Logitech M310 Wireless Mouse

Product Information

The product is a wireless mouse designed and manufactured by Logitech. It features a compact design, an AA battery-powered operation, and a USB Nano receiver for wireless connectivity with a computer. The mouse has an ON/Off slider for power control.

Specifications

- **Manufacturer:** Logitech
- **Power Source:** 1 x AA battery
- **Connectivity:** Wireless
- **Interface:** USB Nano receiver

Product Usage Instructions

Install the AA Mouse Battery

To power the mouse, follow these steps:

1. Locate the battery compartment on the underside of the mouse.
2. Slide open the battery cover.
3. Insert one AA battery into the compartment, following the polarity markings.
4. Slide the battery cover back into place until it clicks.

Power On the Mouse

Ensure that the ON/Off slider is in the ON position. This slider is usually located on the bottom or top surface of the mouse.

Connect the USB Nano Receiver:

To establish a wireless connection between the mouse and your computer, follow these steps:

1. Locate an available USB port on your computer.
2. Take the USB Nano receiver and insert it into the USB port firmly.

Turn on Your Computer:

Press the power button on your computer to turn it on.

Frequently Asked Questions (FAQ)

Q: Where can I find more information about the product?

- **A:** For additional information, please visit the official Logitech website at **www.logitech.com.**

Q: How can I troubleshoot if the mouse is not working?

- **A:** If you encounter any issues with the mouse, try the following steps:

1. Ensure that the battery is properly installed and has sufficient charge.
2. Check that the USB Nano receiver is securely connected to the computer.
3. Make sure the mouse is within the operating range of the receiver.
4. Try connecting the receiver to a different USB port.
5. Restart your computer and try again.
6. If the problem persists, refer to the user manual or contact Logitech support for further assistance.

WHAT'S IN THE BOX

**POWER**

- Turn on the computer.
