logitech VR0034 Camera and Speakerphone

Product Information

The product is a device that requires a power supply for operation. It is important to use the power supply included with the product and not attempt to repair or use a damaged power supply. The power supply should only be used indoors and should not be immersed in water or subjected to physical abuse. Regularly inspect the power supply for any cable, plug, or casing damage. There is a caution regarding the connection of all power cords to a properly wired and grounded electrical outlet. It is also warned that exposure to noise above 85 decibels for long periods may cause hearing damage, so it is recommended to establish safe volumes to protect your hearing. The product may have the potential to cause damage or injury, so caution should be exercised during use. The product complies with all applicable requirements for the Restriction of Hazardous Substances (RoHS) and Waste Electronic and Electrical Equipment (WEEE). Maintenance is not required for product compliance. It is advised not to dispose of the packaging, batteries, electronic and electrical equipment, and accessories with household waste. Instead, they should be segregated and brought to an appropriate collection point for recycling to avoid potential impacts on the environment and human health. There are also specific compliance statements related to FCC rules, radiation exposure limits, and interference regulations.

Product Usage Instructions

1. Before using the product, read the manual carefully.
2. Ensure that you are using the provided power supply for indoor use only. Do not attempt to repair or use a damaged power supply.
3. Regularly inspect the power supply for any cable, plug, or casing damage.
4. Connect all power cords to a properly wired and grounded electrical outlet.
5. Establish safe volumes to protect your hearing from exposure to noise above 85 decibels for long periods.
6. Exercise caution during product use to prevent damage or injury.
7. Dispose of packaging, batteries, electronic and electrical equipment, and their accessories at an appropriate collection point for recycling. Do not dispose of them with household waste.
8. Follow FCC rules and regulations regarding shielded interface cables or specify additional components/accessories for compliance.
9. Ensure a minimum distance of 20cm between the radiator and your body when installing and operating the equipment to comply with radiation exposure limits.
10. If using the device in the 5150-5250 MHz band, ensure it is only used indoors to reduce interference to co-

channel mobile satellite systems.

11. Be aware that high-power radars allocated as primary users in certain frequency bands could cause interference and/or damage to LE-LAN devices.
12. Comply with CAN ICES-3 (A) / NMB-3 (A) regulations for devices containing license-exempt transmitter(s)/receiver(s).

Important Safety, Compliance and Warranty Information

Informations importantes concernant la sécurité, la mise en conformité et la garantie

Read Manual Before Product Use.

POWER SUPPLY WARNING!

- The power supply is for indoor use only.
- Only use the power supply included with your product.
- Do not attempt to repair or use a damaged power supply.
- Do not immerse the power supply in water or subject it to physical abuse.
- Inspect the power supply regularly for cable, plug, and casing damage. Perchlorate material – special handling may apply.

See <http://www.dtsc.ca.gov/hazardouswaste/perchlorate/>

Caution! Connect all power cords to a properly wired and grounded electrical outlet.

Warning! Exposure to noise above 85 decibels for long periods may cause hearing damage. Protect your hearing by establishing safe volumes.

Safe Usage Guidelines for Products

- Do not open or modify the product except for battery removal and replacement.
- Do not disassemble or attempt to service this product.
- Use the product with listed/certified ITE computers and accessories.
- Connect the power supply or power cord to a properly wired and grounded electrical outlet.
- This product is safe under normal and reasonably foreseeable operating conditions. If the product is operating improperly, please contact Logitech support.
- The product must be returned to the manufacturer for any service or repair.
- This is not a Children's Product and is not intended for use by children under 14 years old.
- **Warning:** Not suitable for children under 36 months. Small parts. Choking hazard.
- Install the device according to the provided instructions. Improper installation of this product may cause damage or injury.
- Mount the device properly according to the provided instructions. Improper installation of this product may cause damage or injury.

Logitech Compliance

The product complies with all applicable requirements for the Restriction of Hazardous Substances (RoHS) and Waste Electronic and Electrical Equipment (WEEE).

For Product Safety, EMC, RF, Energy, RoHS, and WEEE information, go to www.logitech.com/compliance. Maintenance is not required for product compliance. Packaging, batteries, electronic and electrical equipment, and their accessories should not be disposed of with household waste. Wherever possible, they should be segregated and brought to an appropriate collection point to enable recycling and avoid potential impacts on the environment and human health. For more information, contact your local authorities or place of purchase, or visit www.logitech.com/recycling.

FCC statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. this device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class A digital device, under part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used by the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.

Warning: Where shielded interface cables or accessories have been provided with the product or specified additional components or accessories elsewhere defined to be used with the installation of the product, they must be used in order to ensure compliance with FCC. Changes or modifications to product not expressly approved by Logitech, Inc could void your right to use or operate your product by the FCC.

Radiation Exposure Statement:

This equipment complies with FCC and IC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator & your body.

Caution:

- the device for operation in the band 5150-5250 MHz is only for indoor use to reduce the potential for harmful interference to co-channel mobile satellite systems;
- high-power radars are allocated as primary users (i.e. priority users) of the bands 5250-5350 MHz and 5650-5850 MHz and these radars could cause interference and/or damage to LE-LAN devices.

IC statement:

CAN ICES-3 (A) / NMB-3 (A)

This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science, and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

Warning

This is a class-A product. In a domestic environment, this product may cause radio interference in which case the user may be required to take adequate measures.

Logitech Limited Hardware Product Warranty A Summary

Logitech warrants that its hardware product shall be free from defects in materials and workmanship for the length of time identified on your product package beginning from the date of the original retail purchase. See support.logitech.com for specific warranty information about your product and procedures to act on a warranty claim. Logitech's entire liability and your exclusive remedy for any breach of warranty shall be, at Logitech's option, to repair or replace a functional equivalent of the product, or to refund the price paid, if the hardware is returned to the point of purchase or such other place as Logitech may direct along with a receipt. Warranty protections are in addition to rights provided under local consumer laws and may vary among countries. See full warranty information to know your consumer rights and the additional protections provided by this product warranty.

Logitech Address: Logitech, Inc., 3930 North First Street, San Jose, CA 95134, USA.

Full Warranty Information: support.logitech.com
