LITBLOOM Birch-8 Pre-lit Twig Vine Lights

INTRODUCTION

The LITBLOOM Birch-8 Pre-lit Twig Vine Lights are an ideal addition to any living space, as they add a festive touch and year-round appeal. This 6FT pre-lit birch garland is priced at **\$32.99** and includes 48 LED LEDs that provide both warm white and multi-color illumination. This garland, from LITBLOOM, a reputable manufacturer of home décor lighting, features eight dynamic lighting functions, ranging from a steady radiance to a twinkle, enabling you to establish the ideal atmosphere for any event. This garland functions as a decorative statement piece when affixed to mantles, walls, doorways, or holiday tablescapes, thanks to its invisible wiring and authentic birch bark texture. Its IP44 waterproof rating guarantees its suitability for both domestic and outdoor use, while its flexible yet durable branches encourage creative shaping. This elegant vine provides portable versatility and effortless assembly, weighing in at a mere 14.9 ounces and powered by three AA batteries (not included). Suitable for considerate gifting, everyday ambiance, or festive décor.

- **Adaptable:** Suitable for a variety of applications, including fireplaces, mantels, doorframes, walkways, and tables.
- **Elegant and Stylish:** Enhances the sophistication of any environment.
- **Energy Efficient LEDs:** Long-lasting bulbs with low power consumption.
- **Compact Packaging:** Ships in a small package for effortless storage and

transportation.

SETUP GUIDE

- Carefully Remove the Battery Pack and Garland From the packaging.
- **Insert Batteries:** Properly insert three AA batteries by opening the battery compartment.
- **Battery Compartment Closure:** Firmly fasten the battery cover.
- **Select a Location:** Choose a location, such as a mantle, table, wall, or doorway.
- **Garland Designation:** Bend and arrange the flexible branches to achieve the desired shape.
- **Light the Garland:** Utilize the control switch to activate the lights.
- **Lighting Mode Selection:** Select your preferable effect by cycling through the eight

lighting functions.

- **Garland Security:** Utilize hooks, ties, or tape to secure the garland in position.
- **Do Not Overstretch:** Refrain from stretching the garland beyond its intended length.
- **Stay Away from Water:** To prevent water exposure, use sheltered outdoor areas or indoors.
- **Battery Pack Position:** Subtly conceal the battery supply to achieve a tidy appearance.
- **Test Lights:** Confirm that all LEDs are functioning appropriately.
- **Batteries Must Be Replaced When Required:** Monitor battery life and replace them promptly.
- **Combine with Other Decorations:** For an improved aesthetic, pair with ornaments or other garlands.

CARE & MAINTENANCE

- **Before Adjusting or Cleansing:** Ensure that the lights are turned off.
- **Battery Removal When Not In Use:** To prevent battery leakage during extended storage, batteries should be removed.
- **Dust Consistently:** Utilize a soft cloth or duster to eliminate leaves and lighting.
- **Prevent Water Exposure:** Do not immerse or spray water on the battery pack or lighting.
- **Inspect the Battery Compartment:** For corrosion or damage on a regular basis.
- **Dry Storage:** When not in use, ensure that the garland is stored in a dry location.
- **Handle Wires with Care:** Refrain from tugging or twisting them.
- **Substitute Batteries with High-Quality Brands:** Invest in high-quality batteries to extend their lifespan.
- **To Prevent Overheating:** Refrain from covering the battery pack or garland.
- **Inspect for Loose Connections:** Guarantee that the battery contacts and conductors are securely fastened.
- **Maintain Distance from Heat Sources:** Prevent placement in close proximity to flames or radiators.
- **Prevent Damage by Gently Shaping:** Avoid sharp bends.
- **Proper Storage:** Store in the original packaging or a package and coil loosely.
- **For Indoor or Sheltered Outdoor Use Only:** Shield from torrential precipitation or

snowfall.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lights not turning on	Dead batteries or incorrect placement	Replace batteries and ensure proper polarity
Only one color mode functioning	Lighting mode not cycled correctly	Press the mode button to cycle through all 8 functions
Lights turn off randomly	Timer function may be activated	Reset and check manual timer settings
Flickering lights	Weak battery power	Replace with a fresh set of AA batteries
Branches not holding shape	Insufficient bending or improper handling	Reshape gently and allow branches to set in place
Lights not visible outdoors	Ambient light overpowering LEDs	Use during dusk/night or in shaded areas
One section not lighting	Loose connection or faulty segment	Check wiring and gently adjust connections
Timer not syncing	Manual override interfering	Turn off, wait, and reset to desired timer mode
Garland appears dim	Low battery voltage	Use high-quality alkaline batteries
Overheating battery pack	Continuous use beyond 8 hours	Use timer function to limit operating time

PROS & CONS

PROS

- 8 lighting modes including multicolor and warm white
- Realistic birch bark texture adds natural charm
- Flexible branches for customizable arrangement
- Battery-operated and waterproof for versatile use
- Lightweight design for easy installation anywhere

CONS

- Batteries not included in the package
- No remote control for lighting adjustments
- Light coverage may not suit very large spaces
- Branches may need reshaping after unpacking
- Limited to 6FT length extension requires more units

WARRANTY

LITBLOOM offers a **1-year limited warranty** on the Birch-8 Pre-lit Twig Vine Lights. This warranty covers defects in materials and craftsmanship under normal use. It does not include damage caused by improper handling, battery leakage, or outdoor misuse beyond IP44 conditions. Customers must retain their original receipt or proof of purchase for any claims. LITBLOOM's responsive customer service promises to resolve any concerns within 24 hours.

FREQUENTLY ASKED QUESTIONS

What is the LITBLOOM Birch-8 Pre-lit Twig Vine Lights garland?

The LITBLOOM Birch-8 is a 6FT artificial twig vine garland pre-lit with 48 multicolor and warm white LED lights, designed for both indoor and outdoor decorative use.

What lighting modes are available in the LITBLOOM Birch-8 model?

The LITBLOOM Birch-8 garland offers 8 lighting functions, including Warm White, Multicolored, Twinkle, Slo Glo, Sequential, In Wave, Steady On, and Off.

What is the texture or design theme of the LITBLOOM Birch-8 garland?

The LITBLOOM Birch-8 is covered in a lifelike white birch bark texture, making it a natural and elegant addition to mantles, walls, tables, and bedrooms.

Can the branches of the LITBLOOM Birch-8 be reshaped?

Absolutely. The branches are flexible but sturdy, allowing you to pose them creatively with ornaments or shape the garland around objects.

What is included in the LITBLOOM Birch-8 package?

The LITBLOOM Birch-8 package includes 1 x LED Light Strip and requires 3 x AA batteries (not included).

Why aren't the lights turning on in my LITBLOOM Birch-8 garland?

Ensure 3 AA batteries are inserted properly and have charge. Check the battery compartment for corrosion and make sure the power switch is set to the desired lighting mode.

How can I cycle through the light modes on my LITBLOOM Birch-8 garland?

Use the mode button on the battery compartment to cycle through the 8 built-in lighting functions. Press until you find your preferred effect.
