Logitech UE Roll 2 Wireless Portable Speakers User Manual

### **UNAPOLOGETICALLY AWESOME 360-DEGREE SOUND**

The big, bold, beautiful sound of UE ROLL 2 gives adventure a soundtrack. SOUND SO LOUD YOU'LL HAVE TO SHOUT TO BE HEARD. It goes where you go with a stretchy, attachable bungee. All ultra-portable Bluetooth® speakers should have one like it – but they don't. You can even attach it to a kayak – it's waterproof. Like, you could ride the kayak over a waterfall in a monsoon with your tunes blasting out. No problem. Which also makes it the perfect speaker for shower parties! Hang it with the bungee, soap up and enjoy the unapologetically awesome sound.

### **WHAT'S IN THE BOX**
