Technical Specs

Product Usage Instructions

Setting Up the Keyboard and Mouse Combo

1. Insert the USB Bolt receiver into a USB port on your computer.
2. Remove the battery cover from the keyboard and mouse to activate the pre-installed batteries.
3. Turn on the power switch on both the keyboard and mouse.
4. Your devices are now ready to use.

Using the Keyboard and Mouse

The keyboard and mouse operate wirelessly within their specified range. Use the keyboard for typing and the mouse for navigation.

Battery Replacement

When the batteries are running low, replace them with new AAA batteries for the keyboard and AA battery for the mouse.

FAQ

- **Q: How do I connect the keyboard and mouse to my computer?**
A: Simply insert the USB Bolt receiver into a USB port on your computer to establish a wireless connection.
- **Q: Can I use rechargeable batteries with this product?**
A: Yes, you can use rechargeable AAA batteries for the keyboard and rechargeable AA batteries for the mouse.

Signature Slim Wireless Keyboard and Mouse Combo MK950

Type and click across computers effortlessly with SIGNATURE SLIM MK950, a keyboard and mouse that makes work life magic with powerful customisation and shortcuts (3) (4) (5). Quiet typing and clicking (7) gives you more focus, and less disturbance to others. Connect wirelessly with Bluetooth® or the included Logi Bolt USB receiver.

FEATURES

- Type and Click Across Your Personal and Work Computers: Move seamlessly between your home desktop and your work laptop with this wireless and quiet keyboard and mouse combo
 - Save Time Like Magic: Customisable keys, buttons and shortcuts for extended possibilities with the Logi Options+ App; available for Windows and macOS (3) (4) (5)
 - Enhance Your Space: A sleek and solidly built full-size bluetooth keyboard with familiar laptop-style typing and a comfortable, contoured, bluetooth mouse made of recycled plastic (8)
 - Quiet Experience: Conjure some focus time with quiet typing and clicking; the M750 Signature Plus is a quiet click mouse with SilentTouch technology for 90% less click noise (7)
 - Easy Scrolling: With the M750 Signature Plus wireless mouse, you can scroll through documents line by line, or fly effortlessly through long web pages with the SmartWheel
 - Switch Between Your Laptop, Tablet, and Phone: The K950 Signature Slim Keyboard of this multi-device combo allows you to switch typing between three devices with a single tap
 - Works on Most Platforms: Worry-free wireless connection to Windows, macOS, Chrome OS, Linux , iPadOS, iOS and Android, easily pair via Bluetooth or Logi Bolt (2)(3)(5)(9)
 - Feel Good About Your Choice: Plastic parts in Slim Combo include certified post-consumer recycled plastic (minimum 48% for keyboard; 25% for mouse); certified carbon neutral (8)
1. Battery life may vary based on user and computing conditions. [China only] Keyboard battery life calculation based on an estimated two million keystrokes / year in an office environment. Mouse battery life based on a 8-hour daily office use.
 2. You need to have Logi Options+ Installed and all your computers connected to the same network.
 3. Customise device by installing the Logi Options+ App available on Windows and macOS at logi.com/optionsplus
 4. Logi Options+ App is currently not supported for Chrome OS, Linux , iPadOS, iOS and Android. The device's basic functions will work without it.
 5. Mouse not supported by iOS.
 6. Wireless range may vary based on user, environmental, and computing conditions.
 7. Click noise reduced by over 90% compared to Logitech M185. Left click and typing dBA level measured by an independent lab at 1 metre
 8. Signature Slim Combo MK950 plastic content: minimum 25% for the mouse and minimum 48% for the keyboard, excluding PWA, cables, receiver and packaging
 9. JAPAN ONLY: Keyboard supported by iPadOS 16 or later and iOS 16 or later
