lowes X9TURBO6D 6-Button Optical USB Mouse User Guide

The X9 Performance X9TURBO6D is an optical USB wired mouse with an adjustable 1000/ 1600/ 2400/ 3200 dpi optical sensor. It has 6 buttons including three soft-click mouse buttons with scroll wheel, back and forward buttons and a dpi button for a precise and total control of your computer applications. The ergonomic and ambidextrous design offers maximum comfort to both left-handed and right-handed users and helps to increase your productivity. The X9TURBO6D works both with Mac, PC and Chromebook and doesn't require a driver.

Hardware basics

How to install the X9TURBO6D

The X9TURBO6D is automatically recognized by the computer and does not require a driver. Simply plug the mouse to the computer and you are ready to go.

If you wish to configure the mouse settings to your personal preferences you can do this in the settings of the operating system:

Mac OS

To configure the tracking speed, scrolling speed, double click speed and primary mouse button, go to Mouse in System Preferences. Please note that Mac has limited support on two side mouse buttons. In Chrome web browser two side buttons work as page back and forward, but Safari browser doesn't support them.

Windows

To configure the mouse buttons, pointer, pointer options and wheel, go to Mouse in Hardware/Control Panel.

Technical support

In USA, please call to +1 909 230 6888, 8:30am-5:30pm (PST) Monday to Friday or email to techsupport@x9performance.com.

Warranty

X9 Performance warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year from the date of the purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, X9 Performance will repair or replace the product. This warranty is exclusive and is limited to the X9TURBO6D. This warranty shall not apply to products that have been subjected to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered normal use. The liability of X9 Performance arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall X9 Performance be liable for costs of procurement of substitute products or services, or for any lost profits, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply notwithstanding any failure of essential purpose of any limited remedy.
