- Low Light Correction

Discover the Best Webcam for Online Class and Video Conferencing

Spectacular Video Quality

1080p HD video at 30 frames per second provides true-to-life clarity on Android TVs, PCs or laptops. Comes with an 8-layer coated lens provides high precision and no image distortion; smooth and precise for consistent definition and fluid video.

Ultra Wide Angle Field of View

The Full HD webcam with a 120° super wide angle lens allows everyone in the room to be seen. Great for business video meetings, huddle rooms and other small workspaces.

Always Look Great

Equipped with auto low light correction, adjusts the lighting to produce better quality and brighter images even when you are in dim environments.

Crystal Clear Sound

Built-in dual noise reduction mics specifically optimized for ultra-clear conversations in the room; making sound purer and clearer.

Capture the Best Angle

360° rotation left/right and 90° tilt forward/ backward to show your best side on every video call, wherever you are.

360° Rotation

Simple to Use

Plug-and-play through USB connection supports USB Video Device Class (UVC); making it easy to get it up and running.

Versatile Mounting Choices

Effortlessly mount the camera wherever you like; clamp on LCD screens, laptops, desktops or mount on your tripod.

All-around Platform Compatibility

Compatible with Windows, Mac OS, Linux, Chrome OS and Android. Works with Skype, Microsoft Teams, Google Meet, Zoom, FaceTime, Facebook Messenger, OBS, XSplit, Twitch and more.
