## Product Usage Instructions

### Pairing the Mouse via Bluetooth:

1. Ensure your device's Bluetooth is turned on.
2. Press and hold the ON button on the mouse for a few seconds until the LED light starts blinking.
3. Locate the mouse on your device's Bluetooth settings and select it to pair.

### Battery Replacement:

1. When the battery needs replacement, locate the battery compartment on the mouse.
2. Open the compartment and remove the old battery.
3. Insert a new AA battery into the compartment following the correct polarity.
4. Close the compartment securely.

## Cleaning and Maintenance:

- To clean the mouse, use a soft, dry cloth to wipe the surface. Avoid using harsh chemicals or abrasive materials that may damage the plastic casing.

## FAQs

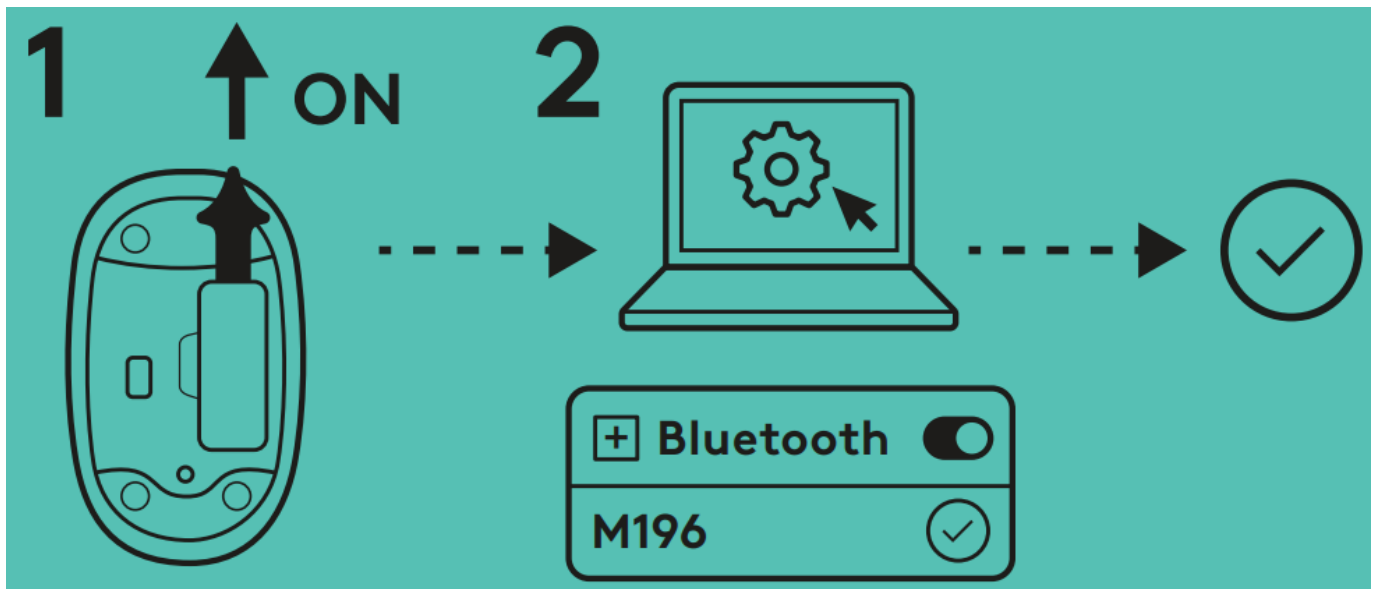

- **Q: How can I check the battery level on the M196 mouse?**

- A: The M196 mouse does not have a battery level indicator. It is recommended to replace the battery with a fresh one if you experience connectivity issues or notice reduced responsiveness.

- **Q: Is the M196 mouse compatible with Chromebook devices?**

- A: The M196 mouse is designed to work with Windows and macOS systems. While it may work with some Chromebook models, full compatibility cannot be guaranteed.
