KNOW YOUR PRODUCT

CHARGING AND CONNECTING THE HEADSET

1. Connect the headset to a computer using the USB-A charging cable Charge the headset for 3 hours or until the status light turns solid green
2. Connect the USB-A receiver to a USB-A port on the computer (connecting to a USB hub isn't recommended)
Power on your headset

1**2**

HEADSET FIT

1. Adjust headset size by moving the headband up and down until it fits comfortably
2. Move the microphone boom up or down until it is level with your mouth for better voice capture
3. Tuck the right-sided boom inside the headband and out of the way when you're not using it
4. Fold up the lightweight headset like sunglasses for portability
