LUCECO E27 Coach Lantern with PIR Motion Sensor

Product Information

The Exterior Decorative E27 Coach Lantern with PIR Motion Sensor is designed to enhance the exterior decor of your space. It features 6 panels and has an IP44 rating, making it suitable for outdoor use. Please note that the lamp is not included with the product. The product comes with a 2-year standard warranty.

The product is supplied by LUCECO, located at Stafford Park 1, Telford, Shropshire, England, TF3 3BD. You can visit our website at www.luceco.com. If you are in the EU, you can contact Luceco SE at C/ Bobinadora 1-5 08302 Matar Spain. Visit our website at www.luceco.com.

Product Usage Instructions

1. Ensure that the lantern is installed in a suitable outdoor location.
2. Insert the required lamp into the lantern (lamp not included).
3. Connect the lantern to a power source using the provided accessories.
4. Adjust the motion detector settings according to your preferences:
 - Set the duration of the light when motion is detected (8 seconds to 8 minutes).
 - Set the detection range of the motion sensor (6 to 12 meters).
5. Follow the installation and operating instructions provided in the user manual to complete the setup.
