- **Bulb Rating:** 3V 0.02A 0.06W
- **Set Rating:** 5V 2A 10W
- **Transformer Input:** 220-240V~ 50/60Hz, Output: 5V 2A 10W
- **Manufacturer:** Luca Lighting
- **Manufacturer Address:** Schinkeldijk 56, 2811 PB Reeuwijk, the Netherlands
- **Manufacturer Website:** www.lucalighting.eu

Product Usage Instructions

1. Setup:

- Unbox the product carefully.
- Connect the transformer to a power outlet (220-240V~ 50/60Hz).
- Download the manufacturer's app for control.
- Follow the app instructions to pair the lights with your device.

2. Control:

- Use the app to change colors, sync with music, set timer functions, and adjust brightness.
- Experiment with voice control features for hands-free operation.

3. Maintenance:

- Avoid exposing the lights to water or extreme temperatures.
- Clean the lights with a soft, dry cloth when necessary.

4. Storage:

- When not in use, store the lights in a cool, dry place away from direct sunlight.
- Keep the transformer and cables organized for easy setup next time.

FAQ

- **Q: Can I use these lights outdoors?**
 - **A:** Yes, these lights are suitable for both indoor and outdoor use.
- **Q: How do I change the colors of the lights?**
 - **A:** You can change the colors using the manufacturer's app that controls the lights.
- **Q: Is it possible to sync the lights with music?**
 - **A:** Yes, these lights have a feature that allows them to sync with music for dynamic lighting effects.

Smart Lighting string RGB

Do not connect the cable to the mains adaptor while the product is still in the packaging.
Read the user manual carefully before use. This set is equipped with non-replaceable LEDs. Consult your local waste
