Livoo JEU002 2 In-1 Bag Toss and Tic-Tac-Toe Game

Product Information

The 2 in 1 Bag Toss and Tic-Tac-Toe Game is a versatile game that can be played in two different ways. It comes with a board, 4 bags, and instructions for both games. The bag toss game involves throwing the bags onto the board to score points, while the tic-tac-toe game involves lining up 3 bags of the same color horizontally, vertically or diagonally before your opponent. This game is suitable for a minimum of 2 players and is not recommended for children under 3 years of age. The game should be used in a safe environment, on suitable surfaces such as grass, sand or flat ground, and in open areas. The equipment should be stored in a clean and dry place when not in use.

Product Usage Instructions

Bag Toss Game:

1. Unfold your feet and place the board on a horizontal surface.
2. Choose the team that throws first at random and each team chooses a color.
3. The thrower stands 4m away from the board (3m for younger players).
4. Each team throws a single bag during their turn.
5. Once all 8 bags have been thrown, points are scored as follows:
 - If the bag is on the board, count the points according to where the bag is (10-20-30-40-50).
 - If the bag fell in the hole, count 100 points.
 - If the bag is not on the board and has not fallen into the hole, count 0 points.
6. Note: a bag can be moved, taken off the board, or even fall into the hole during the game. Points should only be scored when all bags have been thrown.

Minimum 2 players.

Aim of the game: to score the maximum number of points after throwing the 4 bags.

Set up: Unfold your feet. Place the board on the ground on a horizontal surface.

Flow of the game: The team that throws first is chosen at random. Each team chooses a colour. The thrower stands 4m away from the board (3m for the youngest). Each team throws a single bag during their turn.

Once all 8 bags have been thrown, points are scored as follows:

- 1/ if the bag is on the board, count the points according to where the bag is (10-20-30-40-50)

- 2/ if the bag fell in the hole, count 100 points.
- 3/ if the bag is not on the board and has not fallen into the hole, count 0 points.

Note: a bag can be moved, taken off the board or even fall into the hole during the game. Points should only be scored when all bags have been thrown.

Morpion Game:

1. Choose the team that throws first at random and each player chooses a color.
2. The players take turns placing a bag on the grid.
3. The aim of the game is to line up 3 bags of the same color horizontally, vertically or diagonally before your opponent.

Minimum 2 players.

Aim of the game: to line up 3 bags of the same colour horizontally, vertically or diagonally before your opponent.

Flow of the game: The team that throws first is chosen at random. Each player chooses a colour. The players take turns placing a bag in the grid.

Cleaning and Storage:

Wipe the different parts of the game with a soft, damp cloth. Store the equipment dry and clean in its carrying bag. To wash the carry bag, refer to the care label sewn into the bag. Wipe the different parts of the game with a soft, damp cloth. Store the equipment dry and clean in its carrying bag. Store it in a clean and dry place.
