## Getting Started

### The select the existing doorbell system

#### 1. Getting Started

Circle View Doorbell replaces your home's existing wired doorbell and has the following installation requirements:

- Functioning wired doorbell system (8-24V AC 10 VA or higher) and compatible chime
- High-speed 2.4/5 GHz a/b/g/n/ac Wi-Fi-based Internet near doorbell
- **Apple HomeKit Secure Video compatible components**
