SWITCH BUTTON OPERATION INSTRUCTIONS

SWITCH

Power On: Press and hold the switch button for 5 seconds. The ringtone will sound and the indicator light will flash.

Check Status: Double-click the switch button.

If the ringtone sounds, it indicates that the device is powered on. If it is not powered on, press and hold the switch button for 5 seconds to power it on.

Pairing Mode: After deleting the device, the ringtone will sound and the indicator light will flash. If the device fails to pair within 10 minutes, click the switch button to re-enter the pairing mode.

Restore Factory Settings: Remove it from the "Find My" app.

In the powered-on state, double-click the switch button and then press and hold it for 10 seconds. When the ringtone sounds, the device will restore to factory settings.

Power Off: In the powered-on state, press the switch button 5 times within 2 seconds to turn off the device.

Notes:

The functions of the LORZOR Smart Wallet, such as tracking, notifications, and playing sounds when you are looking for the wallet, can only be used when the device is powered on.
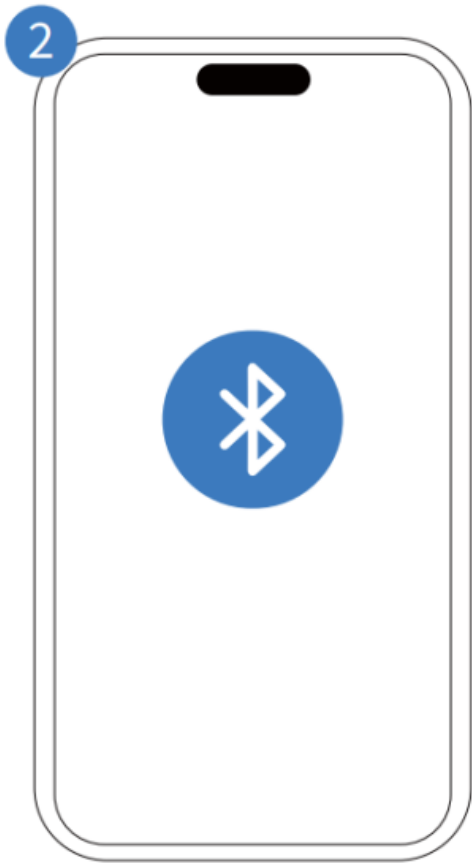

HOW TO USE THE "FIND MY" FEATURE

Binding the Device

1. Press and hold the power button for 5 seconds until the ringtone sounds and the indicator light flashes.

2. Enable the Bluetooth function on your phone.

3. Open the "Find My" app on your iPhone.

4. Place the device near your iPhone, tap the "Items" icon in the bottom navigation bar, and then tap the "Add Item" button.
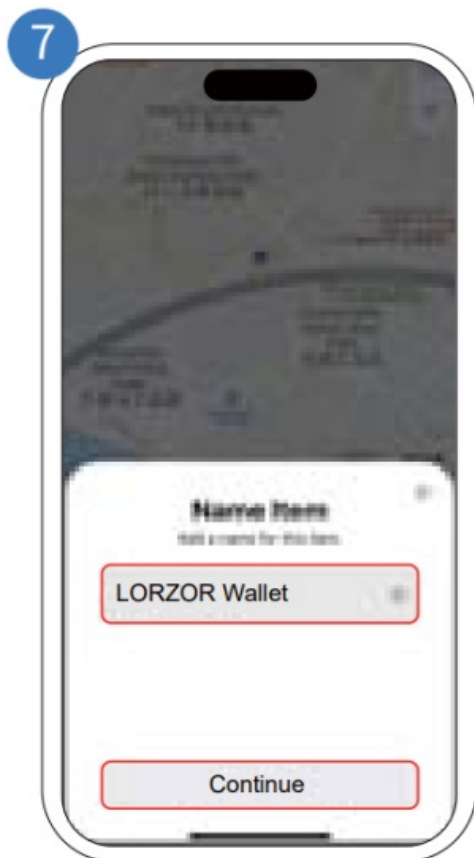

5. Tap "Other Supported Item" at the bottom.

6. Tap the "Connect" button below "LORZOR-wallet-T".

7. Enter the name of the item, and then tap the "Continue" button below.

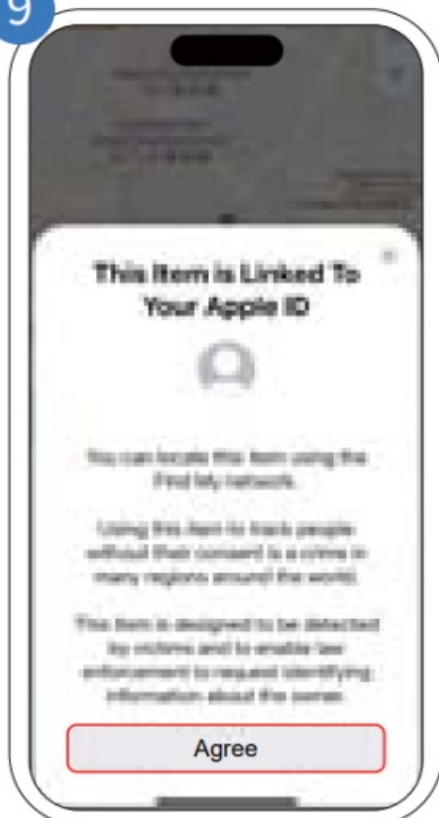

8. First, select an Emoji, and then tap the "Continue" button below.

9. Tap the "Agree" button below to complete the association settings between the item and your Apple ID.

10. After tapping the "Finish" button, the item has been successfully bound to your device. You can view it in the item management interface and perform subsequent operations.
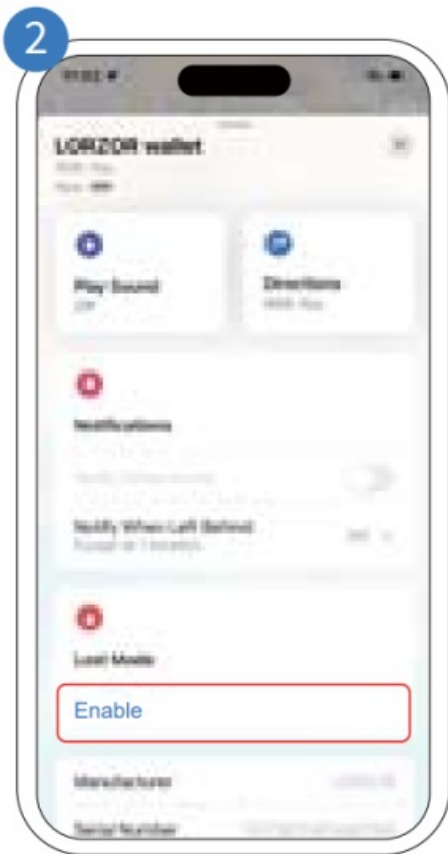

Finish

Enabling "Lost Mode"

1. In the Items interface, tap your device.
