**Link tech LPH-SE19 ANC TWS Wireless Linkpods**

## Frequently Asked Questions

**Q: Are all the mentioned functions compatible with all mobile phones?**

A: Due to the compatibility of the Bluetooth module of the Android system mobile phone system, some functions may not be available on certain mobile phones.

**Q: How can I ensure safe usage of the earphones?**

A: To ensure safe usage, do not use the earphones at high volumes to prevent damage to your hearing. Set the volume to an appropriate level to remain aware of your environment for safety.  
Avoid using the earphones in dangerous situations.

Dear Link Tech User, Thank you for choosing Link Tech product. Your choice is crucial for us, which means Link Tech has added a new user. Hope that we will bring you a good experience through our products and services. Also hope you will put forward the good advice and suggestions by official customer hotline, Whatsapp and Bp in the process of product experience, which can help Link Tech to constantly improve product and service.

If you encounter any problems in using this product, please refer to service process. Your support is our strongest power, also your recognition and evaluation are a great encouragement to Link Tech. Thank you!

Link Tech Sales Team
