LITBLOOM

LITBLOOM Battery Operated Yellow-Maple Lights

INTRODUCTION

The LITBLOOM Battery Operated Yellow-Maple Lights are a beautifully handcrafted 6-foot garland that is designed to infuse warmth and elegance into your seasonal décor, allowing you to celebrate the cozy charm of autumn. This vibrant maple leaf vine, priced at **\$24.99**, illuminates 24 gentle, warm white LEDs and is an ideal decorative addition to mantles, fireplaces, tables, and stair banisters. Craftsmanship and functionality are the hallmarks of this product, which was introduced by the reputable home décor brand LITBLOOM. Its flexible branches and imperceptible wiring provide a natural appearance, allowing for customization as a standalone garland or fall wreath centerpiece. It is suitable for both indoor and outdoor use due to the built-in timer function, which guarantees a hassle-free illumination cycle (6 hours on, 18 hours off). Crafted from premium faux maple materials and powered by three AA batteries (not included), this garland combines practical design with festive flare, evoking a magical autumn glow in your home.

WHAT'S IN THE BOX

- Yellow-Maple Lights
- User Manual

FEATURES

- **6 Foot Long Garland:** The 6 foot long garland, which measures 72 inches, is perfect for adorning mantles, fireplaces, stair banisters, and tables.
- **24 Warm White LED Lights:** A soft, comforting glow that is ideal for the autumn and holiday season.
- **Handcrafted Maple Leaves:** Yellow maple leaves that are detailed and textured, providing an elegant autumnal appearance.
- **Invisible Wiring:** Wires are concealed to achieve a natural and seamless appearance.
- **Internal Timer Function:** A 24-hour timer that operates on a six-hour on and 18-hour off cycle, thereby reducing energy consumption and providing convenience.
- **Manual Control Option for Effortless Operation:** On/Off Switch.
- **Flexible Branches:** The branches are both robust and bendable, enabling you to customize the garland to your liking.
- **Battery Operated:** This device is powered by three AA batteries (not included), providing cordless convenience.
- **Waterproof Design:** Suitable for both interior and outdoor applications, such as doorframes, gardens, and patios.
- **Lightweight:** Simple to install and transport.
- **Versatile Decoration:** Suitable for everyday décor, Halloween, Christmas, Thanksgiving, and autumn.
- **Yellow Maple Leaves:** Contribute seasonal warmth and appeal to the natural color palette.
- **Energy Efficient LEDs:** Long-lasting bulbs with low power consumption.
- **Material of Durability:** Constructed from premium maple to ensure longevity.

SETUP GUIDE

- **Garland Unpacking:** Extract the battery cell and garland from the packaging.
- **Insert Batteries:** Properly insert three AA batteries by opening the battery compartment.
- **Battery Compartment Closure:** Firmly fasten the battery cover.
- **Select a Location:** Choose a location, such as a mantle, fireplace, table, wall, or stair balustrade.
- **Garland Designation:** Bend and arrange the flexible branches to achieve the desired shape.
- **Light the Garland:** Utilize the on/off switch to activate the lights.
- **Activate the Built-in Timer:** Establish automatic 6-hour on and 18-hour off cycles, if desired.
- **Garland Security:** Utilize hooks, ties, or tape to secure the garland in position.
- **To Prevent Injury:** Refrain from stretching the garland beyond its intended length.
- **Stay Away from Water:** To prevent water exposure, use sheltered outdoor areas or indoors.
- **Battery Pack Position:** Subtly conceal the battery supply to achieve a tidy

appearance.

- **Test Lights:** Confirm that all LEDs are functioning appropriately.
- **Batteries Must Be Replaced When Required:** Monitor battery life and replace them promptly.
- **Combine with Other Decorations:** For an improved look, pair with other fall or fairy lights.

CARE & MAINTENANCE

- **Before Adjusting or Cleansing:** Ensure that the lights are turned off.
- **Battery Removal When Not In Use:** To prevent battery leakage during extended storage, batteries should be removed.
- **Dust Consistently:** Utilize a soft cloth or duster to eliminate leaves and lighting.
- **Prevent Water Exposure:** Do not immerse or spray water on the battery pack or lighting.
- **Inspect the Battery Compartment:** Check for corrosion or damage on a regular basis.
- **Store in a Dry Location:** When not in use, ensure that the garland is kept dry.

- **Handle Wires with Care:** Refrain from tugging or twisting them.
- **Substitute Batteries with High-Quality Brands:** Invest in high-quality batteries to extend their lifespan.
- **To Prevent Overheating:** Refrain from covering the battery pack or garland.
- **Inspect for Loose Connections:** Guarantee that the battery contacts and conductors are securely fastened.
- **Maintain Distance from Heat Sources:** Prevent placement in close proximity to flames or radiators.
- **Prevent Damage by Gently Shaping:** Avoid sharp bends.
- **Proper Storage:** Store in the original packaging or a package and coil loosely.
- **For Indoor or Sheltered Outdoor Use Only:** Shield from torrential precipitation or snowfall.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lights not turning on	Batteries not installed or placed incorrectly	Reinsert batteries and ensure proper polarity
Lights dim or fading quickly	Batteries are low or expired	Replace with new AA batteries
Timer not functioning	Switch not set to TIMER mode	Turn switch to TIMER and observe cycle
Only part of the garland is lit	Loose internal wire or LED issue	Check for bends or pressure points; gently adjust branches
Branches lose shape	Over-flexing or incorrect shaping	Gently reposition and avoid over-bending wires
Flickering lights	Weak battery connection or depleted batteries	Adjust battery position or replace with fresh ones

Issue	Possible Cause	Solution
Battery box overheating	Poor-quality batteries or long usage	Replace batteries; do not run continuously for extended hours
Wire visible in some areas	Poor branch adjustment	Reposition leaves to cover exposed wires
Lights shut off unexpectedly	Timer function active	Confirm if timer is cycling; switch to ON to override
Battery compartment won't close	Misplaced battery or debris inside	Realign batteries and ensure compartment is clean

PROS & CONS

PROS

- Realistic yellow maple leaves enhance fall decor
- Includes a timer function for set-it-and-forget-it convenience
- 6FT length provides great coverage for mantels or tables
- Soft warm white lighting adds cozy ambiance
- Battery-operated design offers cordless flexibility

CONS

- Batteries not included
- Not suitable for use near water or heat sources
- Only one light color available
- Limited brightness for large outdoor spaces
- Not intended for permanent outdoor installation

WARRANTY

The LITBLOOM Yellow-Maple Lighted Garland includes a **1-year limited warranty**, covering manufacturing defects and faulty craftsmanship under normal usage. The

warranty does not cover damage due to misuse, water exposure, incorrect battery handling, or alterations. LITBLOOM provides responsive customer support and promises a resolution within 24 hours for any reported issue during the warranty period. A valid proof of purchase is required for all claims.

FREQUENTLY ASKED QUESTIONS

What is the LITBLOOM 6FT Lighted Fall Maple Garland?

The LITBLOOM 6FT Lighted Fall Maple Garland is a handcrafted vine of textured yellow maple leaves dotted with 24 warm white LED lights for seasonal indoor/outdoor décor.

How is the LITBLOOM Maple Garland powered?

This LITBLOOM Yellow Maple Garland runs on 3 AA batteries (not included) and offers an on/off switch plus a 24-hour timer that cycles 6 hours on, 18 hours off.

Is the LITBLOOM Maple Garland suitable for outdoor use?

The LITBLOOM Garland is waterproof and can be used on patios, porches, and doorframes—though the battery pack should remain sheltered from direct rain.

How long will the lights stay on when I use the timer function?

Once activated, the LITBLOOM Garland's timer will keep the lights on for 6 hours and then off for 18 hours, repeating daily until manually switched off.

What should I do if the lights on my LITBLOOM Garland won't turn on?

First verify the 3 AA batteries are fresh and correctly installed. Ensure the switch is in the on or timer position and that the battery box is fully closed.

Why are my LITBLOOM Garland LEDs flickering or dimming?

Flickering or dim lights usually indicate low battery power. Replace all three batteries with quality alkaline or rechargeable AAs.

How do I reset the timer on the LITBLOOM Yellow Maple Garland?

Turn the garland off, wait one minute, then switch back to timer mode. This restarts the 6-hour on/18-hour off cycle from that point.
