Logitech MR0106 Wireless Mouse

Safe & Proper Use of Your Product

- Do not open or modify the product except for battery removal and replacement.
- Do not disassemble or attempt to service this product because there is a risk of radiation exposure, which could injure you.
- Do not direct the infrared/laser beam at anyone's eye or a reflective object.
- Do not immerse the product in any liquid or expose to heat or moisture.
- If a product is exposed to out-of-range temperature environments, power off the device until the temperature has stabilized within the specified operating temperature range.
- Use only Logitech-provided power supply devices with this product.
- Do not modify the power supply. Do not charge your product during an electrical storm.
- Use the product with listed/certified ITE computers and accessories.
- This is not a Children's Product and is not intended for use by children under 14 years old.
- Long periods of repetitive motion using the product may be associated with nerve, tendon or muscle injury in your hands, wrists, arms, shoulders, neck or back. See a qualified health professional for pain, numbness, weakness, swelling, burning, cramping, or stiffness. Also, read the guidelines at www.logitech.com/comfort.
- This product complies with relevant legal requirements for the Restriction of Hazardous Substances (RoHS) and management of waste electronic and electrical equipment (WEEE) in the EU, Turkey, Ukraine, United Arab Emirates, India, China and Taiwan. For RoHS and WEEE information, go to www.logitech.com/compliance. Batteries, electronic and electrical equipment should not be disposed of with household waste. Wherever possible, they should be segregated and brought to an appropriate collection point to enable recycling and avoid potential impacts on the environment and human health. For more information, contact your local authorities or place of purchase, or visit www.logitech.com/recycling.

Product Information

The product is a laser device that complies with International Standard IEC/EN 60825-1:2014, Class 1M Laser Product, and also complies with 21 CFR 1040.10 except for conformance with IEC 60825-1 Ed. 3. It emits invisible laser radiation that should not be viewed directly with optical instruments. Prolonged direct eye and/or skin contact with the laser aperture may result in potential burn injury. The device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt RSS(s). The product is designed to comply with FCC and Industry Canada RF exposure limits for portable devices.

BATTERY WARNING!:

Improperly replaced batteries may present a risk of leak or explosion and personal injury. Risk of fire or explosion if the battery is replaced by an incorrect type. Ensure batteries are installed correctly by following the instructions provided. Mistreated rechargeable batteries may present a risk of fire or chemical burn. Do not disassemble or expose to conducting materials, moisture, liquid, or heat above 54° C (130° F).

A battery subjected to extremely low air pressure may result in an explosion or the leakage of flammable liquid or gas. Do not use or charge the battery if it appears to be leaking, discolored, deformed, or in any way abnormal. Do not leave your battery discharged or unused for extended periods. Do not short circuit. Your device may contain an internal, rechargeable battery that is not replaceable. Battery life varies with usage. Non-operational batteries should be discarded according to local laws. If no laws or regulations govern, dispose of your device in a waste bin for electronics. Keep batteries away from children.

Class 1 Laser product:

This product complies with International Standards IEC/EN 60825-1: 2014, Class 1 Laser Product, and also complies with 21 CFR 1040.10 except for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated May 8, 2019. Maximum power of 716 microwatts CW, the Emitted wavelength is 832-865 nm; Operating temperature between 0°C and 40°C.

WARNING! Use of controls, adjustments or performance of procedures beyond those specified herein may result in hazardous radiation exposure.

WARNING! Laser Radiation. Viewing the laser output with magnifying optical instruments within a 100mm distance may pose an eye hazard.

WARNING! Avoid prolonged direct eye and/or skin contact with the laser aperture. May result in potential burn injury.

The product contains Class 1 LED. Operating temperature between 0° C and 40° C.

Class 1M Laser Product:

This device complies with International Standard IEC/EN 60825-1:2014, Class 1M Laser Product, and also complies with 21 CFR 1040.10 except for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated May 8, 2019. Emission of diverging beam of minimum +/-2° of infrared user-invisible light; Maximum power of 1.4 milliwatts CW, Emitted wavelength is 832-865 nm; Operating temperature between 0°C and 40°C.

Product Usage Instructions

Before using the product, it is important to read the manual carefully to avoid hazardous radiation exposure. To prevent eye damage, do not view the laser output with magnifying optical instruments within a 100mm distance. Avoid prolonged direct eye and/or skin contact with the laser aperture to prevent potential burn injury. Dispose of batteries, electronic and electrical equipment at an appropriate collection point to enable recycling and avoid potential impacts on the environment and human health. When installing the product, use shielded interface cables or accessories that have been provided with the product or specified additional components or accessories elsewhere defined to ensure compliance with FCC. Do not make changes or modifications to the product not expressly approved by Logitech, Inc as it could void your right to use or operate your product by the FCC.

If you have any product/warranty-related questions, contact Customer Care at www.logitech.com/contact. For more information on recycling, contact your local authorities or visit www.logitech.com/recycling. For full warranty information, visit support.logitech.com.

FCC statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy. And, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

- Consult the dealer or an experienced radio/TV technician for help. Warning: Where shielded interface cables or accessories have been provided with the product or specified additional components or accessories elsewhere defined to be used with the installation of the product, they must be used in order to ensure compliance with FCC. Changes or modifications to a product not expressly approved by Logitech, Inc could void your right to use or operate your product by the FCC.

IC statement : CAN ICES-3 (B) / NMB-3 (B)

This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions:

This device may not cause interference.

This device must accept any interference, including interference that may cause undesired operation of the device.

Radiation Exposure Statement

This wireless product complies with the FCC and Industry Canada RF exposure limit for portable devices.

Logitech Limited Hardware Product Warranty – A Summary

Logitech warrants that its hardware product shall be free from defects in materials and workmanship for the length of time identified on your product package beginning from the date of the original retail purchase. See support.logitech.com for specific warranty information about your product and procedures to act on a warranty claim. Logitech's entire liability and your exclusive remedy for any breach of warranty shall be, at Logitech's option, to repair or replace a functional equivalent of the product, or to refund the price paid, if the hardware is returned to the point of purchase or such other place as Logitech may direct along with a receipt. Warranty protections are in addition to rights provided under local consumer laws and may vary among countries. See full warranty information to know your consumer rights and the additional protections provided by this product warranty.

Logitech Address: Logitech, Inc., 7700 Gateway Blvd. Newark, California 94560.

Full Warranty Information: support.logitech.com

For Australia/New Zealand Consumers Only:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This warranty is provided by Logitech International SA, EPFL – Innovation Park, Daniel Borel Innovation Center, 1015 Lausanne, Switzerland.

Contact information for Australia/New Zealand Consumers Only:

The Woolstores Alexandria, Shed 72, Suite 2.01A, 4F Huntley Street, Alexandria, Sydney, NSW Australia 2015. Telephone: 1 800-025-544. For any product /warranty-related questions, please contact Customer Care (www.logitech.com/contact).

Contact information for Asia Pacific Consumers: Logitech Asia Pacific Limited, Unit 1003, Tower One, Cheung Sha Wan Plaza, 833 Cheung Sha Wan Road, Kowloon, Hong Kong.
