LIVARNO Hammock With Frame

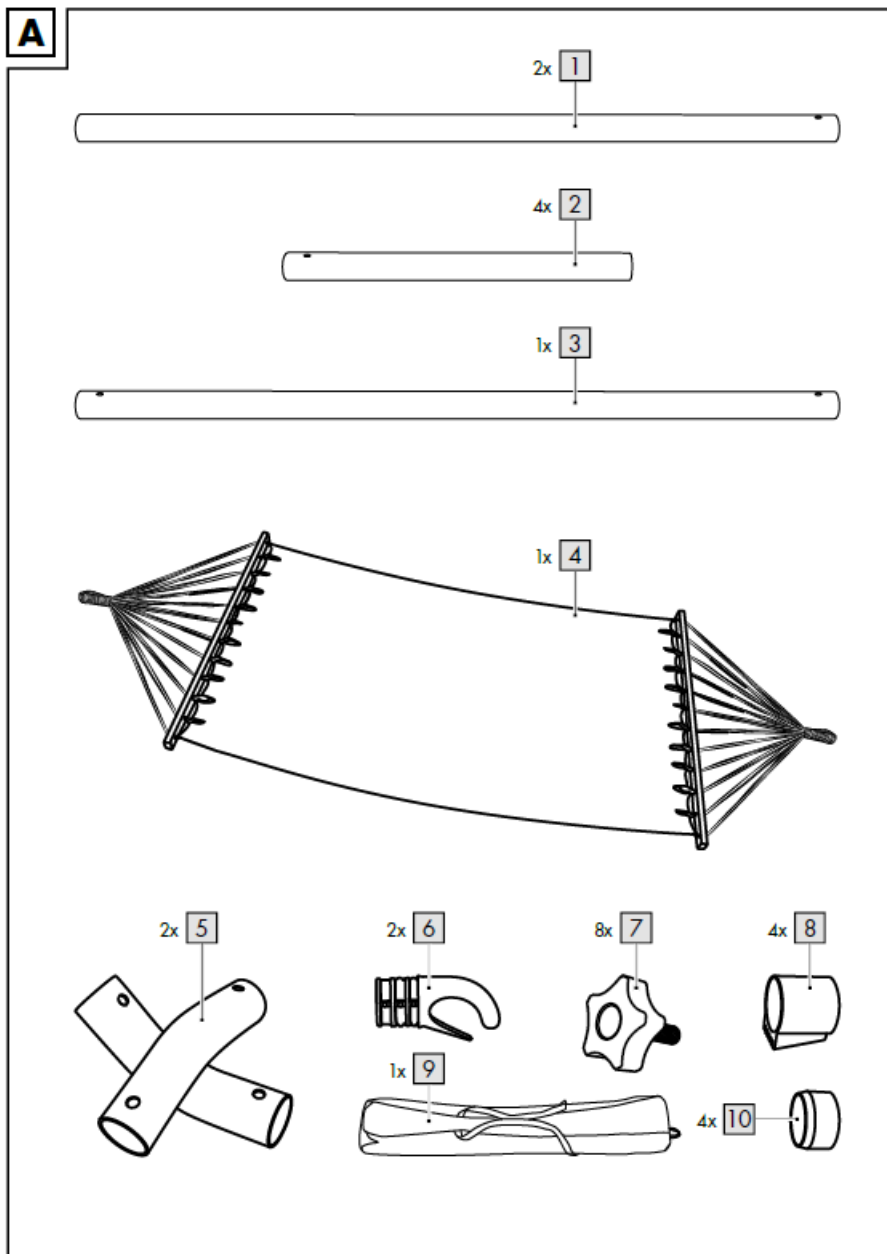

Congratulations!

You have chosen to purchase a high-quality product. Familiarise yourself with the product before using it for the first time. Read the following instructions for use carefully.

Use the product only as described and only for the given areas of application. Store these instructions for use carefully. When passing the product on to third parties, please also hand over all accompanying documents.

Scope of delivery

- 2 x rod with one borehole (1)
- 4 x rod with bases (2)
- 1 x rod with two boreholes (3)
- 1 x hammock (4)
- 2 x connecting crosspiece (5)
- 2 x hook (6)
- 8 x wing screw (7)
- 4 x base cap (8)
- 1 x storage bag (9)
- 4 x rubber ring (10)
- 1 x instructions for use

Technical data

- **Dimensions:** approx. 290 x 120 x 110cm (L x W x H)
- **Reclining surface:** approx. 200 x 100cm (L x W)

- **Maximum load:** 100 kg
- **Date of manufacture (month/year):** 01/2022

Intended use

The product is for lying down and resting by a person over the age of 12 with a maximum weight of 100kg. The product is intended for private use.

Safety instructions

Important: Read these instructions for use carefully and be sure to keep it handy!

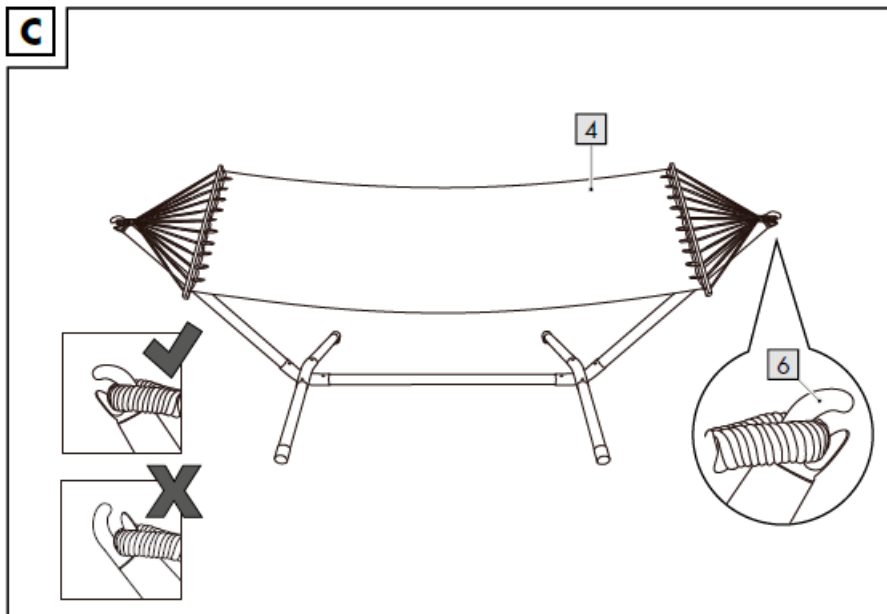

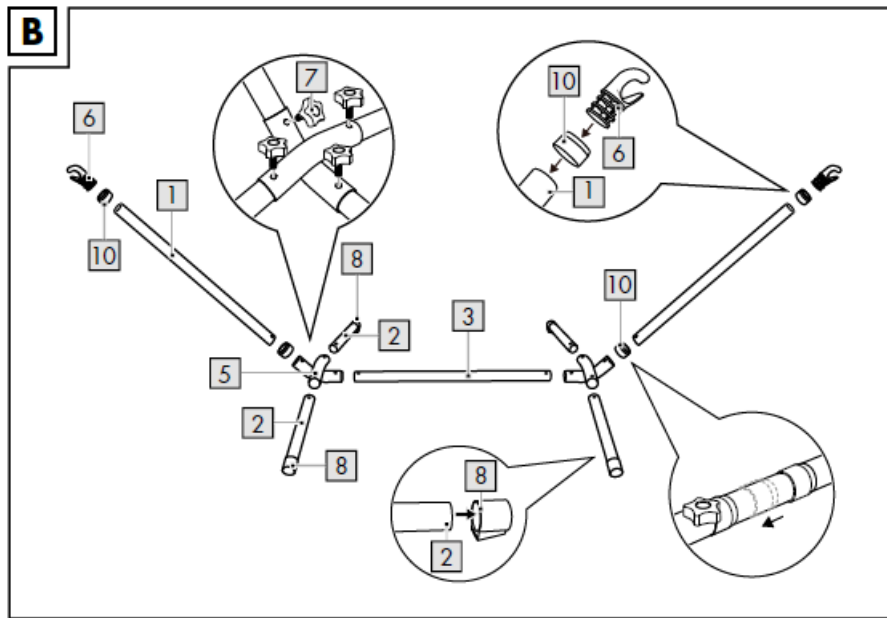

Danger to life!

- Never leave children unsupervised with the packaging material. Risk of suffocation.
- **Warning:** The product is not suitable for use by unsupervised children due to openings that represent a potential risk of strangulation.
- Not suitable for children under 12.

Risk of injury!

- Change in material due to the weather conditions! The material is affected by sun, UV radiation, rain, relative air humidity, and temperature.
- There is a risk that the product will not withstand the specified loads thus pose a risk of injury due to changes in the material. Do not expose the product needlessly to long-term weather effects.
- Keep the product away from children.
- The product is not a toy.
- Use the product only for its intended purpose.
- An adult should always assemble the product.
- Do not allow the product to be used as a swing, for climbing on, or as gymnastics equipment. Do not stand up in the product, do not climb in feet first, and do not put your head between the suspension cords.
- Ropes and materials wear out and can become fragile. Check the product for damage or wear before each use. The product may be used only when in good working order and condition!
- Use only the manufacturer's recommended accessories and appropriate replacement parts.
- Do not use the product over rammed earth, cement, asphalt, or other hard surfaces.
- If possible, use the product only on surfaces that can absorb impacts, such as carpets or outdoor grass surfaces so as to minimise the risk of injury when falling out of the hammock.
- Before using, be absolutely sure that the product has been suspended correctly.
- Keep a sufficient minimum clearance of 1.5m from the sides as they swing out.

Assembly

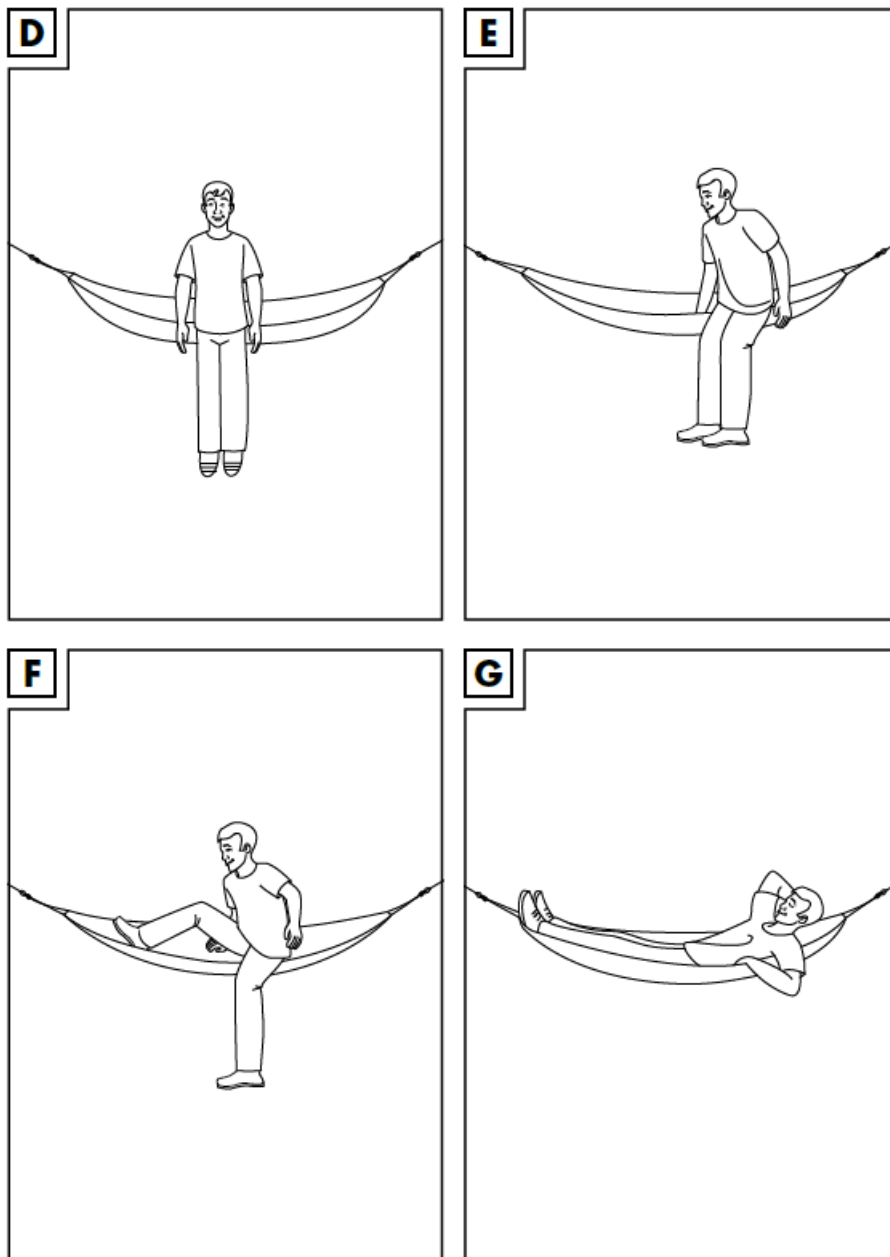

1. Assemble the hammock as described in figs. B and C.

Warning: The hooks (6) must be pointing in the direction indicated in fig. C. Incorrect assembly can lead to serious injury.

Use

Important: When getting into and out of the product, have someone else help you in order to minimise the risk of falling out. Always check that the product has been correctly suspended before each use.

Getting into and out of the product without the help of a second person

1. Stand close to the middle of the product (fig. D).
2. Hold the product steady with one hand. (Fig. E)
3. Sit down carefully in the product while holding it steady with your hand. (Fig. F).
4. Lie down full length in the product. (Fig. G).

Storage, cleaning

When stored outdoors the product should be covered by a tarpaulin. Make sure that there is adequate air circulation and keep the tarpaulin dry. When not in use, always store the product clean and dry at room temperature. Only clean the product with a damp cloth and wipe dry afterwards.

IMPORTANT: Never clean the product with harsh cleaning agents.

Notes on the guarantee and service handling

The product was produced with great care and under continuous quality control. DELTA-SPORT HANDELSKONTOR GmbH gives private end customers a three-year guarantee on this product from the date of purchase (guarantee period) in accordance with the following provisions.

The guarantee is only valid for material and manufacturing defects. The guarantee does not cover parts subject to normal wear and tear that are thus considered wear parts (e.g. batteries) or fragile parts such as switches, rechargeable batteries, or parts made of glass. Claims under this guarantee are excluded if the product has been used incorrectly, improperly, or contrary to the intended purpose, or if the provisions in the instructions for use were not observed, unless the end customer proves that a material or manufacturing defect exists that was not caused by one of the aforementioned circumstances.

Claims under the guarantee can only be made within the guarantee period by presenting the original sales receipt. Please therefore keep the original sales receipt. The guarantee period is not extended by any repairs carried out under the guarantee, under statutory guarantees, or as a gesture of goodwill. This also applies to replaced and repaired parts. If you wish to make a claim please first contact the service hotline mentioned below or contact us by e-mail. If there is a guarantee case, then the product will be repaired or replaced free of charge to you or the purchase price will be refunded, depending on our choice. Your legal rights, in particular guarantee claims against the respective seller, are not limited by this guarantee.
