# Lightzz

**Lightzz BHDBDH180 to-My-Bestie 3D Illusion Lamp**

## INTRODUCTION

More than just a nightlight, the Lightzz BHDBDH180 to-My-Bestie 3D Illusion Lamp is a touching present meant to show love for a sister, best friend, or other loved one. This LED wooden table lamp, which was introduced in 2024 and costs only \$15.29, is made by Lightzz, a reputable brand in innovative lighting solutions. This lamp is ideal for birthdays, holidays, or just saying “I care” because of its distinctive 3D visual impact that produces a luminous “I Love You” message. It has a sturdy pine wood base, a polished finish, and a warm, gentle yellow glow that makes it perfect for use at night. With dimensions of 9" x 1.5" x 6.5" and a weight of about 0.3 kg, it may be placed on shelves, desks, or bedside tables with ease. With its long-lasting 10,000-hour lifespan and energy-efficient LED technology, this lamp is a lovely and useful memento for any loved one.

## FEATURES

- **Unique 3D Optical Illusion:** This eye-catching “floating” 3D visual effect of the “to my bestie” design is produced using laser-etched 4mm acrylic panels.
- **Warm Yellow Light:** Provides a soothing, warm yellow light that is perfect for nighttime use or children’s bedrooms.
- **Eye Protection:** The non-dazzling, flicker-free light helps to ease eye strain and encourage sound sleep.
- **Energy-efficient:** Only uses 3.3W of power at 5V through USB, consuming an estimated 0.012 kWh of power every 24 hours and roughly 4.4 kWh yearly.
- **Long LED Lifespan:** The LED light source has a 10,000-hour usage rating.
- **Superior Wooden Base:** Constructed from polished pine wood, this base is strong, light, and has a natural appearance devoid of sharp edges and smells.
- **Compact Size:** With its small dimensions of around 9” in circle by 1.5” in width and 6.5” in height, it can be placed on shelves, desks, or bedside tables.
- **USB Powered:** Easily connects to power sources such as laptops, power banks, or USB adapters with the included universal USB cable (1.5 meters).

- **Lightweight and Portable:** It is lightweight and portable, weighing only 0.3 kg, which makes it simple to transport or rearrange.
- **Ideal Present:** Perfect for friends, siblings, boys, girls, ladies, and best pals for important occasions like birthdays or holidays.
- **Kid-Safe Materials:** Children can safely use this product because it is made of non-toxic materials and has smooth edges.
- **Multipurpose Decor:** Ideal as a decorative night light for outside bars, restaurants, cafés, gatherings, and bedrooms.
- **Simple Operation:** USB power on/off or a single power button on the base make it simple to use.
- **Polished Surface:** The oak base's polished surface adds to its strength and elegance.

## Night Light for Sister

Every time when she saw this cute acrylic night lamp gift at home, she would think of your love for her.

### SETUP GUIDE

- Remove every part from the packaging with care.
- To guarantee clarity, remove the protective films from the acrylic panel's two sides.
- Securely place the acrylic panel into the wooden base's slot.

- Plug the USB cable into a power source, such as a laptop, power bank, or USB adapter, and connect it to the light base.
- Set the light down on a level, sturdy surface, such as a desk or nightstand.
- To switch on the lamp, press the power button located on the wooden base.
- Press the power button one more to turn off.
- For the optimum visual impact, change the angle or position of the lamp.
- Keep the lamp away from sources of water and direct sunshine.
- In offices, living rooms, or bedrooms, use the lamp as a decorative accent or as a night light.
- Disconnect the USB cable and store securely for portability.
- To prevent unintentional harm, keep the lamp away from young children and pets.
- For later use, keep the documentation and USB cable in a secure location.
- Verify the power source and USB connection if the lamp is not lighting up.

## CARE & MAINTENANCE

- Using a gentle, dry microfiber towel, dust the wooden base and acrylic panel on a regular basis.

- To avoid scratches, keep the acrylic panel away from water, glass cleaners, and abrasive objects.
- To prevent electrical risks, keep the lamp away from liquids and damp areas.
- If required, clean the foundation after carefully removing the acrylic panel.
- Before cleaning or relocating the lamp, disconnect the USB power.
- Periodically inspect the USB cable for wear or damage, and replace it as necessary.
- To avoid cracks or damage to the acrylic panel, do not knock or drop the lamp.
- When not in use, keep the lamp somewhere dry and cool.
- Never try to disassemble or alter the lamp's parts.
- To avoid the hardwood base of the lamp fading or warping, keep it out of direct sunlight.
- To preserve clarity, clean the acrylic panel using soft circular strokes.
- To prevent electrical problems, please use suitable cords to replace the USB cable.
- To preserve beauty, dust the lamp base's edges and nooks.
- Verify the USB power supply and cable connections if the lamp dims or flickers.

**TROUBLESHOOTING**

Issue	Possible Cause	Solution
Lamp not turning on	USB cable not connected	Ensure cable is securely plugged into power source
Light flickering	Loose connection	Reinsert the USB cable or try another port
Dim light output	Power source too weak	Use a 5V power adapter or stronger USB port
Acrylic plate not lighting evenly	Plate not inserted correctly	Reposition the acrylic sheet fully into the base slot
Light not showing 3D effect	Viewing angle incorrect	Adjust viewing angle to enhance 3D illusion
USB cable damaged	Frayed or bent cable	Replace with a compatible 5V USB cable
LED base not glowing	Internal short or defect	Contact support for replacement under warranty
Warm yellow too dim	Ambient light overpowering	Use in darker room for better effect
Acrylic plate scratched	Mishandling during cleaning	Clean gently with a soft microfiber cloth
USB port loose	Base input port damaged	Try a different port or request warranty service

**PROS & CONS**

**Pros:**

- Heartwarming gift with emotional value
- Soft warm light ideal for sleep ambiance
- Lightweight and compact with stylish design
- Energy-efficient and USB powered
- Made with safe, high-quality materials

## Cons:

- Not waterproof, limited to indoor use
- Fixed warm white color, no color-changing option
- Cable length may be short for some setups
- Acrylic sheet prone to smudges
- No built-in battery, requires USB power source

## WARRANTY

The Lightzz BHDBDH180 to-My-Bestie 3D Illusion Lamp comes with a standard **12-month** warranty covering manufacturing defects and performance issues under normal usage. The warranty ensures free replacement or repair if the lamp malfunctions due to defects in materials or workmanship. Physical damage or misuse is not covered under this warranty.

## FREQUENTLY ASKED QUESTIONS

What is the Lightzz BHDBDH180 To My Bestie 3D Illusion Lamp used for?

The Lightzz BHDBDH180 is a decorative LED night lamp designed as a heartfelt gift for best friends, sisters, or loved ones. It features a warm yellow light and a 3D visual illusion for cozy room decor or emotional gifting.

How does the 3D illusion effect of the Lightzz BHDBDH180 work?

Although the lamp is flat, the Lightzz BHDBDH180 uses optical 3D technology to create an amazing visual illusion that appears three-dimensional when lit, enhancing its sentimental and decorative appeal.

What type of light does the Lightzz BHDBDH180 lamp emit?

This Lightzz model emits a soft warm yellow light that's gentle on the eyes and ideal for nighttime use without disturbing sleep.

What are the dimensions of the Lightzz BHDBDH180 To My Bestie Lamp?

The lamp measures 9 inches in diameter, 1.5 inches wide, and 6.5 inches high, with a 1.5-meter USB cable for convenient placement.

Can I power the Lightzz BHDBDH180 lamp using batteries?

The Lightzz BHDBDH180 does not support battery operation. It is powered exclusively through the USB cable included in the box.

Where is the Lightzz BHDBDH180 manufactured?

The Lightzz BHDBDH180 To My Bestie Lamp is manufactured in China, according to the provided model details.

The 3D illusion on my Lightzz BHDBDH180 looks unclear why?

Check that the protective film on the acrylic plate has been removed. Also, ensure the surface is clean and inserted properly into the wooden base.
