LITBLOOM

**LITBLOOM 4FT-EUCALYPTUS Fairy Lights Tree**

## INTRODUCTION

The LITBLOOM 4FT-EUCALYPTUS Fairy Lights Tree is a breathtaking combination of artistry and function that will elevate your living space with its botanical elegance and soothing glow. This artificial eucalyptus tree, which stands 48 inches tall, was introduced in 2024 by the reputable décor brand LITBLOOM. Its lifelike eucalyptus leaves are delicately illuminated by 160 warm white fairy LEDs, which emit a charming aura. It is an ideal addition to living rooms, patios, entryways, weddings, or holiday displays, as it provides year-round beauty in both indoor and outdoor locations. The price is **\$75.99**. It is not merely a light; it is a statement, designed with a realistic bark-textured trunk and handcrafted leafy branches. Peace of mind is provided by the IP44 waterproof rating and the secure 3.5V low-voltage system, while the flexible yet robust branches facilitate customisation. This light-up tree is portable, simple to assemble, and perfect for everyday ambiance or seasonal décor, weighing only 2 pounds. This tree enhances any environment with a natural, sparkling quality, whether it is a winter holiday or a spring

brunch.

## FEATURES

- **160 Warm White Fairy LED Lights:** Encircled the tree to create a warm and inviting atmosphere.

- **Lifelike Texture:** The trunk is characterized by a vivid bark texture, while the eucalyptus foliage are realistically grey-green.

- **Flexible Branches:** The branches are both robust and bendable, enabling you to customize the tree to your liking.
- **Pre-Lit Design:** Delivered with integrated lights that are pre-strung for effortless installation.
- **Waterproof IP44 Rating:** Resistant to splashing water, making it suitable for both domestic and outdoor use.
- **Low Voltage Safety:** Operates at a secure 3.5V output for your peace of mind.
- **Portable and Lightweight:** Weighs approximately 2 pounds, making it effortless to transport and position.
- **Plastic that is highly durable Composition:** Constructed from premium plastic to ensure prolonged functionality.
- **Knock-Down (K-D) Structure:** Developed to facilitate user-friendly assembly, disassembly, and storage.
- **Versatile Decoration:** Suitable for seasonal décor, birthdays, weddings, gatherings, and the home.
- **All-year-round Use:** Appropriate for holiday celebrations, winter, spring, and summer.
- **Natural Color Scheme:** Eucalyptus leaves are a soft, green hue that complements a variety of décor styles.
- **Simple Leaf Replacement:** If leaves are removed, they can be reinserted.
- **Sturdy base stand:** Included for secure positioning.

## SETUP GUIDE

- **Carefully unpack the tree:** Stand, and power cord from the packaging.
- **Inspect Components:** Verify that there are no missing or damaged components.
- **Assemble the Stand:** Place the base stand on a level surface.
- **Secure the Tree to the Stand:** Insert the tree trunk into the stand and verify that it is stable.
- **Bend and arrange branches:** To achieve the desired aesthetic.
- **Connect the power cord:** To the tree and then to a power receptacle.
- **Activate the faerie lights:** By activating the switch.
- **Position the tree:** In a location that is both visually appealing and accessible to electricity.
- **Refrain from Direct Sunlight:** To prevent discoloration, keep the item away from direct sunlight.

- **Indoors or outdoors:** Appropriate for indoor spaces or covered patios.
- **Secure Power cable:** Arrange the cable to prevent tripping hazards.
- **Replacement of Fallen Leaves:** Reposition any fallen leaves onto the branches.
- **Prevent Circuit Overloading:** Utilize a surge protector or dedicated outlet.
- **Extend the lifespan of your lighting:** By turning it off when it is not in use.

CARE & MAINTENANCE

- **Before cleansing:** Ensure that the power is disconnected.
- **Dust Consistently:** Utilize a soft cloth or duster to eliminate foliage and branches.
- **Gently clean the lights:** By wiping the LED bulbs and wiring with a dry cloth.
- **Prevent Water from Contacting Electrical Components:** Avoid spraying water directly onto cables or lights.
- **Regularly inspect the power cord:** For any signs of deterioration or damage.
- **When the tree is not in use:** It should be stored in a dry location.
- **Prevent Exposure to Extreme Weather:** Refrain from being exposed to torrential rain or snow.
- **Carefully handle branches:** Refrain from excessive bending or harsh handling.
- **Leaves that have been damaged:** Should be replaced or reinserted as necessary.
- **Base of Security Firmly:** Guarantee that the stand is secure and stable.
- **Prevent Overheating:** Do not obstruct ventilation or cover the tree.
- **Maintain Distance from Heat Sources:** Prevent placement in close proximity to exposed flames or heaters.
- **Employ the recommended method. Power Supply:** Guarantee that the appropriate voltage and adapter are utilized.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lights not working	Power not connected properly	Check plug and test with a different outlet
Flickering or dim lights	Loose adapter or voltage fluctuations	Secure adapter and avoid overloading the circuit

Issue	Possible Cause	Solution
Leaves falling off	Detachment during shipping	Reinsert fallen leaves gently into twigs
Branches won't hold shape	Not properly adjusted	Shape slowly and hold position to set
Base unsteady	Uneven placement or loose parts	Tighten base and ensure flat surface
Adapter gets warm	Long use duration	Unplug occasionally to cool down
Tree leans slightly	Base not aligned correctly	Re-center and secure base tightly
Lights don't work after storage	Wires bent or damaged during packing	Check for wire damage and carefully reposition
Brightness seems reduced	Aging LEDs or poor power supply	Try a new compatible adapter
Tree hard to reposition	K-D structure misalignment	Disassemble and reassemble with proper alignment

## PROS & CONS

### PROS

- Lifelike eucalyptus leaves with warm ambient lighting
- Flexible, shapeable branches for custom styling
- Lightweight yet durable for easy setup and storage
- Safe low-voltage use with waterproof design
- Versatile décor piece for every season or event

### CONS

- Leaves may fall off during transit and require reattachment

- Tree may be too short for large-scale decor needs
- No remote or built-in timer included
- Light intensity not adjustable
- May require gentle reshaping after storage

## WARRANTY

The LITBLOOM 4FT Eucalyptus Fairy Lights Tree includes a **1-year limited** manufacturer's warranty, covering material or workmanship defects under normal indoor/outdoor residential use. This warranty excludes issues caused by misuse, accidents, or exposure to extreme conditions. Proof of purchase is required for all warranty claims. LITBLOOM offers responsive customer support to ensure user satisfaction and hassle-free service.

## FREQUENTLY ASKED QUESTIONS

What is the LITBLOOM HR-LEU160 4FT Lighted Eucalyptus Tree?

The LITBLOOM HR-LEU160 is a 4-foot tall artificial eucalyptus tree pre-lit with 160 warm white fairy LEDs, perfect for indoor and outdoor year-round decoration.
