remote Control
- ✓ Control Button on Adapter
- ✓ Dimmable
- ✓ Timer: 6H ON/ 18H OFF

- Timer: 6 hours of operation; 18 hours of inactivity
- Dimming: 100%-75%-50%-25%

The control switch on the adapter can also be used to regulate the lighted tree.

Lisa's Outdoor Oasis

- "Purchased two of these." They were effortless to construct. They are visually appealing when left unlit during the day, and they are even more impressive when illuminated at night. They have endured the gale without issue.

Froedrich: A Unique Gift for Family

- “Despite residing in the Midwest, my wife is an avid saltwater enthusiast.” She was ecstatic when I presented her with artificial palm trees that were completely illuminated and adorned.

Delightful Party Decorations – Carlie

- “I acquired palm trees for a Hawaiian celebration.” They are beloved. They can be transported in two parts and reassembled with ease. They are visually appealing regardless of whether they are illuminated or not.

Mike brings a genuine beach vibe to the deck.

- “This was the ideal addition to the back deck of our Houseboat!” This has been a part of my decor for two years, and it remains one of my favorites. “It is a delightful experience!”

WHAT’S IN THE BOX

- Palm Tree
- Remote Control
- User Manual

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lights not turning on	Power cord not properly connected	Ensure plug is fully inserted into a working outlet
Remote not working	Dead or missing batteries	Replace remote batteries with fresh ones
Some lights are dimmer than others	LED aging or uneven power distribution	Reset power or consider replacing dim sections

Issue	Possible Cause	Solution
Palm tree leaning or unstable	Base not secured or uneven surface	Reposition tree and secure base with included ground stakes
Timer function not working	Timer mode not correctly set	Recheck remote settings and activate correct timer cycle
Flickering lights	Loose connection or power fluctuation	Inspect plug and cord; try a different outlet
Remote unresponsive	Signal interference or distance too far	Use remote within recommended range and ensure clear line of sight
LED color not changing	Remote function glitch	Power cycle the unit and try again
Lights stuck on dim setting	Dimming mode incorrectly set	Press brightness button on remote to adjust
Water exposure issues	Not fully protected during outdoor use	Ensure plug and connections are covered in heavy rain

PROS & CONS

PROS

- Realistic design with coconuts and 256 vibrant LED lights
- Sturdy 12" metal base with stakes for wind resistance
- Includes remote-controlled dimmer and timer function
- Suitable for both indoor and outdoor use
- Easy to assemble and store when not in use

CONS

- On the pricier side at \$139.99
- Large size may not suit smaller spaces

- Requires electrical outlet; not solar-powered
- Remote batteries not included
- LED brightness may fade over time with constant use

WARRANTY

The LIGHTSHARE ZLS8FT Lighted Palm Tree comes with a standard **1-year** manufacturer warranty covering defects in materials and workmanship. The warranty includes support for issues related to LED lights, power supply, remote function, and structural integrity. Misuse, improper installation, and weather-related damage are not covered. For warranty claims, retain proof of purchase and contact LIGHTSHARE customer support for resolution.

FREQUENTLY ASKED QUESTIONS

What is the overall height of the LIGHTSHARE ZLS8FT Lighted Palm Tree?

The LIGHTSHARE ZLS8FT palm tree stands at 8 feet (96 inches) tall, making it a striking décor piece for any setting.

What kind of lighting does the LIGHTSHARE ZLS8FT feature?

This model includes 256 LED lights 152 green LEDs and 64 warm white LEDs for a vibrant, tropical effect.

How is the LIGHTSHARE ZLS8FT powered?

It uses a 24V low-voltage power adapter and includes a 16.4-foot extension cord for flexible placement.

How easy is it to assemble the LIGHTSHARE ZLS8FT Lighted Palm Tree?

Its designed for quick setup with a straightforward manual and a knock-down

structure for convenient storage.

What should I do if the LED lights on my LIGHTSHARE ZLS8FT Palm Tree are not turning on?

Check that the adapter is securely plugged in, the outlet is functional, and the remote has working batteries. Also, verify the timer isn't in the off cycle.

Why is only part of my LIGHTSHARE ZLS8FT Lighted Palm Tree lighting up?

This could be due to a loose or unplugged section within the trunk or branches. Inspect all connections.

My LIGHTSHARE ZLS8FT Palm Tree flickers occasionally. What could be causing this?

Flickering may result from an unstable power connection or a weak remote battery. Secure all plugs and replace the battery if needed.
